"The Eleventh Hour"

2nd Collection for Catholic Relief Services on August 12th & 13th

he Catholic Relief Services Collection is your opportunity to improve the lives of the most vulnerable people around the world and here in the United States. Your support funds organizations that aid travelers, people affected by war and natural disasters, others whose work or unique cultural circumstances require special pastoral support, and migrants and refugees displaced by conflict, persecution, or political instability.

One example is the people of South Sudan, which became an independent country in 2011 when its people overwhelmingly elected to separate from Sudan, making it the world's newest widely recognized sovereign state.

Clashes between rival ethnic groups then resulted in a civil war that lasted from 2013 through 2020, with millions fleeing to neighboring countries. Nearly one million South Sudanese refugees now shelter in neighboring Uganda, with many located in the Bidi Bidi refugee camp in northern Uganda. For Jimmy Luate, his wife, Jackie, and their daughter, Stella, Bidi Bidi has been home since they fled the war in 2016. Catholic Relief Services—through a comprehensive program of home building, training in hygiene practices, and leadership development—

> has helped Jimmy become a leading advocate for refugee families in need.

When you contribute to The Catholic Relief Services Collection, you not only strengthen programs that meet of refugee families like Jimmy's, but you also empower and to build peace and stability in

August 19 & 20, 2023

Your generous donations will help: to renovate the **St. Joseph Home for Children** in Ramanagar in Sivagangai Diocese

The Need:

- The buildings need renovations, and the campus needs some upkeep and beautification.

An estimated \$28,000.00 is needed to fund these projects.

Currently 132 boys are staying at St. Joseph Home for Children. These are Catholic boys from poor families in rural areas who are staying here to attend Middle and High School at the schools nearby. This home was established in 1943 and so far, one Bishop, more than 50 priests and hundreds of Government Officials have been formed from this Home during the past 80 years. Fr. Arockiam is one of the 50 priests who studied here.

Your sacrificial donation will help:

- Ensure the safety and dignity of the students.
- Give them more opportunities to develop their skills.

Pet Care Emergency Planning

When an emergency/disaster occurs, confusion and turmoil usually reign supreme. It is difficult at such a time to remember all the important things that need to be done. Making the proper pet care plans can become more difficult if not done in advance.

The following are just a few questions that may need answers:

- Will you evacuate your pet(s) along with your family in the event of an emergency? If so, will the hotel you plan to use in transit allow pets?
- Have you created a list of items such as medications, special food, water, etc. needed to provide proper care for your pet(s) during an evacuation?
- Have you created in advance a kit containing all of the pet necessities on that list?
- Will it be necessary for you to board your pet locally until you return home? With what local pet facility will you board and at what cost?
- Sometimes the questions can be more difficult if not impossible to answer, such
 as how long will the evacuation continue? Making arrangements with the animal
 caretaker even for protracted evacuations may be an important issue to discuss in
 advance. Of course, not all questions can be answered, but by asking the
 questions you can be better prepared to deal with most eventualities you may
 encounter with emergencies.

Below are several websites you may wish to visit that prove helpful in providing answers to many of your questions and may possibly assist you in advance plans to care for your pet(s) during times of emergency/disaster:

Do you have a Family Emergency / Disaster Plan?

The family is the domestic church and is integral to the life of the parish. As such, families should prepare themselves for those potential disasters that sometimes affect our homes here in south Louisiana. Hurricanes top the list, it seems, so here are a few preparations a family can take during the season to "Be Prepared."

- Discuss the types of hazards that could affect your family. Know your home's vulnerability to storm surge, flooding, and wind.
- Locate a safe room or the safest areas in your home for each hurricane hazard. In certain circumstances the safest areas may not be your home, but within your community.
- Determine escape routes from your home and places to meet afterward. These should be measured in tens of miles rather than hundreds of miles.
- Have an out-of-state friend as a family contact so that all of your family members have a single point of contact through which to communicate if you become separated.
- Make a plan now for what to do with your pets if you need to evacuate.
- Post emergency telephone numbers in a handy place and make sure your children know how and when to use them, or to call 911.
- Check your insurance coverage flood damage is not usually covered by homeowners insurance.
- Stock non-perishable emergency supplies and create a "Disaster Supply Kit."
- Use a NOAA weather radio. Remember to replace its batteries every 6 months as you would with your smoke detectors.
- · Take First Aid, CPR, and Disaster Preparedness classes.
- Consult the St. Peter Parish Website at https://www.stpeterparish.com and the St. Peter Parish app for more information including links to city, state, and federal websites for emergency preparedness.

The St. Peter Parish Emergency Preparedness Apostolate operates to prepare, develop, implement and monitor an effective emergency response plan for our parish church, school and community. Local and
