Little Office of the Blessed Virgin Mary: Morning Offering

O my God, in union with the Immaculate Heart of Mary (kiss the scapular), I offer Thee the Precious Blood of Jesus from all the altars throughout the world, joining with It the offering of my every thought, word and action of this day. O my Jesus, I desire today to gain every indulgence and merit I can, and I offer them, together with myself, to Mary Immaculate, that she may best apply them to the interests of Thy Most Sacred Heart. Precious Blood of Jesus, save us! Immaculate Heart of Mary, pray for us! Sacred Heart of Jesus, have mercy on us!

Clergy, Religious and Laity of the Archdiocese of New Orleans

Dear Sisters and Brothers in Christ:

It is our archdiocesan tradition to offer the Sacrament of Reconciliation, better known as confession, on a weekday evening in September. I am pleased to inform you that many people in the Archdiocese of New Orleans have taken advantage of this opportunity.

Please consider having your family come to church together for Confession on Wednesday, September 13.

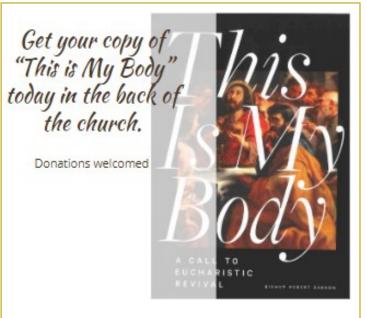

Wishing you God's blessings, I am

Sincerely in Christ,

Hurricane Prayer

Pet Care Emergency Planning

When an emergency/disaster occurs, confusion and turmoil usually reign supreme. It is difficult at such a time to remember all the important things that need to be done. Making the proper pet care plans can become more difficult if not done in advance.

The following are just a few questions that may need answers:

- Will you evacuate your pet(s) along with your family in the event of an emergency? If so, will the hotel you plan to use in transit allow pets?
- Have you created a list of items such as medications, special food, water, etc. needed to provide proper care for your pet(s) during an evacuation?
- Have you created in advance a kit containing all of the pet necessities on that list?
- Will it be necessary for you to board your pet locally until you return home? With what local pet facility will you board and at what cost?
- Sometimes the questions can be more difficult if not impossible to answer, such
 as how long will the evacuation continue? Making arrangements with the animal
 caretaker even for protracted evacuations may be an important issue to discuss in
 advance. Of course, not all questions can be answered, but by asking the
 questions you can be better prepared to deal with most eventualities you may
 encounter with emergencies.

Below are several websites you may wish to visit that prove helpful in providing answers to many of your questions and may possibly assist you in advance plans to care for your pet(s) during times of emergency/disaster:

Hurricane Season is June through November

Do you have a Family Emergency / Disaster Plan?

The family is the domestic church and is integral to the life of the parish. As such, families should prepare themselves for those potential disasters that sometimes affect our homes here in south Louisiana. Hurricanes top the list, it seems, so here are a few preparations a family can take during the season to "Be Prepared."

- Discuss the types of hazards that could affect your family. Know your home's
 vulnerability to storm surge, flooding, and wind.
- Locate a safe room or the safest areas in your home for each hurricane hazard. In certain circumstances the safest areas may not be your home, but within your community
- Determine escape routes from your home and places to meet afterward. These should be measured in tens of miles rather than hundreds of miles.
- Have an out-of-state friend as a family contact so that all of your family members have a single point of contact through which to communicate if you become separated.
- Make a plan now for what to do with your pets if you need to evacuate.
- Post emergency telephone numbers in a handy place and make sure your children know how and when to use them, or to call 911.
- Check your insurance coverage flood damage is not usually covered by homeowners insurance.
- Stock non-perishable emergency supplies and create a "Disaster Supply Kit."
- Use a NOAA weather radio. Remember to replace its batteries every 6 months as you would with your smoke detectors.
- · Take First Aid, CPR, and Disaster Preparedness classes.
- Consult the St. Peter Parish Website at https://www.stpeterparish.com and the St. Peter Parish app for more information including links to city, state, and federal websites for emergency preparedness.
