THE MONTHLY PRAYER REQUESTS FOR PRIESTS

WOULD YOU PRAY FOR A PRIEST EACH DAY?

PRAYER SUGGESTION

O Jesus, Eternal High Priest, live in (name a priest), act in him, speak in and through him. Think your thoughts in his mind, love through his heart. Give him your own dispositions and feelings. Teach, lead and guide him always. Correct, enlighten and expand his thoughts and behavior. Possess his soul; take over his entire personality and life.

Replace him with yourself. Incline him to constant adoration and thanksgiving; pray in and through him. Let him live in you and keep him in this intimate union always. O Mary, Immaculate Conception, Mother of Jesus and Mother of priests, pray and intercede for (...)
Amen.

ARCHDIOCESE OF NEW ORLEANS

Blessing for Father's Day

God our Father,
In your wisdom and love you have created us and called us your own.
Bless these men,
that they may be strengthened as Christian fathers.
Let the example of their faith and love shine forth.
In moments of joy, rejoice with them.
In times of struggle, give them your courage and perseverance.
Grant that we, their sons and daughters,
may honor and appreciate them always
with a spirit of profound respect.
May the example and prayer of St. Joseph inspire them
to live their vocation with courage.
Grant this through Christ our Lord. Amen.
May almighty God bless you +

Emil Kapaun
Episode One: The Soldier Priest

South East Asia. August, 1945. The Second World War has been raging for nearly six years, claiming the lives of more than four hundred thousand American soldiers. A multitude of chaplains has been sent to minister to these men in their dying moments. One of them is a 29-year-old Catholic priest, a Kansas-born farmer's son who finds himself in the thick of battle. This is the story of Father Emil Kapaun.

If you are grieving the loss of a spouse,
child, parent, relative or friend, we are
here to help YOU.

GriefShare® is a Christian-based program to help you navigate your loss and grief through a grief recovery support group. It is a 13-week cycle to help those grieving to discover what to expect in the days ahead and what is "normal" in grief. Since there are no neat, orderly stages of grief, you'll also learn helpful ways of coping with grief, in all its unpredictability – and gain solid support each step of the way.

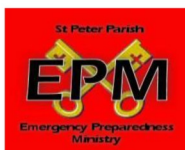

The fee is \$25 made payable to St. Benedict Catholic Church. This fee includes your GriefShare workbook.

Sharon Hoffman, a widow and parishioner of St. Benedict Church, will facilitate the GriefShare® support group. Each session is self-contained so you can join at any week, but registration is required. To register, go to griefshare.org and click "find a group" and register. For more information, contact Sharon at hoffmansha@charter.net and leave your telephone number so she can contact you.

This summer GriefShare® support group will meet from May 28-August 20, 2025, 6:00 pm – 7:30 pm. St. Benedict Catechetical Center, Covington, LA

Hurricane Season is June through November

Do you have a Family Emergency / Disaster Plan?

The family is the domestic church and is integral to the life of the parish. As such, families should prepare themselves for those potential disasters that sometimes affect our homes here in south Louisiana. Hurricanes top the list, it seems, so here are a few preparations a family can take during the season to “Be Prepared.”

- Discuss the types of hazards that could affect your family. Know your home’s vulnerability to storm surge, flooding, and wind.
- Locate a safe room or the safest areas in your home for each hurricane hazard. In certain circumstances the safest areas may not be your home, but within your community.
- Determine escape routes from your home and places to meet afterward. These should be measured in tens of miles rather than hundreds of miles.
- Have an out-of-state friend as a family contact so that all of your family members have a single point of contact through which to communicate if you become separated.
- Make a plan now for what to do with your pets if you need to evacuate.
- Post emergency telephone numbers in a handy place and make sure your children know how and when to use them, or to call 911.
- Check your insurance coverage – flood damage is not usually covered by homeowners insurance.
- Stock non-perishable emergency supplies and create a “Disaster Supply Kit.”
- Use a NOAA weather radio. Remember to replace its batteries every 6 months as you would with your smoke detectors.
- Take First Aid, CPR, and Disaster Preparedness classes.
- Consult the St. Peter Parish Website at <https://www.stpeterparish.com> and the St. Peter Parish app for more information including links to city, state, and federal websites for emergency preparedness.

Pet Care Emergency Planning

When an emergency/disaster occurs, confusion and turmoil usually reign supreme. It is difficult at such a time to remember all the important things that need to be done. Making the proper pet care plans can become more difficult if not done in advance.

The following are just a few questions that may need answers:

- Will you evacuate your pet(s) along with your family in the event of an emergency? If so, will the hotel you plan to use in transit allow pets?
- Have you created a list of items such as medications, special food, water, etc. needed to provide proper care for your pet(s) during an evacuation?
- Have you created in advance a kit containing all of the pet necessities on that list?
- Will it be necessary for you to board your pet locally until you return home? With what local pet facility will you board and at what cost?
- Sometimes the questions can be more difficult if not impossible to answer, such as how long will the evacuation continue? Making arrangements with the animal caretaker even for protracted evacuations may be an important issue to discuss in advance. Of course, not all questions can be answered, but by asking the questions you can be better prepared to deal with most eventualities you may encounter with emergencies.

Below are several websites you may wish to visit that prove helpful in providing answers to many of your questions and may possibly assist you in advance plans to care for your pet(s) during times of emergency/disaster:
