SEASON ONE MASTERPIECE of CREATION

To truly understand the way the Lord views femininity is to live as one who is fully alive. In a world that often speaks in clichés and labels, God desires to reveal who He is through a greater understanding of who we are. This season will not only unpack the wealth of celebration of what Saint John Paul II called "The Feminine Genius" but will also give real advice on how to combat the mental, emotional, and spiritual challenges we, as women, face every day.

THE MARONITE CHURCH AND THE ST. SHARBEL MISSION

The Maronite Church is an Eastern Catholic Church in full communion with the Roman Catholic Church. While it has unique traditions and rituals, it recognizes the authority of the Pope in Rome. The Maronite community celebrates the Eucharist, blending ancient practices with broader Catholic traditions. Rooted in the ancient tradition from Antioch, the Maronite Rite's Divine Liturgy (Mass) has a similar structure to the Roman Rite, with the liturgy in Syriac, Aramaic, and English.

The Diocese of Baton Rouge hosts the nearest Maronite Church. To reach their people spread across South Louisiana, the Maronite Church in Baton Rouge has a mission outreach in Covington at Saint Peter Church. The Saint Sharbel Mission offers a Divine Liturgy at Saint Peter on a monthly basis. Parishioners are invited to attend this unique and beautiful celebration of the Maronite Divine Liturgy, which fulfills the obligation for Sunday Mass when offered on a Saturday evening or Sunday.

The next opportunity to experience this Mass here at St. Peter's is July 27, August 31 and September 28, 2025 at 2 pm in Church.

The Maronite Mass is an Eastern Catholic rite in full communion with the Pope. It is richly rooted in ancient tradition and incorporates Aramaic prayers, the language spoken by Jesus and His Apostles.

If you are grieving the loss of a spouse, child, parent, relative or friend, we are here to help YOU.

GriefShare® is a Christian-based program to help you navigate your loss and grief through a grief recovery support group. It is a 13-week cycle to help those grieving to discover what to expect in the days ahead and what is "normal" in grief. Since there are no neat, orderly stages of grief, you'll also learn helpful ways of coping with grief, in all its unpredictability – and gain solid support each step of the way.

The fee is \$25 made payable to St. Benedict Catholic Church. This fee includes your GriefShare workbook.

Sharon Hoffman, a widow and parishioner of St. Benedict Church, will facilitate the GriefShare® support group. Each session is self-contained so you can join at any week, but registration is required. To register, go to griefshare.org and click "find a group" and register. For more information, contact Sharon at heffmansha@charter.net and leave your telephone number so she can contact you.

This summer GriefShare® support group will meet from May 28-August 20, 2025, 6:00 pm – 7:30 pm. St. Benedict Catechetical Center, Covington, LA

Hurricane Season is June through November

Do you have a Family Emergency / Disaster Plan?

The family is the domestic church and is integral to the life of the parish. As such, families should prepare themselves for those potential disasters that sometimes affect our homes here in south Louisiana. Hurricanes top the list, it seems, so here are a few preparations a family can take during the season to “Be Prepared.”

- Discuss the types of hazards that could affect your family. Know your home’s vulnerability to storm surge, flooding, and wind.
- Locate a safe room or the safest areas in your home for each hurricane hazard. In certain circumstances the safest areas may not be your home, but within your community.
- Determine escape routes from your home and places to meet afterward. These should be measured in tens of miles rather than hundreds of miles.
- Have an out-of-state friend as a family contact so that all of your family members have a single point of contact through which to communicate if you become separated.
- Make a plan now for what to do with your pets if you need to evacuate.
- Post emergency telephone numbers in a handy place and make sure your children know how and when to use them, or to call 911.
- Check your insurance coverage – flood damage is not usually covered by homeowners insurance.
- Stock non-perishable emergency supplies and create a “Disaster Supply Kit.”
- Use a NOAA weather radio. Remember to replace its batteries every 6 months as you would with your smoke detectors.
- Take First Aid, CPR, and Disaster Preparedness classes.
- Consult the St. Peter Parish Website at <https://www.stpeterparish.com> and the St. Peter Parish app for more information including links to city, state, and federal websites for emergency preparedness.

Hurricane Season is June through November

Pet Care Emergency Planning

When an emergency/disaster occurs, confusion and turmoil usually reign supreme. It is difficult at such a time to remember all the important things that need to be done. Making the proper pet care plans can become more difficult if not done in advance.

The following are just a few questions that may need answers:

- Will you evacuate your pet(s) along with your family in the event of an emergency? If so, will the hotel you plan to use in transit allow pets?
- Have you created a list of items such as medications, special food, water, etc. needed to provide proper care for your pet(s) during an evacuation?
- Have you created in advance a kit containing all of the pet necessities on that list?
- Will it be necessary for you to board your pet locally until you return home? With what local pet facility will you board and at what cost?
- Sometimes the questions can be more difficult if not impossible to answer, such as how long will the evacuation continue? Making arrangements with the animal caretaker even for protracted evacuations may be an important issue to discuss in advance. Of course, not all questions can be answered, but by asking the questions you can be better prepared to deal with most eventualities you may encounter with emergencies.

Below are several websites you may wish to visit that prove helpful in providing answers to many of your questions and may possibly assist you in advance plans to care for your pet(s) during times of emergency/disaster:
