SEPTEMBER 17, 2025 ST. PETER CATHOLIC CHURCH

St. Monica Mass

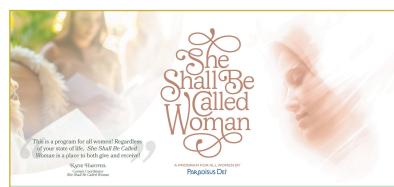

Join us for this very special quarterly Mass, which is the highest form of prayer, to invoke the intercession of St. Monica, patron saint of wayward souls. It offers comfort and support to family members of lapsed Catholics. This Mass is dedicated to the return of our loved ones to the Catholic Faith and to console those in our community who bear the weight of family members who have strayed from the faith. Together, we find strength in our shared faith journey. All are welcome.

SEASON ONE MASTERPIECE of GREATION

To truly understand the way the Lord views femininity is to live as one who is fully alive. In a world that often speaks in clichés and labels, God desires to reveal who He is through a greater understanding of who we are. This season will not only unpack the wealth of celebration of what Saint John Paul II called "The Feminine Genius" but will also give real advice on how to combat the mental, emotional, and spiritual challenges we, as women, face every day.

Order of Christian Initiation of Adults

In 2021, the United States Conference of Catholic Bishops (USCCB) approved a new translation of the process and corresponding rites (liturgical ceremonies) by which the Church brings people into full communion. Part of the bishops' deliberations was the name change from the Rite of Christian Initiation of Adults (RCIA) to the Order of Christian Initiation of Adults (OCIA). The Holy See confirmed and approved the new translation in 2024. Beginning in November 2024, parishes within the United States began implementing the changes.

The use of "order" reflects the progressive nature of the spiritual journey lived under a set of rubrics. The Catholic journey is continual, a life-long commitment each person will make to God and the Church with the support of a faith community. The name change brings the process more in-line with how other groups within the Church operate under a particular rule or process (e.g. religious orders such a Benedictines). The OCIA is not a one-time event but a journey with distinct stages. There are multiple rites which are integrated into the larger process of becoming a fully initiated Catholic. The heart of OCIA is to both teach what the Catholic Church believes and to foster opportunities to discover and encounter God in new and deeper ways. At each stage in the process, participants are invited to respond to God's love and truth with faith, conviction, and culminating in the dedication of their entire lives to Him through the Sacraments of Initiation and continuing their relationship with Jesus Christ through the Catholic Church.

The OCIA is for adults at all stages of their faith journey but have not yet been initiated or fully initiated into the Catholic Church. Thus, this process includes those who have never been baptized, those who have been baptized in another Chrisitan faith, or those who have been baptized Catholic but not raised Catholic and have not received both of the other sacraments of initiation (Eucharist or Confirmation). The OCIA servers both those who are certain that they want to become Catholic, as well as those who are just considering it.

Daniel P. Burns, PhD.

Daniel P. Burns, Ph.D., held positions as theologian and Chief Academic Officer at St. Joseph Seminary College since 2007 and now holds the position of Director of Lay Ministry Programs at Notre Dame Seminary since July 2023. He oversees the Institute for Lay Ecclesial Ministry (ILEM) and the Master of Arts in Pastoral Leadership (MAPL) programs. A Louisiana native, Dr. Burns earned his B.A. in Philosophy from St. Joseph Seminary College in 1997, an M.A. in Theology from Notre Dame Seminary in 2004, and a Ph.D. in Theology from Loyola University Chicago in 2011.

He is married to Christi, with whom he has four children, and has been an active parishioner of St. Peter Parish since 2007. Seminary College Welcomes Fr. Moon

School is back in session this month! As a new school year approaches, Saint Joseph Abbey and Seminary College extends a warm welcome back to Fr. Maurice Moon, Vice-Rector and Dean of Students of Saint Joseph Seminary College.

Fr. Moon, a Saint Joseph Seminary College alumnus of 2013, recently returned to his alma mater (lovingly known by seminarians as St. Ben's) from his diocese in Fort Worth, and is very excited to welcome students this year.

When asked about the upcoming school year, Fr. Moon had this to say, "We are very excited to begin a new year of priestly formation. It is encouraging to see a notable increase of enrollment here, to see more men having the courage to answer the call to lay down their lives for their brothers and sisters as priests. We look forward to accompanying these men in their discernment, and help them gain greater clarity about what Jesus Christ is calling them to do. Please keep our seminary community in your prayers. Thank you!"

DALLAS, TEXAS: WE ARE COMING TO YOU IN OCTOBER!

Hurricane Season is June through November

Do you have a Family Emergency / Disaster Plan?

The family is the domestic church and is integral to the life of the parish. As such, families should prepare themselves for those potential disasters that sometimes affect our homes here in south Louisiana. Hurricanes top the list, it seems, so here are a few preparations a family can take during the season to "Be Prepared."

- Discuss the types of hazards that could affect your family. Know your home's vulnerability to storm surge, flooding, and wind.
- Locate a safe room or the safest areas in your home for each hurricane hazard. In certain circumstances the safest areas may not be your home, but within your community.
- Determine escape routes from your home and places to meet afterward. These should be measured in tens of miles rather than hundreds of miles.
- Have an out-of-state friend as a family contact so that all of your family members have a single point of contact through which to communicate if you become separated.
- Make a plan now for what to do with your pets if you need to evacuate.
- Post emergency telephone numbers in a handy place and make sure your children know how and when to use them, or to call 911.
- Check your insurance coverage flood damage is not usually covered by homeowners insurance.
- Stock non-perishable emergency supplies and create a "Disaster Supply Kit."
- Use a NOAA weather radio. Remember to replace its batteries every 6 months as you would with your smoke detectors.
- Take First Aid, CPR, and Disaster Preparedness classes.
- Consult the St. Peter Parish Website at https://www.stpeterparish.com and the St. Peter Parish app for more information including links to city, state, and federal websites for emergency preparedness.

Pet Care Emergency Planning

When an emergency/disaster occurs, confusion and turmoil usually reign supreme. It is difficult at such a time to remember all the important things that need to be done. Making the proper pet care plans can become more difficult if not done in advance.

The following are just a few questions that may need answers:

- Will you evacuate your pet(s) along with your family in the event of an emergency? If so, will the hotel you plan to use in transit allow pets?
- Have you created a list of items such as medications, special food, water, etc. needed to provide proper care for your pet(s) during an evacuation?
- Have you created in advance a kit containing all of the pet necessities on that list?
- Will it be necessary for you to board your pet locally until you return home? With what local pet facility will you board and at what cost?
- Sometimes the questions can be more difficult if not impossible to answer, such as how long will the evacuation continue? Making arrangements with the animal caretaker even for protracted evacuations may be an important issue to discuss in advance. Of course, not all questions can be answered, but by asking the questions you can be better prepared to deal with most eventualities you may encounter with emergencies.

Below are several websites you may wish to visit that prove helpful in providing answers to many of your questions and may possibly assist you in advance plans to care for your pet(s) during times of emergency/disaster:
