

2021 Financial Report

The financial report for the 2021 fiscal year for the Diocese of London.

Each year, the Diocese of London publishes the financial results of our Diocese, parishes, and diocesan cemeteries. This year's report provides the results for the year-ended December 31, 2021. The figures are taken from two sources: the annual audited financial statements of the Diocese of London, parishes, and diocesan operated cemeteries as well as our internal records. This report does not include the financial results of St. Peter's Seminary.

I issued my first annual report in 2005, for the results of 2004. This report will be my last as I will be retiring at the end of 2022. It has been my pleasure to serve Bishop Fabbro and the Diocese of London in my role.

Episcopal Director of Administrative Services
(2005-2022)

Parishes

The pandemic has been a very challenging time for our parishes, with lockdowns, capacity limits and ever changing situations and rules. Many parishes reached out to homebound parishioners and also adapted to online ministry, to continue to serve their parishioners.

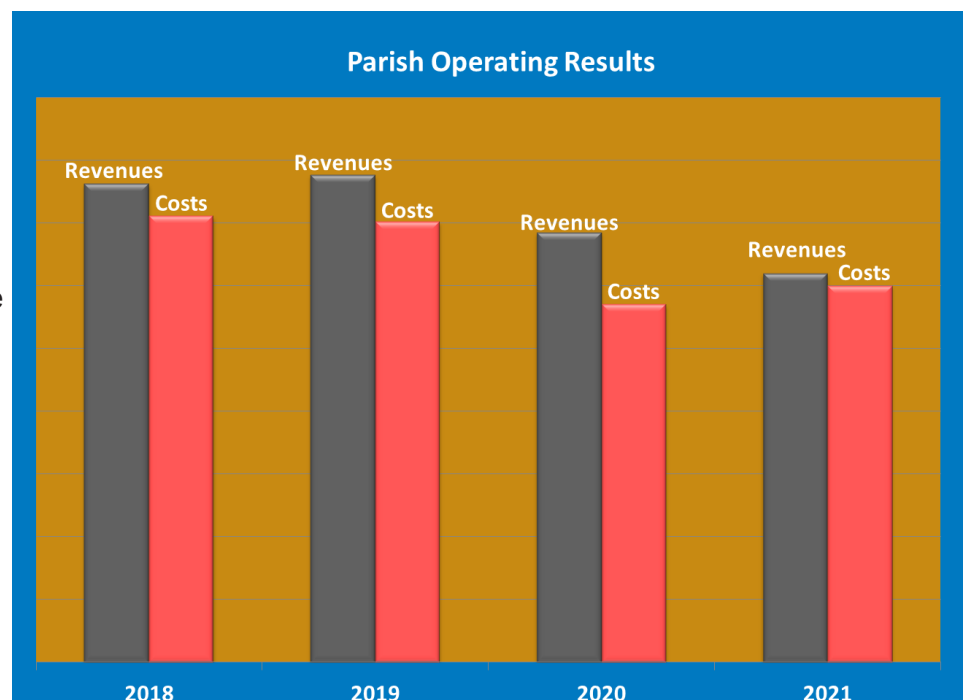

Parish collections and donations decreased 3.0% from \$24.6 million in 2020 to \$23.9 million in 2021. Thankfully, the Canada Emergency Wage Subsidy became available, providing \$2.2 million (2020 - \$4.6 million) worth of much needed financial support. Total parish operating

revenues decreased 9.5% from \$34.3 million to \$31.0 million.

Parish ministry, sacramental and operating costs decreased by 0.1% from 2020 to 2021. Parish operating surplus (before capital donations and costs) decreased from \$5.7 million in 2020 to \$983 thousand in 2021.

Capital donations decreased 19.0%, from \$5.2 million in 2020 to \$4.2 million in 2021. Proceeds from the sale of parish properties increased from \$672 thousand in 2020 to \$6.1 million in 2021. Thankfully many parishes were able to take advantage of the "hot" 2021 real estate market by selling surplus property. Parishes reduced capital spending 48.3%, from \$7.1 million in 2020 to \$3.7 million in 2021.

Editor's Note

In this issue we are happy to present the Diocese of London's Financial Report for the fiscal year of 2021. The report is normally published in the summer, but was unforeseeably delayed this year. The report is an important part of being transparent so parishioners can see that the financial support they entrust to us is well managed. The report was written by Dave Savel who retired at the end of 2022 as the Episcopal Director of Administrative Services after 22 years of service to the Diocese. We thank Dave for all his hard work and dedication over the years to keep our finances, real estate, cemeteries, policies and investments in excellent order. We welcome Andrew Jardine as Dave's replacement in his role as Chief Financial Officer. †

2021 Financial Report - Statistics

Refugee Sponsorship

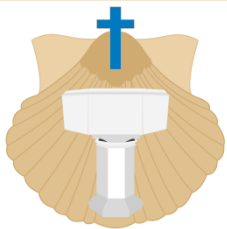

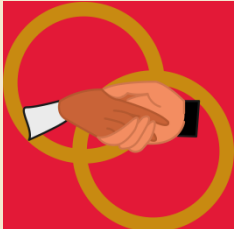

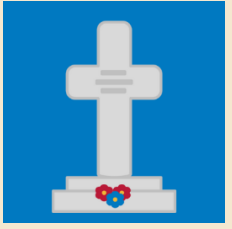

The Diocese of London sponsored 357 new refugees in 2020 and 385 in 2021.

New refugee arrivals sponsored by the Diocese of London were 111 in 2020 and 146 in 2021. The number of refugees permitted to enter Canada during the pandemic was greatly reduced.

Image: the Byamungu family, sponsored by St. Michael's Parish in Leamington. In a wonderful ceremony the family had one child baptized, one child receive communion and 3 celebrate confirmation.

Some interesting statistics, with 2020 and 2021 being impacted by the pandemic:

	Baptisms	First Communion	Confirmations	Marriages	Funerals
2019	2,728	2,976	2,766	445	1,950
2020	2,020	2,251	2,030	253	1,884
2021	1,599	244	1,573	327	1,425
					

2021 Financial Report

(continued from page 1)

On an overall basis (i.e. operating and capital results combined), our parishes surprisingly had a net surplus of \$4.6 million in 2020 and \$7.7 million in 2021. Our parishes did an excellent job of controlling expenses and reducing capital (building) spending during the pandemic.

Included in parish operating revenues above was \$1.1 million of bequests in 2020 and \$964 thousand in 2021. Bequests are money or property left to our parishes in the Last Will and Testament of deceased parishioners or priests.

Of our 117 parishes and communities, 36 incurred an operating deficit in 2020 and 47 in 2021. Operating results include day-to-day receipts and expenditures such as Sunday offertory, ministry, outreach, salaries, utilities, and repairs and maintenance.

The Parish Deposit & Loan Fund has successfully operated since 1964 and functions essentially like a parish "credit union." Parishes with excess funds, or those saving for a capital project, deposit monies with the Fund and earn interest. Parishes in need of funding for capital projects can apply to the Parish Building and Loan Commission to borrow. Our Parish Deposit & Loan Fund cash and short-term investments balance was \$14.0 million in 2020 and \$22.3 million in 2021. The increase in cash and short-term investments was mainly a result of \$6.1 million in sales of excess parish properties in 2021.

At the end of 2021, the number of parishes, parish cemeteries and diocesan entities with money on deposit was 121, totaling \$27.7 million. The average deposit balance was therefore \$229 thousand.

At the end of 2021, the number of parishes and diocesan entities in a loan position (i.e. owed money to the Fund) was 11, totaling \$7.3 million. The average loan balance was therefore \$667 thousand.

Capital Projects

Major capital projects in excess of \$100,000 took place at the following parishes and communities:

Diocese of London (Diocesan Centre)

Investment returns (realized and unrealized capital gains as well as income) were quite good for our endowment funds. I wish I could say the same for 2022! The endowment funds provide income to operate diocesan programs. In 2020, the investment returns were \$2.6 million and in 2021 the return was \$3.5 million.

The Diocesan Centre was grateful to receive \$457 thousand (2020 - \$914 thousand) of Canada Emergency Wage Subsidy.

The Diocesan Centre received \$181 thousand of bequests in 2020 but did not receive any bequests in 2021. The pension fund for our priests (St. John Evangelist Pension Fund Society) received bequests of \$34 thousand in 2021 and \$8 thousand in 2020. Bequests are monies or property left in the Last Will and Testament of deceased parishioners and priests.

The Diocese donated \$500 thousand to St. Peter's Seminary in 2021 to help fund financial deficits.

2021 Financial Report

The Diocesan Centre earned an operating surplus of \$1.8 million in 2020 and \$1.3 million in 2021.

We continue to pay the price for crimes related to sexual misconduct. The price of course is high and can only be partially measured in financial terms. The spiritual cost is far greater. The financial results noted above do not include expenses related to sexual abuse claims and the sale of non-parish assets. We are selling off non-parish assets to pay for the financial cost of misconduct.

We still have a significant number of outstanding cases, which will likely take a number of years to settle. Although we expect insurance to pay a portion of our costs, the financial cost to the Diocese is still very high. We have a plan in place to pay for the cost of the outstanding claims. We are doing our utmost to make fair and reasonable settlements with victims of sexual abuse as quickly as possible. In addition, the Diocese assists victims with counseling.

Diocesan Cemeteries

In addition to our 67 parish cemeteries, there are cemeteries in Windsor-Essex, Sarnia and London managed directly by the Diocese. Diocesan-managed cemeteries revenue increased from \$8.4 million in 2020 to \$9.9 million in 2021. Diocesan-managed cemeteries earned a surplus of \$2.2 million in 2020 and \$2.9 million in 2021. The cemeteries were the beneficiary of a Canada Emergency Wage Subsidy of \$326 thousand (2020 - \$724 thousand) in 2021.

The cemeteries are governed by the Ontario Funeral, Burial and Cremation Services Act. By law, whenever a pre-planned sale is made, the money must be invested with our trustee until the service or product has been provided. In addition, also by law, when a sale is made, a certain percentage of the money must be invested with our trustee to provide perpetual care and maintenance funding. For example, when a grave is sold, 40% of the money must be invested with the trustee. Interest and dividends can be withdrawn on the invested care and maintenance money but the rest of the money cannot be removed. The amount invested with our trustee for pre-planned sales was \$19.5 million

in 2020 and \$20.8 million in 2021. The perpetual care and maintenance fund balance was \$52.4 million in 2020 and \$56.8 million in 2021. The perpetual care and maintenance funds provide income to help pay for the operating costs of the cemeteries.

Have you considered pre-planning your cemetery arrangements?

Planning your cemetery arrangements in advance brings peace of mind to you and your family. Please consider pre-planning directly with one of our diocesan or parish cemeteries. At the same time we recommend you consider plans for your funeral Mass (i.e. church, readings and music) and make those plans known to your family.

Please consider the Church when preparing your Last Will and Testament.

As an example, you could leave a portion of your estate to your local parish, Diocese of London, St. John the Evangelist Pension Fund Society (clergy pension) or St. Peter's Seminary. A charitable receipt will be issued to your estate, which will reduce your taxes payable. Another way to do this is to designate your parish, etc. as one of the beneficiaries of your RRSP, RPP or

RRIF. This can significantly reduce your taxes payable upon death. Our parishes received generous bequests from dearly departed Catholics of \$1.1 million in 2020 and \$964 thousand in 2021. The Diocesan Centre received \$181 thousand

of bequests in 2020. The pension fund for our priests (St. John Evangelist Pension Fund Society) received bequests of \$8 thousand in 2020 and \$34 thousand in 2021. Bequests are monies or property left in the Last Will and Testament of parishioners and priests.

Accountability & Responsibility

Each family of parishes is required to have a finance committee to provide counsel to the pastor. Each parish in a family must submit a

2021 Financial Report

financial report to the Diocese annually. Families of Parishes are required to present a financial report to their parishioners for each parish at least annually. Every parish, cemetery and diocesan bank account requires two signatures on all bank documents, including cheques.

Our consolidated diocesan and parish financial statements and our diocesan-managed cemeteries financial statements are audited annually by KPMG (London and Windsor).

The Diocese has an internal audit program. This program is led by our Diocese Audit Committee and diocesan administration and is quite comprehensive. The internal audit review takes 2-3 days per parish or diocesan entity.

Each parish and the Diocese of London are registered charities and therefore must file a charity return (similar to a tax return) by June 30 each year. Most of the information on the return is made public on the Canada Revenue Agency (CRA) website. If you would like to see more detailed information about your parish, diocese or any other Canadian registered charity, you can do so by visiting the CRA website, <https://www.canada.ca/en/revenue-agency.html>, and click Charities and Giving.

The Diocese has an administrative group reporting to Bishop Fabbro which relies heavily on the discipline and review of our plans and budgets by our Diocese Finance Committee, chaired by Egidio Sovran of Maidstone (Essex County). This objective committee, comprised of people from across the Diocese with significant expertise, forms part of our internal control system to ensure that we make prudent financial decisions. The committee is a third party that is independent of administration and makes recommendations and gives advice when and where it deems necessary.

We also have two subcommittees. The Investment Committee, chaired by Dave Savel of London, oversees the investment of our cemetery trust funds, accumulated surpluses and our Pentecost 2000 endowment funds. The Audit Committee oversees internal audits and meets with our external auditors, KPMG, to plan the annual financial audits and then review the financial statements and auditors report. These committees analyze our practices and policies, assess risks, and provide proactive advice.

Consistent with Goal #6 of our Pastoral Plan, our Diocese follows sound business practices: we prepare an annual budget; actual results are compared to budget monthly; we have an annual external audit; we conduct reviews; we develop policies where needed, ensuring that decisions are made within a policy framework; and we strive to be accountable, prudent, and transparent with the donations that you give us. For more information on our policies please visit our webpage at www.dol.ca and click on the link at the bottom of the homepage.

The Diocese of London secures and protects its data using multiple methods. Firewalls have been installed at all sites. Terminal services have been deployed at nearly all sites and all application data and files are stored at a secure data centre.

Pentecost 2000 Update

Pentecost 2000 was a five-year (1989-94) major fundraising campaign in the Diocese of London to establish endowment funds for St. Peter's Seminary, St. Peter's Cathedral Basilica and ministry programs of the Diocese of London. Parishioners across our Diocese responded very generously: the original endowment balance from the campaign was \$15.3 million.

As promised during the original campaign, the Diocese holds custody of these funds as trustee and is responsible for administering them as endowment funds in accordance with the endowment policies established by the Diocese of London.

The funds have been prudently invested according to investment policies and goals established by our Investment Committee, with the assistance of our

investment advisors. In accordance with a policy established by our Finance Committee, 4.25% of the market value of the fund is paid out annually to the Seminary, Cathedral and Diocese programs. The payout policy and percentage was developed to preserve the purchasing power (inflation protection) of the endowment funds and prevent wild swings in the amount paid out. Whether we earn 12% or lose 2%, we still pay out 4.25%. The excess income (above 4.25%) is reinvested in the endowment funds to provide for increasing payout amounts in the years to come to keep pace with inflation.

In 2021, the Seminary was entitled to a payout of \$479,025, however the Seminary withdrew \$607,103 extra for a total withdrawal of \$1,086,128. The extra money was needed to fund financial deficits.

Our investment returns were 8.0% in 2020 and 6.4% in 2021. Our 2021 five- and ten-year annualized returns were 7.2% and 7.3%, respectively.

At December 31, the Pentecost 2000 balances held in trust by the Diocese were as follows:

	2020	2021
St. Peter's Seminary	\$11.8 million	\$11.8 million
Diocese of London ministry programs	\$8.1 million	\$8.9 million
St. Peter's Cathedral Basilica	\$1.9 million	\$2.1 million
Total	\$21.8 million	\$22.8 million

Please contact Andrew Jardine, CFO, at the Diocesan Centre if you are interested in serving on the Finance Committee, Audit Committee, Investment Committee or the Building and Loan Commission.
