We can help them not only by our prayers, but also by offering a Mass in their name, by giving alms, by indulgences or other works of penance done for their benefit (CCC 1032).

RESPECT LIFE

Today there is so much trouble in the world and I think that much of it begins at home. The world is suffering so much because there is no peace. There is no peace because there is no peace in the family and we have so many thousands and thousands of broken homes. We must make our homes centers of compassion and forgive endlessly and so bring peace.
