# GUARDIAN FAMILY PASS

PURCHASE [HERE](#) THROUGH TICKET SPICKET

## DEAR GUARDIAN SPORTS FAN:

Guardian Athletics had another impressive overall year in the 2022-2023 school year, capping an amazing two year run. We enter into 2023-24 with an exciting year, unique in our history, with our home gym ready for a full year of home contests, a multi-sport field in back, and 14 years of waiting over. It is the basis our theme, "Build your home on the Rock," building our new home in the right ways: how we welcome guests, how we support our athletes, and how we gather as family.

The Guardian Athletic Department and Coaches across our 20+ sports teams were busy preparing all summer for their upcoming athletic seasons. Our fall sports teams began their regular season in late July and have been grinding hard to share their skills and talents for you this season. With your continued support, we hope to continue providing these students with outstanding experiences through education-based athletics.

One way to support our teams is to purchase a Guardian Family Pass for the 2023-24 school year! Your support is necessary for our continued success because, in Texas, private school athletic programs are not supported by tax dollars. All equipment, supplies, and other accessories associated with any of our athletic teams must come from gate receipts (ticket/sport pass sales), fundraising, and donations. This year, with the large expansion of home contests, the Guardian Family Pass is \$400 that gets up to 6 people into all SJPII home events, including all HOME playoff games! We have added a new Student Pass for \$100 that gets your student into all SJPII home events, including all HOME playoff games! You can purchase your Guardian Family Pass [here](#) through Ticket Spicket. Once you purchase your Family Pass which will be a digital pass through your Ticket Spicket account, where you will see a full list of all home events you can start claiming your tickets right away.

I hope you will consider this way to support our student-athletes through the purchase of the All Sports Pass for the 2023-24 school year; over 90% of our students play on one or more of our teams. We look forward to hosting you and your family at HOME!

Athletic Director
