"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us."
2 Thessalonians 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their words and actions, others do take notice. They notice because of the joy and peace that results and others desire this in their own life. Know that the way you live your life may be the only interaction others may have with our Catholic faith.

U.S. SISTERS AGAINST HUMAN TRAFFICKING

November – Billions of cups of coffee are consumed each day, yet how many of us think about the child labor and human trafficking that goes into our brew? Google coffee and forced labor to learn about the slavery component of the coffee.

Please prayerfully reflect upon the gifts that God has chosen for you and speak with your pastor about the various ministries in your parish in which you can participate becoming engaged and energized in those ministries. Thank you to those who are currently serving in parish ministries, enriching the spiritual lives of your brothers and sisters in Christ by your ministries with the giving of your time, talents, and treasures.

SAFE ENVIRONMENT CORNER

Did You Know…Safety Rules can keep you safe in an unsafe world. **Safety Rule #3** – Make a Move. This involves using good decision-making skills to respond to new or unsafe situations, both online and off. Make a move by getting away from unsafe situations or people, or by staying away from people and situations you know are unsafe. It also means helping a friend out of an unsafe situation, whether they recognize it is unsafe or not. For more information, contact the Safe Environment Office at (315) 393-2920.

NATIONAL VOCATION WEEK

Did you know that in our country, compared to 50 years ago, there are 20,000 fewer priests and 130,000 fewer religious sisters? At the same time, the Catholic population has continued to grow steadily. National Vocation Awareness Week, November 6-12, 2022, is an annual week-long celebration dedicated to promoting vocations to the priesthood, consecrated life and marriage through prayer and education. Is there anyone in your parish you know preparing for priesthood, consecrated life or marriage? Let them know you are praying for them. Let us renew our prayers and support for those who are discerning their vocation as a priest, as a consecrated religious or to marriage, especially from our parish.

DEVELOPMENT

While the Bishop's Fund Appeal is potentially on pace to reach it's $1.3 million goal, a concerning trend over the past years and again this year to date in the decrease in participation rate. Thank you to those who have already contributed to this year's appeal. To those who are still prayerfully considering a contribution, a gift of any size is greatly appreciated. Please help us improve on our participation rate so we all can assist in our Church of the North Country helping so many in need.
