\*11/11 Veterans Day No School

\*11/18 Report Cards released on Educate grades K-8

\*11/26 Dismissal at 12pm dismissal; Thanksgiving break begins (school resume 12/2)

**\*ACADEMIC PROGRESS:**

Please take time to review FACTS closely as report cards are released on 11/19 for the first quarter.

There are many times when incomplete classwork/homework/projects are part of the reason why a child may not be approaching grade level standards. This type of work reinforces and supports proficiency of topics covered during classroom instruction. When a student fails to complete these assignments they lose the opportunities to master skills needed to meet grade level standards. We have several digital platforms to keep you updated on progress and allow you the opportunity to help your child achieve grade level standards.

Please consider the following:

Are you checking Dojo daily for messages from the school and your child's teacher? Do you Review Google Classroom every day to check your child's progress? Have you logged into FACTS to see how your child is performing on assessments?

\*Communication is vital in all areas of our life and especially in our school community. If you ever have any questions while reviewing these platforms, please always reach out

to your child's teacher at any time. You may email or call, but Dojo is the quickest way to touch base to have a question answered, or to set up a time for a conference.

Early contact with a teacher when a concern arises results in a quicker resolution and may prevent an issue from escalating.

If you have any concerns or questions, please always feel free to send me a Dojo message or call the main office to set up a conference.

### **VALUE OF THE MONTH**

November's value is **Charity**

Charity means showing love and kindness to others. It's helping people the way Jesus helps us — by sharing, caring, and being a good friend to everyone.

### **Ways to spread the value of charity in our lives**

#### **At School:**

- Share supplies, time, and encouragement with classmates.
- Include others who are lonely or left out.
- Speak kindly — build others up instead of putting them down.
- Participate in school service projects or food drives with a joyful heart.

#### **At Home:**

- Help with chores without being asked.
- Be patient and forgiving with family members.
- Pray for those who are sick, poor, or in need
- Donate toys, clothes, or time to help others.

#### **In Our Hearts:**

- See Jesus in everyone you meet.
- Choose to love even when it's hard.
- Be thankful for what you have and share it freely.
- Ask God each day: *"How can I show Your love today?"*

Stay well and God Bless,  
Mrs. Fusco
