Dear Holy Rosary School Families,

UPDATE

RE-REGISTRATION for 2025-2026 school year has begun! The 4/15/25 deadline for the \$125 fee is fast approaching.

Please check your email for notification from FACTS- the new Arch program that will encompass enrollment as well as tuition and finances. The email should have re-registration information for your family with instructions and details. If you did not receive an email please contact Mrs Danza in our main office.

If you have any trouble completing this process, please reach out to the school office and we will help you with this new program-we can walk you through the new steps and procedures.

If you have any questions regarding registration payments, tuition or extensions, please contact me directly by phone or Dojo. As you may be aware, several local catholic schools will not reopen in September. I want to be sure to give first preference to our current families before accepting new students. We have already received inquiries and applications from families of these closing schools. Please complete your re-registration as soon as possible to ensure enrollment for your child for September.

If you need any extensions or have any questions on registration please reach out to me directly.

REMINDERS

VALUE OF THE MONTH -MARCH - **Sacrifice**

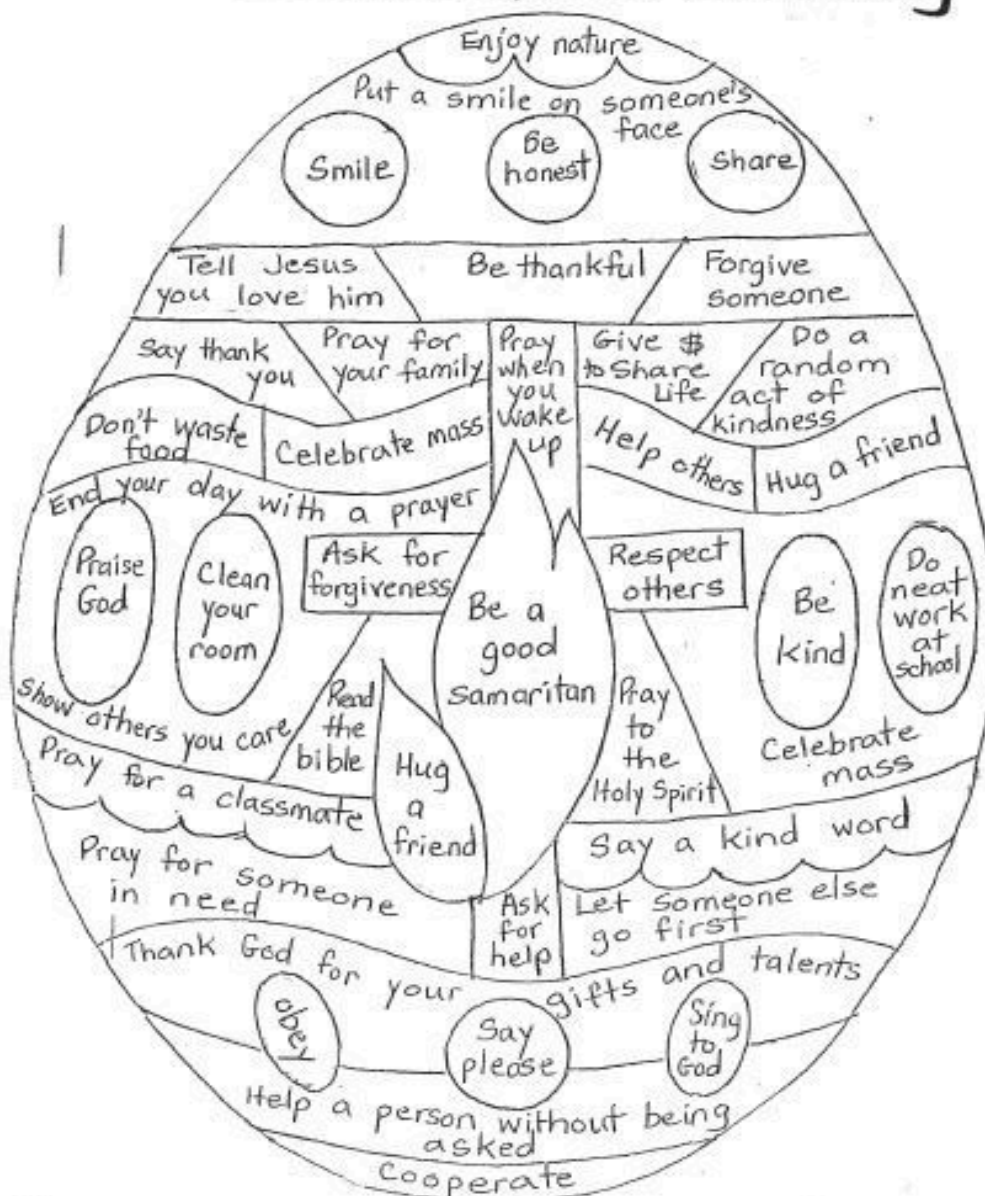

Sacrifice is the willingness to offer something up to God, or giving to others in charity and kindness. ...it is also the act of giving up something of great value to show loyalty or deep affection."Like living stones, let yourselves be built into a spiritual house to be a holy priesthood to offer spiritual sacrifices acceptable to God through Jesus Christ". (1 Peter 2:5)

Stay well and God Bless,

Mrs. Fusco
