Thank you always to our faithful parishioners!

At the end of January, the parish will send your 2025 total contributions to you in the mail. Our parish system keeps a record of registered parishioners only. Unless you are registered formally with the parish, we do not have a record of your contributions.

Please note the parish office keeps a record of registered parishioners' contributions as long as you indicate your name and address on any correspondence and church envelopes; cash in the basket without envelope identification does not allow us to include that amount in your annual statement, as we have no way of knowing the contributor's name.

If you donated to the parish an amount of \$250 or more at any time during the last year, you should have received a letter from me indicating that contribution amount; again, as a non-registered friend of the parish, you would not be receiving a statement.

For the parishioners who use **Parish Soft** for your automated contributions, **Parish Soft** will send you a statement from their office.

Should you have any questions, please contact the Parish Office. We are so grateful for all you do to help us sustain our work and ministry at St. Ann Catholic Church in the name of Our Lord. **THANK YOU!**

What You Are Giving and Where It is Going: 2025 Year in Review

Thanks to you, this allows us to collaborate in providing:
