## FEBRUARY 26, 2023

### FIRST SUNDAY OF LENT

#### ***LENT: BURIED TREASURE***

A few years ago, archaeologists at a dig in the biblical city of Eshtemoa dug up 62 pounds of 15th century jewelry. The gems and silver, taken separately, are worth about \$7,000. But the jewelry, the combination of the silver and the gems, has an estimated worth of over five million dollars! It was buried about 18 inches beneath the dirt floor of a cottage that has been continuously inhabited for 500 years. People had been living within reach of this, but for centuries they did not know that it was there. How many people are living the same way today with the treasures that Christ offers us?

Over the last several decades, the practice of going to confession has declined. There are a lot of reasons why this is the case, but maybe one of the most popular is the notion that it is acceptable to confess our sins directly to God. Why the need for a middleman (a priest)? This seems easier than going to confession. Yet a better question is, "how does God normally work in our lives?" Through Noah, creation was established after the flood. Through Abraham, we receive the promises of Faith. Through Moses, the Israelites were led out of Egypt. Through David's line, the Messiah would be born.

In our lives, God brings us into the world through our parents. We are formed through our teachers, protected through firefighters/police officers, represented through our legislators, and healed through nurses and doctors. God always works through others when helping us. This reflects the truth that we are created in the image of a Trinity of three Persons. We are wired to be intimately connected with one another. When God interacts with us, he respects this truth.

In taking away our sins, God acts in the same way. Jesus chose the apostles personally and gave them authority on his behalf to forgive sins. In John 20:21-23, Jesus breathed on the Apostles and said, "*Receive the Holy Spirit. Whose sins you forgive are forgiven them, and whose sins you retain are retained.*" In Confession, we know with 100% assurance that our sins are forgiven. We are reconciled with Christ and his Church. The grace from the Sacrament heals us from the damage of sin and helps us overcome future sins. Self-knowledge is increased because we receive objective feedback. Today with an increase of people going to psychologists for help, there seems to be a recognition that there is greater healing when we share our inner life with another. Does all of this happen when we "confess" directly to God? It does not!

This Lent, Confessions are available every Monday from 7PM to 8:30 PM in every church in the diocese of Paterson (Morris, Sussex, and Passaic Counties), in addition to Corpus Christi Parish. We will also have a communal Penance service here on Monday, March 20 at 7PM.

During Lent, God peels back the truth for us and reveals the healing that can be ours if we choose to do things God's way. It is worth the simple and honest dig just below and beyond our way of seeing and doing things! Don't be afraid!

*Fr. Kevin*

## **Serving Youth**

As part of our Community Programs, Knights of Columbus councils help youths grow in faith and character. Here in the Chathams, Parcells Council has run Catholic Citizenship essay contests and Free Throw Championships, financially supported Youth Ministry programs, and members have gone on Appalachia Help Weeks for decades.

The Free Throw program for boys and girls between ages 9-14 encourages the values of sportsmanship and healthy competition. Winners in Chatham can progress up to the NJ State level championship. The K of C has similar programs for soccer and ice hockey.

Portions of proceeds from our Pancake Breakfasts and evening events, such as the upcoming St. Patrick Day Party, are donated to Youth Ministry and St. Patrick School.

To learn more about the Knights of Columbus in the Chathams, call John Kelly 201-213-6967. To become a Knight, visit [www.kofc.com/joinus](http://www.kofc.com/joinus).

## ***TEXT CORPUS CHRISTI YOUR PRAYER INTENTIONS!***

Are you or your loved ones in need of prayers? If you have an emergency or some of your friends or relatives are experiencing difficulties and you want to pray for them immediately with our Corpus Christi family, send us your prayer intention at 973-845-0416 until Friday afternoon, and we will pray for them at all Masses on the following Sunday.

## ***GUIDELINES FOR FASTING AND ABSTINENCE DURING LENT***

**Roman Catholics** are asked to **abstain from meat** on Ash Wednesday and Good Friday and on all Fridays during Lent. The rule of abstinence from meat is for Catholics aged 14 and onwards, unless there are mitigating health concerns. In this case, one is able to do a good work in place of this.

**On Ash Wednesday and Good Friday**, we are also asked to fast (for those 18-59). Fasting means a person is permitted to eat one full meal during the day. Two smaller meals may also be taken, but they are not to equal that of a full meal. For those with mitigating health issues who are unable to fast and/or abstain, one is able to do a good work in place of these.

While those are the only two days of full fasting and abstinence required, all of Lent should be a time of spiritual formation and preparation for Easter. Also recommended are spiritual activities, such as spending more time studying the Scripture, attending Mass more frequently, as well as traditional Lenten Devotions (Stations of the Cross, Bible studies, Lenten talks and the Rosary), and other acts of sacrifice such as reaching out to those in need around us.

## ***ST. PATRICK'S DAY DISPENSATION*** *from Bishop Sweeney*

This year the Memorial of Saint Patrick falls on Friday in the Third Week of Lent. Recognizing the faith that was brought to this community by immigrant families and missionary religious and priests, the spiritual sons and daughters of St. Patrick, and the prominence of the Memorial in the practice of faithful Catholics of this diocese, I grant a dispensation from the obligation of abstinence (from meat) on March 17, 2023 to those residing in or visiting the Diocese of Paterson. Those who partake of this dispensation are encouraged to undertake a work of charity or an act of comparable penance on some other occasion during the Third Week of Lent.

## **REFLECTION...**

**BY REV. LEONARD N. PETERSON**

Some early Winter research yielded me the selling price of an original “Superman” comic book in good condition. The figure is in the hundreds of thousands, which in itself is amazing. After all, it is all about a rather dated superhero, considered in the context of modern versions of superheroes featured in the popular Marvel series of films.

Of course, we have to be very careful of making any comparison of Christ to Superman lest we become disrespectful of Our Lord’s divine nature. On the other hand, in His human nature, struggling after a prolonged bodily fast in a hostile desert climate with a healthy fallen angel and his wily but powerful intellect, Jesus is indeed super in His triumph.

It is this victory of His that the Church offers us as encouragement to us poor sinners as we enter into the Lenten “desert” to begin our pre-Easter repentance and cleansing. None of us would claim to be super. But all of us can admit that we are weak at best, and have often fallen into satan’s trap of making sin appealing.

We might wish that we could have Jesus’ strength of mind and will. But the odd thing is that we can claim some of it if we ask for it. We can reverse course, so to speak, with the direction of our spiritual lives and align ourselves more closely with Him through the traditional triad of prayer, fasting, and almsgiving.

Naturally this effort is difficult, as I can guess it was even for Our Lord, because the pull of the opposite is so strong. Everything looks so attractive about life on Easy Street. Worries vanish. Sickness vacates the premises. Fun tops the activity schedule.

But something disturbs our hard wiring for God when we insist on thinking that way or acting it out. We can try to deny the short circuit all we want. Drench ourselves in delusion. Fearful of moving over to Reality Road. Ah, but if we put aside that fear and link ourselves more closely to the Lord, what a marvelous peace follows. The saints say that each in their own ways.

So here we are at the First Sunday of Lent, 2023. As I want to encourage you in your decision to make amends with the Almighty, I ask also for your good example to keep my decision for same strong. The next five weeks offer strong medicine. Yet there is the satisfaction of doing something good for God. That’s one sure benefit of being part of the Mystical Body which is our Church.

We don’t seek to be super, but just a bit more saintly than we have been so that we can meet our Maker someday with confidence. After all, as an anonymous somebody once wrote: *“The main object of religion is not to get a person into heaven, but to get heaven into them.”*

God love you and have a good Lent!
