## MARCH 03, 2024

### THIRD SUNDAY OF LENT

#### SPRING CLEANING IN LENT

Today Jesus enters the temple and begins to drive out the money changers and those selling animals for sacrifice. The temple was the place where heaven and earth met. It was where God's people offered worship and sacrifice. Over time, many people's hearts moved from right worship to their own pursuits. Jesus wasted no time driving these out with the use of a whip, overturning their tables. How radical! This does not sound like the Jesus we know! But it demonstrates how important right worship is in God's mind and heart!

As we journey through Lent, we are called to stop and look honestly at our lives and how we worship. Over time, we all can drift and let worship move from the center of our lives. Do we come early to pray and prepare ourselves for Mass? Do we come late or leave early? Do we participate fully by actively listening, responding, and singing? Do we watch Mass online when we can find a church somewhere close by? Life is imperfect. There are times when sickness, weather, children, and other circumstances legitimately cause us to come late or not come at all. Yet, do we allow these to become the norm?

Worship is a sacrifice and a duty that we make each week. It is a sacrifice because we have to say No to other good things, especially when we are tired and have other obligations. Yet, we say Yes to these sacrifices weekly because we know that God always puts us first! Virtue is making these decisions especially when it is inconvenient.

Although it is a sacrifice and a duty, right worship is God's gift to us. Right worship is something for which we are hardwired. We can all tell when we miss Mass on Sunday that there is something off in our lives. Worship is a gift because during the week we allow other good things to move into first place in our lives. But right worship each week allows God to move back into first place and allows all the other good things to take their rightful place around and after God. If we try to fit God in after these other things, God won't fit. This is the way God designed us!

Maybe this past year our right worship of God has drifted. Lent is about refocusing. When right worship is a part of our lives, we express our love for Him and how much we value Him in thanksgiving for all that we have received. In addition, we posture ourselves in such a way to receive God's love and all His blessings in full! As St. Augustine said, "our hearts are restless, until they rest in God." Right worship leads us to experience this rest now!

## MUSIC MINISTRY

This year we introduced a new Corpus Christi Music Booklet for use during Masses and special events at church. This booklet is meant to be a resource for at least the year ahead and to supplement what we already have available in our Ritual Song Hymnal from 1996.

The age of our hymnal means that it does not include any of the worldwide English language changes from 2011, nor does it contain any music written after 1996. While there is likely a new hymnal that is right for our parish in the future, we felt that by creating a somewhat temporary resource we could welcome some additional musical resources for our parish community sooner rather than later.

We have tried to accomplish several goals with the Corpus Christi Music Booklet. First, it contains a few Mass Settings (Gloria, Holy Holy, Memorial Acclamation, Amen, Lamb of God) with the updated 2011 English text – some of these are familiar, some are new. Second, some specific Eucharistic hymns are included as we think about the Eucharistic Revival at our parish, diocese, and beyond. Third, we included a few hymns by Steve Angrisano so that we could experience them as a parish in the weeks leading up to his Lenten visit to Corpus Christi on March 10-11.

In the days ahead, as you participate in Mass, please take an extra look at the hymnal and Music Booklet during Mass. It can sometimes feel as though you are the only person singing. If everyone sings just a little bit, we'll quickly have an energetic and vibrant congregational sound at Mass!

### LENT AND THE KNIGHTS

Charity, Unity and Fraternity, the basic principles of the Knights of Columbus, fit perfectly with Lenten self-denial and spiritual growth.

Charity is our guiding principle. The Lenten practice of almsgiving refers to all forms of charitable outreach to those in need—precisely the aid we engage in as Knights.

Unity empowers Catholic men to live their faith at home, in their parish, at work and in their community. For Knights, lent is a time to unite with God, which is attained through a habit of daily prayer.

Fraternity is how Knights value the brotherhood and solidarity we and our families share. We know that sometimes that requires patience, abstaining from a hasty word or angry remark. In a word, we practice fasting from that which undermines our fraternity.
