### A Deeper Look With Father Kevin *Parish Facility Update*

If you've recently passed behind our parish gym, you may have noticed an area that's been roped off. This section surrounds one of the four primary support piers that uphold the gymnasium structure. Over time, water infiltration caused significant deterioration to this wooden pier, as well as to a second pier located behind the HVAC unit.

To ensure we addressed this issue with the utmost care and expertise, we engaged The Falcon Group, a highly respected structural engineering firm. After carefully removing the brick around both piers, they conducted a comprehensive evaluation and developed a detailed repair plan.

Falcon then managed a competitive bidding process, soliciting proposals from contractors with specialized experience in structural restoration. After a thorough vetting process, Renovo NJ Corp was selected for their strong reputation, excellent craftsmanship, and ability to meet our scheduling needs. Renovo comes highly recommended and has completed numerous similar projects for the Archdiocese of Newark.

Although we are still using the back half of the gym, since these are structural issues, the repairs could not be delayed. Unfortunately, the "holy buckets" have found a new home in the gym and there are four new areas which have needed to be patched. These structural repairs are a critical step that needed to happen before we move forward with replacing the gym roof later this summer. These were unexpected and costly repairs which we need to make.

We share this update with you as part of our commitment to transparency and responsible stewardship. Thanks to your generosity, we are not only caring for our facilities today—we're investing in the next 30 years of ministry and service at Corpus Christi. Thank you for your continued support and prayers!

**Please see pages 6-7 for photos of the repair in progress.**

### The Jubilee Year with Father James *Jubilee of Young People*

Beginning Monday, the Church enters into one of the most joyful moments of the Jubilee of Hope: the Jubilee of Young People, taking place in Rome from July 28 to August 3. This international gathering invites young Catholics, especially those aged 18 to 35, to renew their relationship with Christ. Pope Francis repeatedly emphasized that young people are not simply the future of the Church, but its active and essential present. In the concluding paragraph of *Christus Vivit*, his apostolic exhortation to young people, he wrote, "Dear young people, my joyful hope is to see you keep running the race before you, outstripping all those who are slow or fearful. Keep running, attracted by the face of Christ, whom we love so much, whom we adore in the Holy Eucharist and acknowledge in the flesh of our suffering brothers and sisters. May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

As chaplain for the Young Catholic Professionals of North Jersey (YCP NJ), I see this lived out locally. YCP is a national apostolate that forms young adults in their 20s and 30s to integrate their faith with their professional life. Our chapter gathers monthly for speaker events, executive mentorship, and spiritual formation. Here at Corpus Christi, we host their Advent and Lenten retreats, where young professionals spend time in silence, adoration, confession, and fellowship. As the Church prepares to enter this sacred week, let us pray for the young people of our parish and YCP NJ. May this Jubilee awaken in them the courage to follow Christ wholeheartedly, and the conviction that true hope is anchored in God.

# BOLD CAMP RECAP 05

July 27, 2025 | 17<sup>th</sup> Sunday in Ordinary Time

Last week, 32 teens & adults from BOLD Parishes traveled to Cumberland, MD to serve those most in need with Catholic Heart Workcamp. Groups went to residences, Nursing Homes, Churches, shelters and other work sites to paint, build and restore decks and stairs, weed and landscape and spend time with people they met, spreading the love and light of Christ to all they encountered. Thank you Corpus Christi Parish for all your prayers and support!

*"My experience at this camp was great because I met a lot of new great people. I also had a good time helping the people of Cumberland with our group. I thought it was very rewarding. I also found people's relationship with God here very interesting and positive." -Cal*

*"At CHWC day three, we had a very full day with both service and God. With last night's adoration in the back of our minds, we started the day with open hearts and open minds. We began with morning Mass, and then went to our first site. We finished up the last of our work painting a porch, and talking to the residents. Seeing their lives and comparing it to ours was a very eye opening experience and it felt great to know we could help them with our service. After, we left to our second site and washed busses, working hard to clean the best we could. Finally we scraped and painted the railings of the building. In our time we saw God in all the work we did and people we met." -Noelle*

## EVERY CATHOLIC MAN, A KNIGHT

We all understand the concept of strength in numbers. It applies to everything the Knights of Columbus does, but it also applies to each Knight. Each Knight's faith is strengthened by being part of a brotherhood of Catholic men. Each enjoys the fellowship of men striving to be the best husband, father, friend, and Good Samaritan we are called to be through our Catholicity.

The Knights of Columbus organization has the structure and programs to help the over two million members throughout the world do just that. In 2024, we donated over \$190 million to worthy causes, both large and small, and gave over 47 million hours of volunteer service.

Imagine what we could do if every Catholic man was a Knight!

To learn more about the Knights of Columbus in the Chathams, call John Kelly 201-213-6967.

## Corpus Christi Choir

It's summertime and our choirs and ensemble have taken a well-deserved summer break! While everyone is recharging, we're gearing up for the new season ahead with a variety of events planned and programs developing. Specifically, this week, we are highlighting the Corpus Christi Choir.

The Corpus Christi Choir sings at the 11:00am Mass throughout the season – usually from September through the Feast of Corpus Christi in June. In addition, the choir supports the parish community for major parish celebrations and sings for concerts throughout the year. For 2024-2025, in addition to bringing musical highlights to Mass each week, the choir sang two masterworks – Antonio Vivaldi's *Gloria* in the spring and Maurice Duruflé's *Requiem* for All Souls Day.

Today, please consider joining the Corpus Christi Choir for the upcoming season – or perhaps Teen Bells, Adult Bells, or the Children's Choir. Please contact me for more information about Music Ministry opportunities and to join any of our parish choirs or ensembles in the new season!
