Wednesday, April 13, 7:00 pm (livestreamed) **TENEBRAE SERVICE**

The word Tenebrae is Latin for "shadows" or "darkness." The Tenebrae service is an ancient tradition in Christian history that took place on one of the last three days of Holy Week. The purpose was to remember the events that occurred in Jesus' life from the exuberant entrance into Jerusalem on Palm Sunday through the night of Jesus' burial on Good Friday. The flames of these candles are extinguished one by one as Scripture readings and hymns are shared to tell the story of Holy Week. This gradual darkness is a representation of Jesus' increasing sorrow as the events of Passion Week unfolded.
