

## **THE FALL PLAY**

The Fall Play this year is *Harvey*.

Auditions will be Friday, August 31st. They will begin at 3:30 in Rm. 111.

For the Fall Play we are looking for any of the following:

- Actors
- Stage Crew
- Construction Crew
- Light Crew
- Makeup Crew
- Paint Crew
- Sound Crew
- Costume Crew

## **AUDITION PROCESS**

Those who are signing up for a crew position do not need to attend the audition; you only need to fill out the form.

For those signing up for a part in the cast, there will be an audition process.

For the Fall Play, you will be asked to read a given scene from the upcoming play or one very similar. The auditions will be recorded for review. Actors may do as many readings as they like on the audition day, reading for various parts.

Cast lists will be posted the week following auditions.

## **REHEARSALS**

Rehearsals will generally be scheduled on Mondays through Thursdays from 3:30-5:30 or 4:00-6:00. All actors will not be needed every day. A calendar of scenes will be posted. Actors are required to attend on the days we rehearse scenes that they are in.

Accepting a part in the show requires a commitment to the rehearsal schedule. Failure to do so will result in termination from the production. Accommodations and exceptions can be worked out with the director in advance.

Construction and Paint Crew will meet at the discretion of set designers (TBD).

Stage, Costume, Sound, Makeup, and Light Crew will begin meeting about one month before the play opens and should remain in attendance at all rehearsals from this point on.

The weeks leading up to the show will require longer rehearsal hours, which will be determined. The entire cast and crew are required to be present for all performance dates.
