

SPRING MUSICAL

The Spring Musical this year is *Mamma Mia!*.

Auditions will be held on Wednesday, December 5th and Thursday, December 6th. They will begin at 3:30 in Rm. 111.

For the Spring Musical, we are looking for any of the following:

AUDITION PROCESS

Those who are signing up for a crew position do not need to attend the audition; they only need to fill out the form.

For those signing up for a part in the cast, there will be a 2-part audition process. The auditions will be recorded for review.

Singing and Dancing Auditions

At this audition you will be taught a dance routine and asked to perform it for the director. Also at this audition, you will sing a song from the musical.

The musical notes and an audio sample will be provided in Google classroom when they become available.

Acting Auditions

At this audition you will be asked to read a scene as one or more characters.

If you are auditioning for a LEAD or SUPPORTING part:
you must come to the both auditions

If you are only auditioning for a CHORUS or DANCING part:
you must come to the singing and dancing auditions.

REHEARSALS

Rehearsals will generally be scheduled on Mondays through Thursdays from 3:30-5:30 or 4:00-6:00. All actors will not be needed every day. A calendar of scenes will be posted. Actors are required to attend on the days we rehearse scenes that they are in.

Accepting a part in the show requires a commitment to the rehearsal schedule. Failure to do so will result in termination from the production. Accommodations and exceptions can be worked out with the director in advance.

Construction and Paint Crew will meet at the discretion of set designers (TBD).

Stage, Costume, Sound, Makeup, and Light Crew will begin meeting about one month before the play opens and should remain in attendance at all rehearsals from this point on.

The weeks leading up to the show will require longer rehearsal hours, which will be determined. The entire cast and crew are required to be present for all performance dates.
