

OLC NEWS

Our garden is producing many awesome veggies!

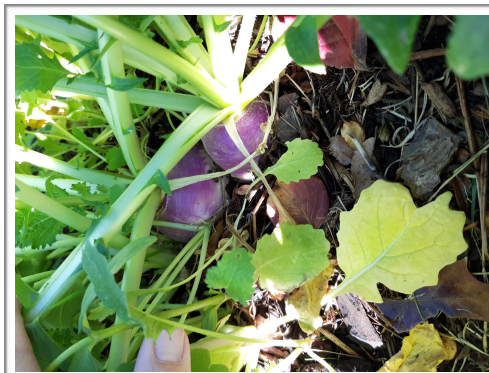

Our garden is producing many wonderful things this Fall—turnips, radishes, lettuce, and carrots! The kindergarten students planted some beautiful pansies and our third grade harvested their radishes. In fourth, turnips were tasted, and next for 6th—

Potatoes!

God is so good!

Peas be with you!!

3rd Grade

harvested their radishes!

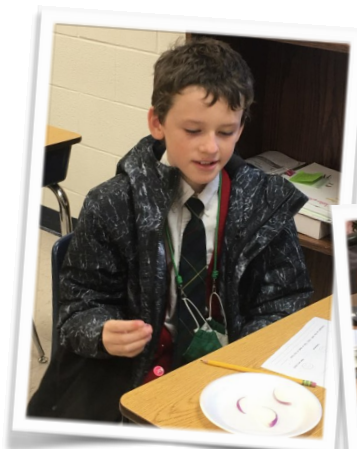

4th Grade tried their turnips!

5th Carrots

Our awesome weather center is giving us accurate forecasts for our morning announcements!

4th tasting turnips!!

Owl Pellet Dissection—What did our owls eat??
