

# Saint Kenneth Catholic Community THE POWER OF THREE

To prepare YOU for  
your marriage, not just your wedding.

Saint Kenneth Catholic Community has prepared a process of educational seminars to aid the engaged couple enhance their couple skills.

The Power of Three symbolizes the couple and their connectedness to God in their relationship. We do call this a marriage preparation process. It is meant to help the couple in their day-to-day living after the wedding.

The seminars will cover Sacrament, commitment, relationship, personality, communication / negotiation, sexuality, family of origin and finances, as well as the P.M.I. [Pre-Marriage Instrument]

John Gottman states, *happily married couples aren't smarter, richer, or more psychologically astute... but in their day to day lives they have hit upon a dynamic that keeps their negative thoughts and feelings about each other from overwhelming their positive ones. They have what I call an emotionally intelligent marriage.*" p. 3

Our goal is, "to help with understanding and respect as a couple."

It takes time to figure it out...and then there may be more
