Congratulations Families,

This is a special year for your family as your child prepares to celebrate First Communion. During this year, the children will learn what it means to come to the table and become Eucharistic people. We acknowledge, encourage, and support parents as the primary teachers of faith. Together, we will teach your children the important role each of us fills as we gather around the Table of the Lord.

Sacramental Events:

Baptismal Certificate - If your child was not baptized at Saint Kenneth, a baptismal certificate must be on file before a first communion date can be scheduled; please get a copy to Jodi if you have not done so.

At Home Programming Families – Your child **must be actively participating** in class to complete the Sacrament. All Chapters must be up to date before an Individual First Communion date will be scheduled and when First Communion date arrives or we will need to reschedule.
