**STEWARDSHIP REPORT****Figures were not available at the time of publication.*****Thank you for your continued support!*****THE MUSINGS OF THE PASTOR**

One of the seven saints canonized on October 19, 2025, by Pope Leo XIV was Saint Vincenza Maria Poloni, ISM. Today I will tell you a bit about her life and her accomplishments.

Luigia Poloni was born in 1802 in Verona, Italy, the youngest of twelve siblings. She grew up in a Christian environment and was engaged in charitable acts—following in the footsteps of her father who had been engaged in them as well. Eventually she met Blessed Charles Steeb and came under his guidance as she devoted her time to working with the poor, the elderly, and the chronically ill.

In 1836, she worked tirelessly during a cholera epidemic and put her own health at risk. Two years later she devoted herself full time to the care of the sick and elderly. She also made the conscious decision to live a life of continual prayer and loving service to the poor.

On September 10, 1848, she founded the Sisters of Mercy of Verona and took Maria Vincenza as her name in religion. Her motto, “Serving Christ in the Poor,” became the foundation of the new congregation. She made it her mission to visit those who were sick or orphans. She aimed to console them and help them with their lives while showing them the love of Christ.

Shortly after she established the congregation with the guidance of Blessed Charles Steeb, she noticed a tumor that was growing slowly on her body. She underwent surgery in the hope that it would ease the pain and discomfort she felt because of the tumor. Unfortunately, the surgery failed to improve her condition. She died on November 11, 1855 and was buried in the municipal cemetery of Verona. The congregation that Poloni and Steeb established grew outside of Verona and expanded to other nations, including Portugal and Tanzania.

Pope Benedict XVI approved Poloni’s heroic virtue ad proclamed her to be venerable on April 28, 2006. A miracle which was attributed to her intercession was approved by Pope Benedict XVI on December 17, 2007. She was beatified on September 21, 2008.

The second miracle was the miraculous healing of a member of the Sisters of Mercy of Verona. This sister had breast cancer. After invoking her intercession, she fell asleep. She woke up suddenly and realized that she had been healed. This miracle was ratified on January 27, 2005, and was canonized by Pope Leo almost two months ago.

*Saint Maria Vincenza Poloni, pray for us!*

Until next week,  
Fr. John

## QUESTION OF THE WEEK

## MONTHLY BLOOD PRESSURE SCREENING

### THIS WEEKEND, DECEMBER 13/14

St. Francis Health Ministry volunteers will offer monthly blood pressure screenings after Masses in the St. Clare Room on the second weekend of each month. **Why check my blood pressure?** Because it is the only way for you to know! Often high blood pressure has no symptoms. Unless measured and treated, if necessary, the damage high blood pressure causes can go undetected, leaving you at greater risk for heart attacks and strokes. Fortunately, having your blood pressure measured is simple, quick and provided free by your SFA Health Ministry Team.

## COME JOIN AN ADVENT RETREAT ON HEARING GOD'S VOICE BETTER IN OUR LIVES

The day will begin with an optional Mass with the monks at 8:30 am and will formally start at 9 am with check-in and breakfast. Session topics will include preparing to listen; considering all the ways God speaks to us; and how to test what we hear and retain what is good.

A maximum of 20 men and women can be accommodated at the retreat; participants should bring a notebook or journal. There is no set cost, but a free will offering to cover food and a donation to the monks would be much appreciated.

## Music Notes

At the 9:30 am Mass on December 14, the text of our closing hymn, "People Look East" was written by the English poet and writer, Eleanor Farjeon (1881-1965). The text speaks of the east as the direction of the rising sun and, in the history of Christianity, the direction of the coming Messiah. In Farjeon's childhood, she was homeschooled and she loved books; perhaps her frequent headaches and colds were partly caused by the dust of the "little bookroom" - an attic space piled with books. She was encouraged by her father, who was also a writer, to write from an early age. She became a celebrated poet, writer and playwright, winning awards for several of her books for children. She became friends with other distinguished writers including D. H. Lawrence and Robert Frost. She is also the author of the well-known hymn "Morning Has Broken." The Advent text "People Look East" is set to the French carol BESANÇON, which earlier appeared with the anonymous text, "Shepherds, shake off your drowsy sleep."
