IF YOUR CHILD NEEDS SUMMER FOOD

The Summer Food Service Program (SFSP) and Seamless Summer Option (SSO) are federal nutrition programs that provide free and nutritious meals to children 18 years old and younger. The summer nutrition programs are sponsored by the United States Department of Agriculture and administered by the Illinois State Board of Education. The Illinois Hunger Coalition's Hunger Hotline (1-800-359-2163) serves as the statewide phone number for families to call to find a Summer Meals site near them.

NUTRITION TO GO

Pork is the most widely eaten meat in the world. Pork consumption in America peaked at 60 lbs per person annually in 1971, falling to about 50 lbs in 2023. Improved breeding and feeding techniques since the 80's have reduced the fat in pork, on average, by 31%, along with reductions in calories (14%) and cholesterol (10%).

A QUICK BITE FOR PARENTS

HAVE A GREAT SUMMER!

Thanks for eating with us this year. We look forward to seeing you when school starts up again!
