THANK YOU for supporting this great cause. You can participate in one or more ways — please review each section closely.

Walkers: Individuals interested in walking at the event are required to scan this QRC to begin registration, which links to Holy Family's Team page. Registration and an acknowledgment of the event's release form are necessary steps. Sharing registration information on social media is optional. **A donation is not required to participate as a walker, but pre-registration is mandatory.**

Donations: To contribute to St. Jude's Children Research Hospital, use this QRC, the parish website, or the designated envelopes at the back of the church. Make checks payable to Ladies of Holy Family Mitchellville or LOHFM. Donations can be made regardless of participation in the walk. The parish portal is being used to reduce the likelihood of electronic spam often associated with online giving. The goal is to raise \$1,000.
