We Are Called...

We have a responsibility to share Easter joy! Share the greatness of our faith, and the promise of Jesus. Live out what God puts into us. Jesus said that we will receive the Spirit of God and that we can live through the Spirit who gives us knowledge, wisdom, and power. We can do great things for the kingdom through the power of God's grace. Ask in His name, and it will be granted to you. It is alive and thriving in our time, and in our own parish! We have much to be grateful for, and He is doing His work even now, because it is still light. We have a great staff of committed people that do an outstanding job for all of us. Some have been here for a very long time, and others have been with us for a little while and have made a big impact also. We are growing and bringing people into our lives to grow God's kingdom. These are just a few members of our family that are living the Gospel message, and they are sharing the grace given them with the next generation. We are growing as a parish family and that is good for all of us. New ideas and new experiences lead to new encounters with Christ.

One of our blessings is Allyson Vickers. From a young age, she knew that she wanted to teach children. Her faith was also a very important part of her life. She started to teach PSR while in high school and continued through college. She participated in our summer programs and led the children in growing in their faith journey. Allyson has graduated from college and is now an employee of our parish as an assistant to Julie in teaching our youth in the ways of the faith and has been an example for the next person volunteering to help the children grow. She is sharing her love of God and the gift of His Church to help the youth make a

commitment to the Lord. We have two young women that are going to start the process again, and hopefully they will be as committed and confident as she is and continue to grow our PSR program and help others in their confidence to share Christ with the world. We are blessed in the sharing of faith with the children just as we are blessed in sharing faith with our adults and homebound. We also welcome Melissa Di Fini as our new pastoral associate.

Melissa comes to us from Saint Christopher Church in Rocky River. As a member of our parish with her husband Joe, she has a vested interest in the success of our parish. One of her passions is to visit the sick and homebound of the parish. She also loves to have programs and opportunities to help the members of the parish grow in knowledge of our faith. Melissa is excited to share her knowledge and education of our faith with those around her. She wants everyone to know all that the Catholic Church has to offer, and for us to share the goodness of the Church with those around us. Her training and heart will make a difference in our celebration of God's Church with His people. She will be looking for assistance in connecting our sick and homebound with parish activity and celebration. We can make a difference in someone else's life also. It is just a matter of asking how YOU can get involved.

Ministries are happening all the time and in a plethora of ways. Make a difference, get involved, get active, and see what God is doing in the lives of His people. Make an effort to make a memory for yourselves and for others. It is the joy of spreading the Gospel that God loves us.

God Bless,

Shedding light on brain aneurysms.

FAMILY. FRIENDS. COWORKERS. NEIGHBORS.
EVERYBODY KNOWS SOMEBODY.

Brain Aneurysms are a silent killer, and we need your help to break the silence. It's time to start shedding light on brain aneurysms.

Mission: To foster a national dialogue and understanding around Brain Aneurysms and drive better patient outcomes through pioneering education, research, and support.

What they do: Communicate the signs, symptoms, and risk factors of brain aneurysms through innovation and collaboration with best-in-class partners across the globe.

Discovering a loved one has a brain aneurysm can be devastating. They will be providing insight into potential signs of a brain aneurysm and what the next steps might be in the aftermath of one.

Wednesday, June 4 at 6:30pm
or
Sunday, June 22 at 12:30 pm.

We welcome everyone to attend! If you have someone you know that has been touched or affected by a brain aneurysm, they are welcome to join us!

On March 19, 2015, our parishioner, Todd Crawford, received news that changed his life. Lisa Colagrossi, his loving wife, had a brain aneurysm rupture. When their family was by her side to say their goodbyes, Todd made a promise to her, "Lisa, I love you. Please go be with God. I promise I will raise the boys the way you want me to, and I promise to do everything I can to prevent this from happening to others." Todd's promise sparked The Lisa Foundation. It has emerged as the leader of awareness and education for brain aneurysms in the U.S. The Lisa Foundation is a Catholic Foundation that could use your support, and allows us the opportunity to put our faith to work.
