# We Are Called...

We are called to reflect and look forward constantly in our faith journey. As we celebrate Ordinary Time, we live out what we have received from the Christmas Season, and all the gifts that God has showered on us. Today we look forward to and are given a glimpse of what is near. We hear from the Book of Isaiah, “The people who walked in darkness have seen a great light.” This is a reminder of the Light of Christ at Christmas. We then hear from the First Letter of Paul to the Corinthians, “Is Christ divided? Was Paul crucified for you? Or were you baptized in the name of Paul?” This has us looking forward toward Lent and Easter. Living out Christmas gifts is the way of preparing for Easter.

We celebrate what we are given at Christmas so we can recognize and encounter the gifts of Christmas. We use the meaning of Christmas: God with us. We think and live out God’s grace in our lives, lives of martyrdom, Holy Family, Mary the Mother of God, evangelization, and care for others, these are the call of our lives as Christians, Christ followers. We are given a participation of the kingdom of God here and now, and through this participation, we encounter the living God and recognize the relationship that He wants with us. We learn, recognize, and live out love, care, and the power of His grace in our lives. We live out what He puts in to move toward His life of heaven.

As we work to implement the gifts of Christmas, we also look to serve the One who died for our sake. We glimpse our salvation, the reason that Jesus came into the world. We look ahead to the work of Jesus on the Cross. Paul clarifies our focus saying, “That you be united in the same mind and in

the same purpose” united in Christ and His mission. The mission of the kingdom of unity and peace, of truth and love. Paul shares that we must work in unity for the benefit of the kingdom and for the good of us as the body of Christ that we may be one in heaven. God works for our good that we may be in unity with the whole of His body. We learn that we become one by what we do with Him. We are baptized in Christ to rise with Him. We are called to be active members of His holy people. We live in the kingdom now so we may have a share in it for all eternity, where there is no division, strife, agony, or pain.

This Lenten season, we will continue an initiative to grow in our faith walk with Christ. We are doing the next step of the Eucharistic Revival called “Walk with One” along with what we are calling “Just One Step.” The purpose of Just One Step is what we will act on first. It is answering the question of what can I do to take one step toward Christ, because we hear in the Letter of James, “Draw near to God and He will draw near to you.” We are going to make this our reality. We will live out this scripture in our lives so we can have God as our reality. It fits perfectly into Lent. It is a practice of drawing nearer to God by just One step, one thing that we can do to move closer to God by serving our neighbor or One step to greater intimacy with Him. We will have many suggestions on this coming soon, and we will share the next steps soon after.

God Bless,

The Saint Thérèse Ministry lets someone know that people are praying to St. Thérèse, asking her to intercede with Our Lord on their behalf.

To make a request, submit the name of the person in need - it can be for anyone, anywhere!

You can fill out a prayer card and place it in the wooden box in the Gathering Area, or request it through the email below. Include the recipient's name, mailing address, your name, and your relationship to the person.

After receiving a request, the St. Thérèse Coordinator prepares a packet for the individual containing a letter from the Men of the Rosary explaining why they are receiving the packet, a framed prayer icon, a background on St. Thérèse, a blessed rosary, and instructions on praying the Rosary. The Coordinator will then mail the package.
