

St. Paul Parish School Preschool and Pre-Kindergarten

St. Paul Parish School is excited to provide a Catholic faith-based program for children ages 3, 4 and 5 in our community. We offer a child centered environment encouraging children to explore and discover gifts within themselves, which allow them to grow in knowledge, attitudes and values. Both our Preschool and Pre-Kindergarten programs offer introduction into the core subjects taught at St. Paul Parish School including a music class taught by a specialist. In addition, students have the opportunity to participate in a full day program, which includes enrichment activities in the areas of technology, foreign language, movement and art. The program is fully accredited by WCEA and certified with the State of Oregon Education Department.
