Dear St. Paul School Parish Families,

The school year is going by quickly. Soon it will be spring and summer vacation will begin. Planning is underway at St. Paul Church and School for the coming academic year (September 2024 to June 2025). If you are planning on having your children attend St. Paul Catholic School in September and desire some help with the cost of tuition, then it is time to apply for the Parish Tuition Subsidy Program.

This program is set up to assist **qualifying Catholic families** with the cost of tuition per child. We have outlined the criteria for a **qualifying Catholic family** below as set by the Archdiocese. Even if you are familiar with the criteria from years past, I encourage you to take another look at them to refresh your memory and ensure they still apply.

Each of the criteria is important and required of each family receiving assistance through the program.

**The criteria for a qualifying Catholic student/family is generally determined as follows:**

- The family must be registered at St. Paul Catholic Church, be involved, and attend Mass at St. Paul.
- The family must give regular, identifiable financial support to St. Paul Catholic Church through use of parish contribution envelopes, checks, or electronic giving.

The criteria for the Parish Tuition Subsidy Program are established by the Archdiocese of Portland. St. Paul Catholic Church and School will adhere to these criteria.

We have a special parish and school at St. Paul. The administration and staff are grateful for the families who worship with us and the students who grace us with their enthusiasm and spirit. We want to continue educating your children and assist you raising fine, faith-filled young adults. Thank you for all you have done for the parish and school.

May God bless you.

Fr. David Brown
