

Hi everyone!
It's me, Titan!

Holly and I LOVE the doors that we've seen around
your school!

2-1 had an awesome Taylor Swift door! Did you know
that Taylor Swift grew up on a Christmas tree farm?
Christmas trees are so cool and smell so amazing!
It must have been so much fun!
We love that this door reminds you to "treat people
with kindness" too! What a great idea to start your
day!

Then we went upstairs to see what the doors looked like up there! 5-1 had all the students write their names on their door! Sometimes at the North Pole, we get in trouble when we write on the walls. Any time Holly and I have ever tried to write the lyrics to "Jingle Bells" on the walls in the hallways we weren't able to have cocoa that night after dinner!

We also found this door! We love Dr. Seuss! 6-1 did an awesome job too! The Grinch is one of our favorite characters - have you read this story? We hope you have! Who is your favorite Christmas character?

Well, that's it for now!

We will send you another letter tomorrow!

Love, Titan and Holly
