St. Peter's Parish Mission Statement

We are a Spirit-filled, caring and compassionate community of pilgrims under the patronage of St. Peter. United in Christ Jesus, we come together in the historic Church of St. Peter-in-Chains, Trenton of the Catholic Archdiocese of Kingston to celebrate our faith in Word and Sacrament. Drawing life from the Eucharist, we serve in charity and promote justice so all may share in the reconciliation, peace and hope of Christ. In this way, we strive to live the Good News of the Lord.

Please remember St. Peter-in-Chains Parish in your will. A gift to the Parish will help carry on the Lord's work you so generously supported during your life time.

Legion of Mary Updates

October is a special month when the Church honours Mary. The Legion of Mary is a group dedicated to the Glory of God through prayer and active ministry under the guidance of Mary. Here in our parish, the Legion is privileged to bring the Pilgrim Statue of Mary to private homes. It is a beautiful statue that stays in the home for a 9-day novena. This can provide an excellent opportunity to introduce our children to a veneration of Our Blessed Mother. Please consider taking part in this devotion and keep in mind this visitation opportunity is not limited to October but extends throughout the year. The statue is on display in the Church foyer along with the sign-up sheet.

World Mission Sunday October 22 & 23

Pastors and pastoral workers are invited to encourage all the people of God a missionary spirit. To promote missionary vocations, and to collaborate spiritually & materially in the Church's mission work, including support for the entire dioceses in our country's northern regions.

A three month pregnant woman falls into a deep coma...

She awakens from her coma in the hospital around a year later. She quickly asks the doctor "how is my baby?" The doctor said "you had twins, a boy and a girl, and they are in the care of your brother who also named the pair." The mother says "what? No, not my brother, He's an idiot!" "What did he name the babies," The mother asked?

The doctor says "well he named your daughter Danice." "Oh" the mother exhales. "That's not a bad name at all." "What did he name my son?" The doctor pauses for a moment before telling the mom "Danephew."
