PRIESTHOOD SUNDAY

IS TODAY, SUNDAY, SEPTEMBER 25TH!

Priesthood Sunday is a special day set aside to honor the priesthood in the United States. It is a day to reflect upon and affirm the role of the men who were called to be Christ's Priests on earth as central to the life of the Church. In recognizing all that priests do for the community, both seen and unseen, we encourage parishioners to show their support for our priests by thanking them for their loyal service: a smile, a "thank you,", a card, a remembrance, a prayer - all these assure our priests of our gratitude for them and their presence in the life of our parish.**-** - *sponsored by the USA Council of Serra International*

SENIOR CONNECTION

The Senior Connection gathering for Monday, October 17th, will be an Advanced Health Care Directive workshop.

What if you are unable to make a medical decision? How can you ensure that someone knows what you consider quality of life? Learn about Advanced Health Care Directives at a workshop on Monday, October 17th, 1:30pm - 3:00pm in the parish hall.

If you would like to attend, please RSVP to Betsy Messman, 831-655-4160 ext. 24.

MESSAGE OF HIS HOLINESS POPE FRANCIS
FOR THE 108th WORLD DAY OF MIGRANTS AND REFUGEES 2022

The Holy See

(25 September 2022)

On this 108th World Day of Migrants and Refugees 2022, below are a few excerpts from a message from Pope Francis.

Dear brothers and sisters,

...No one must be excluded. God's plan is essentially inclusive and gives priority to those living on the existential peripheries. Among them are many migrants and refugees, displaced persons, and victims of trafficking. The Kingdom of God is to be built with them, for without them it would not be the Kingdom that God wants. The inclusion of those most vulnerable is the necessary condition for full citizenship in God's Kingdom. Indeed, the Lord says, "Come, you who are blessed by my Father. Inherit the Kingdom prepared for you from the foundation of the world. For I was hungry and you gave me food, I was thirsty and you gave me a drink, a stranger and you welcomed me, naked and you clothed me, sick and you took care of me, in prison and you visited me" (Mt 25:34-36).

...The tragedies of history remind us how far from arriving at our goal, the new Jerusalem, "the dwelling place of God with me" (Rev 21:3). Yet this does not mean that we should lose heart. In the light of what we have learned in the tribulations of recent times, we are called to renew our commitment to building a future that conforms ever more fully to God's plan of a world in which everyone can live in peace and dignity.

...The presence of migrants and refugees represents a great challenge, but at the same time an immense opportunity for the cultural and spiritual growth of everyone. Thanks to them, we have the chance to know better our world and its beautiful diversity. We can grow in our common humanity and build together an ever greater sense of togetherness. openness to one another creates spaces of fruitful exchange between different visions and traditions, and opens minds to new horizons. It also leads to a discovery of the richness present in other religions and forms of Spirituality unfamiliar to us, and this helps us to deepen our own convictions.

...Let us build the future today! For the future begins today and it begins with each of us. We cannot leave to future generations the burden of responsibility for decisions that need to be made now, so that God's plan for the world may be realized and his Kingdom of justice, fraternity, and peace may come.

...Lord, let us learn how beautiful it is to live together as brothers and sisters. Amen
