“A good tree does not bear rotten fruit, nor does a rotten tree bear good fruit.
For every tree is known by its own fruit.”

Luke 6:43-44a

What a great way to examine the direction of your life! This Gospel passage gets to the heart of how we can best discern whether or not we are truly fulfilling the will of God. Oftentimes we may struggle with knowing clearly if we are doing that which God wants of us. There are many directions in life that we can be pulled toward and many goals we can come up with on our own. For that reason, it is useful from time to time to stop and do an honest inventory of our lives.

When you look at the past year of your life, what do you see? Specifically, do you see good fruit being born? Such an examination is helpful to do from time to time. It is useful to make such an examination not only for the past year but for different time periods. Perhaps start by looking at the big picture by looking at all the times in your life that were most fruitful for the glory of God. From there, try to look at your life decade by decade, year by year and then even month by month over this past year. Look for the most blessed moments in your life as well as the most challenging moments.

When we examine our lives in this way, it's important to understand what to look for. For example, there may be moments when all went well in one way or another and then other times that were painful and very difficult. What's important to know, from a divine perspective, is that just because something “went well” at one point, or just because something was “painful and

very difficult” at another point in our lives, this doesn't mean that the former was the most fruitful for the Kingdom of God or the latter the least fruitful. In fact, heavy crosses and difficulties in life can often be the most fruitful times for us, spiritually speaking.

Just look at Jesus' life. Of course, everything He did was fruitful for the glory of the Father in Heaven, but we can easily point to the most painful moment of His life as the most fruitful. His Crucifixion brought forth the greatest good ever known.

So it is with our lives. The fruitfulness of our lives is not best discerned by looking at those moments when all was easy, fun, memorable and the like. Though those may also be graced moments, we need to look at spiritual fruitfulness from the divine perspective. We need to look for the moments in our lives, be they easy or difficult, when God was clearly present and when we made choices that gave Him the greatest glory.

Reflect, today, upon your life being like a tree that bears spiritual fruit. What times of your life, decisions you made, or activities that you were engaged in produced the most virtue in your life? When was your prayer life the deepest? When was your charity the strongest? When was your faith and hope the most evident? Return to those moments, savor them, learn from them and use them as the best building blocks for the glorious future our Lord desires for you.

The practice of requesting a Mass to be offered for loved ones, living or deceased, is a beautiful and wonderful part of our Catholic Tradition. Mass Intentions can be requested for someone who has died recently or in years past, or for the living to commemorate a special occasion such as a birthday, baptism, marriage, anniversary. Mass intentions can also be offered in thanksgiving for an answered prayer, for a social issue, or for someone is struggling with illness, life event, or trauma. Masses are scheduled in advance by calling the parish office or submitting your request using the Mass Intentions envelope located on the gift table in the back of the church. The usual Mass stipend is \$10.00 per request.

Celebrating the Sacraments

*If you are celebrating a sacrament this year, a recent copy of your baptismal record must be provided to the parish office.

The Sacrament of Baptism

GUIDELINES FOR INFANT BAPTISM

In order to have your infant baptized at St. Michael Catholic Church, the parents of the child must be registered members of the parish for at least six months prior to celebrating the sacrament and attending Mass regularly.

STEPS TO PREPARING YOUR INFANT FOR BAPTISM

Expectant parents can begin preparations for their infant's baptism prior to birth—you do not have to wait until after your child is born. All parents of children from birth to six-years should complete the **Baptismal Registration Form** found on the church website at www.stmichaelvicksburg.org or call the parish office at 601-636-3445.

Please complete the Baptismal Registration Form and turn it into the parish office. **Do not schedule a date for your child's baptism without contacting the parish office.**

A one-hour baptismal preparation class is required for all parents. The sacramental Coordinator for Baptism is Evelyn Riveros (601-415-0005).

Once you have completed the Baptismal Preparation Class, and all other requirements under baptismal guidelines have been met it is time to select godparents.

It is through baptism that your child becomes a child of God, and a member of the Catholic church and the parish community. Therefore, it is preferred that baptisms be celebrated during one of the weekend masses.

SELECTING GODPARENTS

Godparents serve a special role in the life of the baptized person, sharing responsibility for the religious education and spiritual formation of that person. They also represent the church and the community of faith into which the child is being baptized.

- Godparents should be faithful individuals who are ready to accept the responsibility of being part of a godchild's spiritual life.
- Therefore, parents should choose a godparent not just because of a blood relationship or friendship; rather, a godparent should be a trustworthy witness of the Catholic faith who will help the godchild attain salvation.
- The child may have no more than two godparents (one male and one female). One must be of the Catholic faith and committed to nurturing the faith of the godchild for life.
- If the chosen godparent is not a member of St. Michael parish, a letter of recommendation from the pastor of the parish where they are a registered member must be sent to the parish office prior to scheduling a baptism.

The Sacrament of Marriage

The Sacrament of Matrimony may be celebrated by registered parishioners who are actively practicing their faith. To ensure sufficient time for preparation, couples should contact the priest six months in advance of the wedding. Please contact the parish office to schedule an appointment with Fr. Robert to begin marriage preparation.

SPECIAL COLLECTION
BLACK AND INDIAN
MISSION OFFICE EST. 1884

Black and Indian Missions

Collection Date: March 9 & 10, 2025

The Black and Indian Mission Office is comprised of three distinct but inter-related organizations, each with its own purpose and history, but all seeking to fulfill the one Mission to the Missions! Founded by the Catholic bishops of the United States, each organization cooperates with local diocesan communities to spread the Good News of Jesus Christ and respond to real and pressing needs on the ground. They are: The Bureau of Catholic Indian Missions, the Commission for the Catholic Missions among the Colored People and the Indians and the Catholic Negro-American Mission Board. This collection is coordinated by the Black and Indian Mission Office.

Recognizing a need to call the faithful to support missionary work among African American and Native American Catholics, the U.S. Catholic bishops established this Catholic Church charity for the Catholic Missions in 1884 to administer a national collection—the first of its kind in the United States—to support missionary work. Ever since the first Collection in 1884, the Commission has administered the yearly, national **Black and Indian Mission Collection**. The generosity of the good People of God allows the Commission to give helpful grants to dioceses across the country to operate schools, parishes, and other missionary services that build the Body of Christ in Native American, Alaska Native, and Black Catholic communities.
