## School Policies

### Academic Expectations (B.2)

The school expects students to perform to the best of their ability. Teachers are expected to evaluate student progress on a regular basis. Students will be given quizzes or tests regularly. After the test is graded, it will be sent home for the parent to review and sign. A parent's signature indicates that the parent is aware of the student's progress.

### Graduation (E.19)

At the discretion of the principal, each school has the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a diploma to the student, if there has been a breach of a material condition of this educational contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

### Homework (E.8)

Homework is an essential part of the instructional program and reinforces learning and provides students with opportunities to practice what they have learned. This practice helps students establish good study habits, become independent learners, and strong readers, writers, and mathematicians. All homework times include 15 minutes of reading or being read to.

The time allotments for homework (written and study) are as follows:

Grades K	may be given occasional short homework assignments related to the curriculum
Grades 1 & 2	approximately 30 minutes
Grades 3 & 4	approximately 45 minutes
Grades 5 & 6	approximately 90 minutes
Grades 7 & 8	approximately 120 minutes

Students are required to complete all homework.

### Grades and Grading (G.4)

Report cards are distributed four times a year for Grades 1 to 8. Pre-K and Kindergarten report cards are distributed **(two to four)** times a year. The report card is an important part of the ongoing communication between the school and the home.

## Academic Achievement (G.5)

The first part of the Archdiocesan Report Card is used to mark the student's achievement in academic subjects.

- The achievement mark in each quarter is based upon the demonstration of mastery of material covered in class such as:
  1. classwork/participation
  2. homework
  3. quizzes
  4. formative assessments
  5. summative assessments

There are no grades for Computer Science or Library as these two areas are to be supportive of, and integrated into, the total learning process.

Foreign Language will be given a letter grade if the class meets for less than 120 minutes per week. Foreign Language will be given a numerical grade only if the class meets for more than 120 minutes per week.

The Final Report Card Grade is the weighted average of the four previous quarter grades (with mid-year and end-year tests in Religion for grades 3-5 and in all core subjects for grades 6-8). This Final Grade will be recorded on the student's permanent record.

Numerical marks are recorded on report cards for Grades 1– 8.

The marks are an average of summative assessments, quizzes, classwork, homework and formative assessments.

Passing is any mark 70% or above or any mark D or higher.

Parents should be informed in a timely manner in the event of a student who is not satisfactorily performing in a course or activity.

## Character Development (E.13)

The Conduct and General Effort Scale indicates grades for General Effort and Character Development. A single letter grade is used with progress codes indicating improvement needed in any sub-category.

## Honor Roll (G.4)

The criteria for inclusion in the Honor Roll are particular for each school. An acknowledgment of achievement in academics, a suggested model would be:

<b>Grades 5-8</b>	First Honors	<b>A in every subject or 90% average with no grade less than 90%</b>
<b>Grades 5-8</b>	Second Honors	<b>B in every subject or 85% average with no grade less than 85%</b>

Good conduct is a requirement to receive First or Second Honors. Therefore, a student must receive an A (excellent) or B (good) in conduct to be eligible for honors. A student who does not receive an A or B in Conduct will not receive First or Second Honors even though marks might warrant it.

### **National Junior Honor Society Criteria**

Students in grades 6-8 who meet the requirements for our schools chapter are eligible for membership.

- **Scholarship:** Per national guidelines, at a minimum students must have a cumulative average of 95%
- **Service:** This involves voluntary contributions made by a student to a school or community, done without compensation.
- **Leadership:** Student leaders are those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.
- **Character:** The student of good character is cooperative, demonstrates high standard of honesty and reliability, shows courtesy, concern, and respect for others, and generally maintains a clean disciplinary record (A conduct grade must not be less than an A)
- **Citizenship:** The students who demonstrates citizenship understands the importance of civic engagement, has a high regards for freedom and justice, respects the US form of government, respects the law for all citizens for the local, state, and federal levels and demonstrates mature participation and responsibility in activities such as scouting, community organizations, or school clubs.

**Students who accept membership and are inducted into the chapter should be aware of the time and commitment involved with this honor. For example, there will be chapter meetings and members must also participate in chapter and individual service projects to benefit the school and community.**

**Please be aware that all membership requirements must be met and kept to insure active ongoing membership in the National Junior Honor Society.**

### Report Card Distribution (G.4)

Report cards are distributed in November, January, April, and June. Report cards will be withheld if financial obligations have not been met and fees are outstanding.

Final report cards may not be given before the assigned date. In the event that a student will leave school prior to the last day in June and all financial obligations have been met, the student may give the teacher a self-addressed stamped envelope and the report card can be mailed the last day of school.

### Retention/Promotion (G.5)

Very few decisions we make about children are more important than recommendations to promote or to retain a student. When a school accepts a student the school accepts the responsibility for providing appropriate instruction to help the student achieve the prescribed goals. If the student successfully achieves the program's objectives, the student progresses to the next level. Testing, diagnosis, and actual performance, however, may indicate that some students cannot follow the school's complete course of study. The principal and school faculty develops for each of these students a special program based on the school's regular program, which follows the New York State Standards and Archdiocesan Essential Learnings. A copy of the student's modified program is retained in the student's file. Conferences must be held with the parents periodically to inform them of the specific demands of this program and on-going progress. Therefore, the decision to retain a student presupposes that the school has done everything to help the student achieve success, and the student still has not made satisfactory progress.

If a student is being considered for retention, teachers must begin discussing this possibility early in the school year with the principal. Parent conferences must be held periodically, and notification of the possibility of retention must be made no later than mid-January, with written notification having been made on the report card. Although the teacher consults with the principal, the final decision for retaining a student rests with the principal.

The following are specific criteria that will assist teachers as they consider a recommendation for retention.

The student has failed to pass the major subjects on each grade level.

The following table indicates the specific failures by grade level that might result in retention at that grade level:

<u>LEVEL</u>	<u>ACADEMIC PROGRESS</u>
<u>Kindergarten</u>	<u>Evidence that the child is not meeting academic expectations of the program.</u>
<u>Grade 1</u>	<u>Evidence of insufficient developmental progress and a failure in English Language Arts (ELA)</u>
<u>Grade 2</u>	<u>Failure in ELA</u>
<u>Grade 3</u>	<u>Failures in ELA and mathematics</u>
<u>Grade 4, 5, 6</u>	<u>Failures in ELA and mathematics, or</u> <u>Failures in ELA or mathematics and failures in two of the</u> <u>following subjects: religion, science or social studies</u>
<u>Grade 7,8</u>	<u>Failures in ELA and mathematics or</u> <u>Failures in ELA or</u> <u>Failures in ELA or mathematics and failure in one of</u> <u>the following subjects: religion, science and social studies</u>

The student has not demonstrated progress toward the mastery of standards. The following types of behavior might indicate unacceptable progress:

- failure to complete assignments
- failures on multiple summative assessments
- repeated scores of 1 (below standards) in several standard domains on report card

Generally, a student would be retained only once in the elementary grades (1-5) and only once in the upper grades (6-8).

If a student completes all requirements for promotion or graduation, a family cannot self-select the student to be retained in their grade.

## Assessments (G.4)

In addition to class and school exams, every student will take part in the Archdiocesan testing program which includes the Archdiocesan religion tests, interim assessments, and New York State Education Department assessments. All students enrolled at our school are expected to participate in all exams and assessments. No alternative assignments will be provided.

Archdiocesan Test Religion Exams (In June, the Archdiocesan Religion exam will be used as the student's End-Year Examinations in Religion for Grades 6-8.)

Religion Test Mid – year and Final Exams	Grade 3 to 8	January and June
Core Subject* Mid-Year And Final Exams	Grade 6 to 8	January and June

In June, the Archdiocesan Religion exam will be used as the student's End-Year Examination in Religion for Grades 6-8.

### Interim Assessments

<u>Interim Assessments – Administered Three Times a Year</u>	
Grades K-8	NWEA MAP Interim Assessments

### NY State Tests

<u>New York State Exams</u>	
Grade	Tests
3	English Language Arts and Mathematics
4	English Language Arts and Mathematics
5	English Language Arts and Mathematics
6	English Language Arts and Mathematics
7	English Language Arts and Mathematics
8	English Language Arts and Mathematics

The faculty of the school reviews these test results regularly for the purpose of promotion or retention in conjunction with classroom performance and grouping for reading and math.

## **Accidents (E.26, E.27)**

Student accident insurance included in the school's yearly fees. In the event of an accident at school you may obtain a claim form from the office.

Please note that the school accident insurance usually is secondary to the parent's own medical insurance coverage.

## **Admission Policies (E.1, E.2, E.3)**

Roman Catholic Schools in the Archdiocese of New York base their educational purpose and all their activities on the Christian teaching of the essential equality of all persons as rooted in God's love.

Thus, with discrimination so repugnant to their nature and mission, Catholic Schools in this Archdiocese do not discriminate on the basis of race, color, national and ethnic origin, or gender in administration of educational policies, admission policies, scholarship and loan programs, and athletic and other school administered programs.

This policy is subscribed to by all Catholic elementary and secondary schools in the Archdiocese of New York whether owned or operated by the parishes within the Archdiocese, Catholic school regions, or religious communities within the Archdiocese.

The process for admission to the school is: parents must complete the school application form and provide all required documents. For regional schools, this application is found online and is processed through TADS Admissions. Following an interview and evaluation of the materials, the parent will be notified in writing about the status of the child. For regional schools, this notification occurs via email.

While admission is on a first-come, first served basis, the school gives preference in admission following these guidelines: first, to siblings of currently enrolled students; second, to Catholic students whose parents are active members of the parish, or if a regional school, active in a parish in the region; third, to Catholic students whose parents are active in another Catholic parish or, if a regional school, active in a parish outside the region; and fourth, to non-Catholic students.

## **After School Program**

An after school program is available to parents. As long as a student is engaged in school sponsored programs or activities, the student is expected to follow school policy. Directors of individual activities may also issue rules of behavior, which recognize the special nature of non-classroom activities. In instances where students are picked up, parents are expected to make arrangements to pick up their children at the end of the program or activity. Students will be released only to a parent or a person previously specified IN WRITING by the parent. If a child is picked up late three or more times the director has the right to not allow the child to remain in the program. Program fees are expected to be paid in full upon being invoiced. Past due balances will result in your child not being allowed to participate in the program until their accounts are brought up to date.

## **Announcements**

Informational announcements are handled through the school P.A. system. Courteous attention is expected when any message is presented over the P.A. system, especially when prayers are said. All announcements must be written and brought to the office and approved by the principal.

## **Attendance (E.5, E.6)**

In the State of New York, full-time education is compulsory from age six to age 16. Regular attendance is the responsibility of the child(ren)'s parent or guardian

Excused Absence: A child is legally absent from school for the following reasons: sickness, sickness or death in the family, impassable roads or extreme weather; all other absences are unexcused.

If a child is absent for three or more consecutive days, they must return with a doctor's note and a negative PCR test.

Lateness: A child should come to school even though he/she may be late. All lateness is recorded and marked on the report card. Parents will

be consulted about chronic lateness, and the child may be required to make up time missed.

When the child returns to school from an absence, a completed absence form must be given to the teacher. (See Appendix) This form is distributed at the beginning of the school year and contains appropriate spaces for the child's name, date of absence, class, reason for absence, and the signature of a parent or guardian.

Doctor or dental appointments should be scheduled for after school or on Saturdays. Family vacations are not to be planned for those days when school is in session. The school provides families with an annual calendar to ensure that does not happen. If it is necessary for a child to be dismissed during the school day, the parent or adult (must be 18 years of age or older) chosen by the parent **MUST** come to the school for the child. The school must be informed ahead of time about such occurrences.

Students in kindergarten through grade eight who miss ten or more days of the school year, whether excused or unexcused, and who have not satisfactorily completed the required work, may be considered for retention. Students with more than 10 absences are in jeopardy of not successfully completing the school year. Principals will meet with the student's parent/legal guardians to determine appropriate next steps. Certification of an absence by a physician is an exception to the ten-day limit. However, satisfactory completion of required work is required.

When a child is absent, parents are required to phone the school by 9:00 A.M. Absence notes are still required in addition to the phone call.

During the time that schools are governed under the Moving Forward Together document and schools are participating in remote learning, students who are absent due to illness may participate in the entire school day via remote learning.

- If a student remains home due to illness and is able to participate via remote learning for the entire school day, parents must write to the school informing the principal that the student is ill but will be participating remotely. The note from the parent must be sent prior to the start of the school day.
- The student will be marked present (remote) if the student participates remotely for the entire school day.
- If the student is unable to participate for the entire school day, the student will be marked absent.
- This remote option is not available for students who are not attending school due to an unexcused absence.

**Lateness:** A child should come to school even though he/she may be late. All lateness is recorded and marked on the report card. Parents will be consulted about chronic lateness.

## Birthday Parties

**Birthday parties for Grades Pre K – 3rd Grade may be held monthly in each homeroom with the teacher's permission. Parents should notify the teacher in writing. Parents may not bring in favors or "goodie" bags for the students.**

## Books (B.3, B.4)

All resource materials chosen for use in academic courses must be consistent with the religious nature of our schools. Books, DVDs, or other electronic-based supplementary resources that contain profanity, inappropriate sexual references, and other immoral information would be in violation of this policy.

All books must be properly covered. Contact paper is NOT to be used to cover any books obtained under N.Y.S. Textbook Loan. These books are stamped on the inside front cover. Each child is responsible for keeping his/her books in good condition. Books that are lost or defaced become the liability of the student and his/her parents. If a book is lost or defaced, the school will bill the parents for the cost.

1. **ASSIGNED TEXTBOOKS:** When a textbook is lent to a pupil on a semi-permanent basis, the New York State Department of Education requires that:
  - a. the pupil's name be placed in the space provided in each book
  - b. the teacher make a record of the number of the book
  - c. the teacher make a record of the condition of the book
  - d. in September, each child will put a clean cover on each textbook received
  - e. in June, all textbooks are collected, extra materials and covers are removed.
  - f. all workbooks are collected in June.
2. **SUPPLEMENTARY BOOKS:** When books are handed out to the children for use during a specific period within the classroom, they will be immediately collected after they have been read. If the book is to remain with the children for any length of time, his/her name must appear in the book and the teacher should have a record of this.
3. **LIBRARY BOOKS:** Books may be borrowed for two weeks. Books are charged to the child so that he/she will have the experience of signing out a library book and abiding by due dates. If books are returned late, there will be a five cents fine per day per book, payable by the child. All lost library books must be paid for so that the school can purchase a replacement copy. If the book is located after a new order is placed, the child will be allowed to keep the old book since he/she has paid for it.

## **Buses**

Busing is provided within a 15-mile limit to students from their residence. The public school district where the student resides provides and manages this service. If a student is to take a different bus from school a note must be submitted to the principal at the beginning of the school day.

To obtain student transportation in school districts outside of New York City, parents must file requests with the district in which they live by April 1 of the preceding school year or within 30 days of moving to the district. Parents must contact their local public school district to determine their eligibility.

Students and parents should consider riding on the school bus as a privilege and an extension of the school. Thus, students are to demonstrate a respectful, Christian, and safety-conscious attitude at all times on the bus.

- Students should obey the driver and monitors at all times.
- Students should do nothing to cause annoyances or distraction to the driver, as this places the safety of all in danger.
- In cases of extreme or persistent misbehavior, school will work in consultation with the public school district about possible consequences.

## **Change of Address, E-mail, Phone (G.1)**

The office must be informed immediately if there is a change of home address, email address, cell phone number, or home telephone number for purposes of mailing and/or emergency notification.

## **Charter for the Protection of Children and Young People (B.11)**

- All institutions and programs of the Archdiocese will comply with the Safe Environment Policies of the Archdiocese.
- The Department of Education has developed a curriculum for the children in our parishes and schools, entitled "Right, Safe, Good Relationships", which provides age-appropriate instruction in child sexual abuse. The lessons in this curriculum must be given annually to all children in all grades.
- Parents reserve the right to remove their children from the classes. The school administration should take care to cause as little embarrassment of these students as possible.
- If parents choose not to have their child participate in the safe environment classes, the parents will be offered training materials, and will be asked to sign a form acknowledging that the materials were made available to them. This form will be maintained in the records of the school. If the parents decline to sign such a form, a notation of this will be made in a record maintained by the school.

## **Child Abuse Laws (C.6)**

Under NYS law, school personnel are legally obliged to report any suspected cases of child abuse or neglect to the proper agency. In so reporting, no allegation is made against a parent or caregiver. Rather, it is a judgment by the school that the child may be presenting signs of abuse or neglect.

## **Child Custody (E.28)**

At the time of school entry or at any other time when a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the principal with a copy of the legal document from the parent for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- Custodial parents must identify in writing other adults who may have access to information regarding their child.
- Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

Non-custodial parents may pick up a child only if written permission has been granted by the custodial parent.

## **Communication (H.3, H.4)**

Since as parents you are the child's first teachers, you are our partners in education. Therefore, regular communication with you is an essential part of your child's school experience. Scheduled parent conferences allow teachers and parents to discuss student achievement as well as to develop means to assist students in areas of difficulty.

A parent may request a meeting with a teacher at any time by simply sending a note to the teacher in question and the teacher will arrange for this meeting outside class time at a mutually convenient time. The meeting should take place in the classroom or someplace that ensures privacy, never in a hallway or on the street. A parent who is refused such a meeting should notify the principal.

Parent-teacher conferences will be scheduled each year in conjunction with report card distribution to provide an opportunity for in-depth discussion of student growth. Parent-teacher conferences are required at the end of the first marking period. Teachers are expected to be reasonably available to parents throughout the school year in order to keep open the lines of communication in the best interest of the students.

## Confidentiality (G.3)

There is a professional, legal and moral ethic that requires all persons to safeguard all student information of a privileged nature.

It is imperative that such information be regarded as a sacred trust.

- If there is evidence of knowledge that could impact on the health or safety of any person, the teacher has the responsibility to share the information with the principal.
- Under Section 423 of the Child Protective Services Act, school officials are required to report when they have reasonable cause to suspect that a child coming before them in their professional or official capacity is an abused or maltreated child. (See section on Child Abuse.)

The rules that govern privileged information apply, as well, to any personal or academic information that is discovered through daily classroom instruction or other social interaction with students, parents or peers. Always the sense of confidentiality should prevail.

## Contacts with the Media (H.2)

Parents have the right to exclude their children from videotaping, audio recording, school pictures, other photography or participation involving printed materials or on the Internet. Parents should provide such documentation to the school office; otherwise, they must fill out the media authorization release form. If enrolled in a regional school, this media authorization and release was embedded within the online registration process, so the written form is not required unless a family wishes to change their preference during the course of the school year. Parents of students enrolled in Universal Pre-Kindergarten classes should fill out the media authorization form at the end of this handbook.

## Crisis/Emergency Information (B.9, E.7)

Should a crisis require evacuation from the school building, students will be brought to a safe place located at Our Lady Queen of Peace Church and parents/guardian should meet them at that location.

Catholic schools throughout the Archdiocese of New York utilize the Immediate Response Information System (IRIS Alert) to notify parents directly about the crises.

For further information concerning the crisis, parents can refer to the following:

## Daily Schedule (B.10)

7:50 AM	Enter School Gr. 1-8
8:00 AM	3 Year Olds, UPK and K
11:15 AM - 11:45 AM	First Lunch K, 7th, & 8th
11:55 AM - 12:25 PM	Second Lunch 1st, 2nd, & 3rd
12:35 PM – 1:05 PM	4th, 5th, & 6th
2:20PM	3 year Olds, UPK and K Dismissal
2:30 PM	Dismissal Gr.1-8

For those who require early morning drop off it begins at 7:00AM until 7:35AM. The cost is \$3.00 per day per child. Please enter through the school yard and use door number 1.

Before **7:35 AM** and after **2:45 PM** the school does not have staff available to watch out for problems on school grounds or to supervise children on school grounds. Students must not arrive on the school grounds prior to **7:35 AM** and parents must arrange pickup at dismissal times.

To avoid interruption during the school day, any messages, forgotten lunches, books and boots, etc., must be taken to the office and not to the classrooms while school is in session. The school office will see to it that the child receives these items.

## Discipline Code for Student Conduct (E.12, E.13, E.18)

The goal of discipline in a Catholic school is for students to learn self-discipline, which strengthens and promotes the values incorporated in our Catholic faith community. As the school builds community, it develops in students the awareness that sensible rules serve to safeguard the individual's freedom and provide an atmosphere conducive to learning. Disciplinary measures should have as an end the development of the human person who respects one's self, other persons and those in authority.

By enrolling a child in this school the parent agrees to be supportive of the rules and regulations that we deem as critical in the spiritual, academic, and behavioral growth of the child.

Teachers discipline students directly for minor classroom disruptions (i.e., not coming prepared to class; not being in the complete school uniform; not completing assigned homework; minor verbal disputes with other classmates; etc.). Parents are notified of classroom problems by the teacher and are asked to help the teacher to ensure that inappropriate behavior is modified.

Teachers are not permitted to use corporal punishment on any child. Perceived acts of corporal punishment should be reported to the principal of the school immediately by students or parents.

It happens that some classroom discipline issues are referred to the administration of this school. This would include chronic minor problems listed above or major problems (i.e., chronic lateness; verbal abuse of the teacher by a child; signs of disrespect to a teacher or another adult on the staff; fighting; physical, sexual, or verbal harassment or bullying of a fellow student; violent behavior; stealing; smoking and vaping; vandalism; or the possession of a drugs, drug paraphernalia, cigarettes, vaping paraphernalia, alcohol, dangerous items or a weapon). The administration handles such matters in a variety of ways depending on the severity of the incident.

The school employs a progressive discipline system for minor acts of misbehavior in order to encourage students to change inappropriate behavior so that sanctions do not increase in severity. For acts such as consistent disregard of rules, students are often given detention. Repeated violation of these rules and regulations may result in suspension from school or the non-re-registration of the child for the next school year.

For more serious acts of misbehavior such as, but not limited to, fighting, stealing, vandalism, and harassment, the student is immediately suspended for a period of one to five days. In cases of vandalism, the parent must pay the full cost of the repair or replacement of the item before the child may return to school. In cases of theft, the item is either returned in good condition or the cost of replacement is borne by the parent before the child can return to school.

In cases where a child engages in a fight which causes injury to another child or adult, the police may be summoned and, then, the parents will be notified. Likewise, the possession of drugs or alcohol by a child is reported to the police. The school reserves the right to request an expulsion from the Superintendent of Schools for such an offense.

In cases in which a child brings a weapon to school, the police are summoned, and then the parents are called. The school reserves the right to request expulsion by the Superintendent of Schools for any serious offense.

Individual-directed threats of violence or harm communicated directly or indirectly by any means, as well as building-directed threats of violence or harm communicated directly or indirectly by any means (e.g. shooting, bomb threats), or to harm students, employees or visitors are taken seriously. Upon knowledge of the threats, the principal will notify the Regional Superintendent and call the parents. The Office of the Superintendent will also be notified and, along with administration, will determine the course of action to be taken up to and including calling law enforcement, requiring a mental health referral and/or expulsion.

It is the expectation of this school that student behavior is exemplary both on and off school grounds. A student always represents the entire school community. Therefore, the school reserves the right to discipline students for acts such as, but not limited to: stealing, fighting, vandalism, bullying or any other type of threatening or inappropriate misconduct (personally, via telephone, or the internet). Such misconduct could result in punishments including suspension and/or expulsion.

Lastly, a child's arrest for a crime on or off of school grounds, within or beyond the vicinity of the school, at any time could result in the child's suspension or expulsion. A child's conviction of a crime on or off of school grounds, within or beyond the vicinity of the school, will likely result in a child's expulsion.

## **Dress Code (E.20)**

Your school uniform confirms your attendance at the school and is a symbol of unity within the school community. It minimizes distractions in the learning process. It is important that you take pride in your appearance by wearing your complete uniform always remembering that by wearing it inside and outside the classroom and the school you are representing the school and your behavior should be a credit to both yourself and the school community.

Please be aware of the following:

- Socks are to be worn at all times, and must be seen at or above the ankle, not below.
- Nail polish of any color and nail tips are NOT permitted for the safety of the students. Nail polish remover will be kept in the nurse's office to remove any polish.
- Make up is NOT permitted. Make up remover will be kept in the nurse's office to remove any make up worn to school.
- Skirts are to be worn above the knee, and the school reserves the right to send home a child whose skirt has been deemed too short.
- On dress down days clothes must be school appropriate. This means no short shorts, no cropped tops, ripped jeans, etc. The school reserves the right to send home a child whose clothes have been deemed inappropriate for school.
- Hairstyles: Boys should have hair no longer than their collar and out of their eyes while girls should not have any color or extensions. Fad hairstyles are not permitted. This includes shaved designs.
- Piercings are not permitted, except for one on the lower lobe of a girl.
- Jewelry which can be deemed distracting cannot be worn, including multiple bracelets, multiple rings, soft light weight rubber bracelets, rope (cord) necklaces or large or hanging earrings.
- Sneakers are to be totally WHITE with totally WHITE socks. They are to be laced or velcroed at all times- including the top of the sneaker

On the day the children have gym, they may wear their gym clothes. Students are allowed to wear WHITE sneakers on gym day.**

### **Personal Appearance**

A good personal hygiene routine should be followed daily: ears, neck, and fingernails should be given special attention. When appropriate, children should be instructed in the use of deodorant.

Uniforms should be neat and clean.

Hair should be clean and well groomed. The boys' hair must not be below the shirt collar. Bangs should not be so long that they impede vision.

Parents will be notified if a child comes to school consistently in an unkempt manner. If no improvement is noticed within a reasonable amount of time, an appointment with the parents and with the guidance office will be made by school officials.

## **Drug and Alcohol Policies (E.15)**

In recognition of the seriousness of drug and alcohol problems to which the children are exposed, school will follow the policy as stated below:

- If a teacher suspects that a child is under the influence of either drugs or alcohol, the matter will be referred to the principal immediately.
- The principal will verify teacher's observation and will notify parents
- If the student confirms suspicion or appears unstable, student should be brought to the attention of the School Nurse (as per the Emergency Guidelines)
- If necessary, the principal will call 911 (as per the Emergency Guidelines)
- The police may be called if the student is in possession of an illegal substance (as per the Emergency Guidelines).
- Parents must pick up immediately should it be determined that the suspicion is founded. Parents will be expected to follow the recommendations of the school principal if the child is to continue in the school; and
- any student who appears to be under the influence of alcohol or any drug, and appears at a school function in questionable condition will be barred from attending or participating in that ceremony, party, dance, or school outing. Parents will be notified and appropriate action will be taken which may include suspension or expulsion from the school.

## **Electronic Devices (E.30)**

Electronic devices may be dynamic tools in the 21<sup>st</sup> century school environment, but only when used appropriately by faculty, administration, staff, and students.

The use of electronic devices by faculty, administration, staff and students must be appropriate to the educational setting, and may not distract the student, other students, or the class as a whole during the course of the school day and after school. (i.e., cell phones, iPads, iPhones, Smart Watches and other personal electronic devices). In the event an electronic device, including a student cell phone, is believed to contain evidence of a violation of school policy and/or a threat to the school community, the individual possessing the electronic device is obliged to grant the administration of the school access to the device and the information on the device to ensure compliance with policy and the safety of the school.

This year the school cell phone policy is as follows: Teachers of grades 5-8 will collect cell phones each morning and lock them in their closet. If your child does not turn in their phone and is caught with it on school grounds during school hours the phone will be brought to the office where a parent will have to pick it up. Each subsequent time the same child is caught with a cell phone there will be a fee of \$25 in order for the cell phone to be returned.  
Smart Watches/Apple Watches are NOT permitted.

Inappropriate use of any electronic device may result in serious consequences as stated in the school's Technology Use Policy.

## **Telecommunications Policy**

## **Student Expectations in Use of the Internet**

The use of the Internet is a privilege, not a right, and inappropriate use or violation of any of the following standards will result in serious consequences and could result in expulsion from the school.

1. Use of the computer at school is limited to school related activities. Internet users are expected to behave responsibly in accessing and viewing information that is pertinent to the mission of the school.
2. Vandalism and other infractions of school policy while using the Internet will result in immediate cancellation of privileges along with disciplinary action.
3. After School/Home Access requires students to follow the same student expectations as stated in the "Discipline Code for Student Conduct" and "Harassment Policies" in the student handbook.
4. Students must abide by the generally accepted rules of network etiquette both inside and outside school.
5. Students are responsible for their explorations on the Internet and are subject to the consequences of the school's discipline policy.
6. Students must sign a contract indicating their understanding and acceptance of the school's guidelines (see parent/student handbook).
7. Parents must give their permission for their child to use the Internet for educational purposes as an individual by signing the Contract Form once conditions are clearly understood. Parents also have the option of denying permission for their child to use the Internet independently at school

## **Emergency Closings/Delayed Openings (E.7)**

- The schools in the Archdiocese of New York follow the policy of local public schools when closing due to inclement weather, loss of power or other issues.
- In addition to following the lead of New York City public schools, Catholic schools in the Bronx, Manhattan and Staten Island, may need to close based on local situations. That said, all closure decisions must be approved by the Superintendent of Schools. Schools in Westchester, Putnam and the Upper Counties that rely on public school districts for bus transportation will follow the delayed opening and/or closing policy of the local district.
- Catholic schools throughout the Archdiocese of New York utilize the Immediate Response Information System (IRIS Alert) to notify parents directly about delayed openings and closures due to weather.
- When a school in the Archdiocese is closed for the day due to inclement weather or other unforeseen situation, the following will apply:
  - All school-related extracurricular activities, interscholastic contests, team practices and field trips will be cancelled

- **After School and/or extended day care programs will be closed all day.**

## **Expectations and Responsibilities for Students (E.13)**

Students attend the school in order to develop fully their God-given talents and capabilities. To accomplish this, students are asked to:

- do their best work at all times.
- treat all members of the school community (i.e., teachers, staff, priests, parents and students) with respect. This includes respecting the work of others by not cheating.
- obey all school rules and regulations, including those forbidding the use of drugs, alcohol, cigarettes, or disruptive behavior.
- develop personal standards of conduct that reflect Christian morals and behavior, and refrain from use of inappropriate language, verbal threats, and sexual behavior (including touching, gestures, writing, and dress).
- speak in a well-modulated tone of voice.
- observe the school dress code, including standards on no-uniform days.
- help care for school property and keep the school free from damage and defacement.
- Report concerns to an adult, especially if they witness what they know to be a violent or criminal act or become aware of a potentially violent or criminal act in school or at a school function

## **Extracurricular Activities (E.31)**

Students are encouraged to participate in the extracurricular activities of the school. Participation in these activities is a privilege. Students are expected to fulfill their obligations in the classroom (class work and homework). In order to participate in extracurricular activities, students must pass each subject on their report card and model acceptable behavior both during the school day and during the selected activity. Failure to meet academic or behavioral requirements will result in the student's suspension or dismissal from the activity. Participation in these activities requires a commitment of both student and parent. Attendance will be taken at each activity to determine a student's participation. In individual cases regarding participation in extracurricular activities, the principal holds the final determination.

## Faculty Meetings (D.9)

Faculty meetings are scheduled throughout the year. All children will be dismissed at 12pm on these days (or 11am if the meeting is held elsewhere besides OLQP) .

## Field Trips (E.10)

Field trips must serve an educational purpose and their value should be an integral part of the school's instructional program. They broaden the students' educational experiences. Field trips are privileges given to students; no student has a right to a field trip.

It is the policy of the schools within the Archdiocese that overnight trips, trips to water parks, amusement parks, dude ranches, beaches/pools, and ski slopes are strictly prohibited.

- Field trips are designed to correlate with teaching units and to achieve curricular goals.
- Field trips vary on each grade level.
- Field trips are permissible when advanced planning, location, and the experience ensure a successful learning opportunity.
- Individual teachers in consultation with the administration reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct or behavior.
- A written official permission slip, signed by the parent, is required before a child will be permitted to attend a field trip. Verbal or faxed permission cannot be accepted. Permission slips are due in the office 48 hours before the day of the trip.

## Financial Policies

We make every effort to keep tuition and fees as affordable as possible. We also understand the financial sacrifice that parents make to send their children to Catholic school. The majority of the School's funding is derived from tuition and fees. The school must operate in a financially sound manner in order to provide a top quality Catholic education for each and every one of our students.

The school's expectation at the time of registration is that all tuition and fees will be paid on time. Tuition is an annual charge that may be paid in monthly installments. Tuition must be paid directly to Smart Tuition by the designated due date.

**PLEASE NOTE:** All Kindergarten and Grade 8 tuition must be PAID IN FULL AND CLEARED on or before June 1, 2022. Please see **Appendix Page 49** for agreement.

**WITHDRAWALS AND REFUNDS**

Considerable effort and expense is expended throughout the registration period and continues during the summer months as we plan and prepare for your child's inclusion in our school community. We understand that plans and circumstances sometimes change. Should you decide to withdraw your child, the following policy applies.

- If written notice of withdrawal is received by the school on or before August 15, the entire tuition obligation will be waived, and any payments made will be refunded upon written request to the school
- If written notice of withdrawal is received by the school after August 15<sup>th</sup> and the student does not attend, 90% of the tuition will be forgiven. The family is obligated to pay the remaining balance of 10% of the annual tuition as billed. If payments were made in excess of 10% of the annual tuition, a refund for that amount will be refunded upon written request to the school.
- If a family chooses to withdraw their child(ren) from the school once they begin attending, the family tuition calculated as follows:

**Withdrawal Date**

September  
October  
November  
December  
January  
February  
March  
April  
May  
June

**Annual Tuition Obligation**

80% of tuition forgiven; family obligation 20%  
70% of tuition forgiven; family obligation 30%  
60% of tuition forgiven; family obligation 40%  
50% of tuition forgiven; family obligation 50%  
40% of tuition forgiven; family obligation 60%  
30% of tuition forgiven; family obligation 70%  
20% of tuition forgiven; family obligation 80%  
10% of tuition forgiven; family obligation 90%  
No adjustment; family obligation 100%  
No adjustment; family obligation 100%

## **DELINQUENCIES**

Failure to keep current with you tuition obligation jeopardizes your child(ren)'s placement in school. If tuition and fees cannot be paid on time, families must communicate with school administration in writing to prevent enforcement of delinquent tuition procedures.

- Families whose tuition payment is delinquent will receive a letter from Smart Tuition immediately following the due date.
- Families whose tuition payment is delinquent 60 days may receive a second letter; this letter will come from their principal, if a parent/guardian does not contact the principal within two weeks of receiving this letter, the child(ren) may not be permitted to attend classes.
- Failure to address the delinquent tuition payment/s as agreed with the principal may result in the child(ren)'s suspension.
- Records and report cards cannot be transmitted for students with delinquent tuition payments, and financial aid/scholarships provided will be at risk and may be rescinded.

- Families with delinquent tuition payments may be ineligible to re-register or apply for financial aid for the following school year.
- Students with delinquent tuition payments may not participate in school activities and graduation ceremonies.
- Three or more failed payments within a month will result in a change of payment terms.

## **FEES**

- Families are charged an annual \$40 Smart Tuition administrative fee upon activation of their account.
- Accounts with late payments will be assessed a late fee of \$40 for each late payment.
- Checks and electronic payments that fail (i.e. do not clear the bank) will result in a \$30 fee per occurrence.
- Families may be charged for other fees in addition to tuition (i.e. after school programs, meal programs, graduation, technology or other general fees). These fees are not refundable.
- Fees are not refundable. This includes the Registration Fee paid through TADS.
- Families with accounts requiring collection action will be responsible for paying all associated collection fees, attorney's fees and costs.

## **Tuition for K – 8**

UPK (universal pre-kindergarten) and 3-K For All is offered free for three and four year old students Monday to Friday.

Your participation in ongoing religious, educational, and voluntary programs of our school is vital to our school and to our children. We thank you for your cooperation and support you give to Our Lady Queen of Peace School.

## **Fire & Emergency Drills (E.25)**

Fire and Emergency drills at regular intervals are required by the law and are an important safety precaution. It is essential that when the fire signal is given, everyone obeys promptly and clears the building by the prescribed route as quickly as possible. Students are not permitted to talk during a fire drill and are to remain outside the

building until a signal is given to return inside. Teachers will direct the students. For other emergency drills (e.g. lockdown drills), students are expected to remain quiet and follow teacher directions.

## **Guidance (D.4)**

**A guidance program is a resource available to the school students. Service may include counseling, psychological intervention and support for families experiencing change.**

## **Guidelines for the Education of Non-Catholics (A.5)**

Parents must be made aware of the intentional Catholic witness in our schools. As a Catholic school within the Archdiocese of New York, our school has as its primary mission the formation of children in the Catholic faith.

All children will participate in total academic life of our school, including religious education. According to the norms of our Church, it is expected that non-Catholics participate as fully as they can in the liturgical and prayer life of the school.

The religious educators of our schools are committed to teaching the fullness of revelation as it is taught by the Roman Catholic Church and as the life and doctrine are set forth in the Religious Education Guidelines of the Archdiocese of New York. While our teachers value ecumenical education, and respect the traditions of other ecclesiastical communities, they always teach within the context of fidelity to the doctrine and traditions of our teaching church.

## **Harassment/Bullying Policies (E.17, E.18)**

All persons have a right to be treated with dignity and in a Catholic school environment all demeaning behavior is unacceptable. Students, parents or guardians who become aware of acts of bullying or harassment involving any student must report these incidents to the principal.

The school provides a safe environment for all and participates in the ADAPP anti-bullying curriculum annually. Verbal, internet, telephone, or written threats made against the physical or emotional well-being of any individual are taken seriously. Students making such threats, even in jest, face appropriate disciplinary action including detention, suspension, or expulsion. The principal investigates all complaints of harassment and bullying. Students determined to have been involved in harassing and/or bullying behavior are subject to detention, suspension, or expulsion and, where appropriate, will be referred for counseling services and/or to the local authorities.

Harassment, intimidation or bullying includes, but is not limited to, written, verbal, or physical acts, which physically harm a student or damages the student's property or has the effect of substantially interfering with a student's education or is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment or has the effect of substantially disrupting the orderly operation of the school. Harassment, intimidation or bullying can take many forms including; slurs,

rumors, jokes, innuendos, demeaning comments, drawings, pranks, gestures, exclusion or other forms of relational aggression, or physical attacks, actions or threats. Actions may take any form including written, oral, physical or electronic.

These behaviors, which are contrary to the teachings of the Catholic Church, are prohibited in all Catholic schools in the Archdiocese of New York and will not be tolerated regardless of time or place.

No student shall be subjected to bullying and harassment on the basis of actual or perceived traits or characteristics i.e., age, color, creed, national origin, race, religion, gender, physical attributes, physical or mental ability, ancestry, political beliefs, socioeconomic status, or familial status.

## **HIV/AIDS Curriculum (E.24)**

The Archdiocese of New York and the NYS Education Department mandate that all schools within the Archdiocese are to give age-appropriate instruction on *HIV* and *AIDS* to all students in Grades K–12. The schools within the Archdiocese use an HIV/AIDS Handbook developed and approved by the Catholic Bishops of the State of New York.

Schools under the authority of the Office of the Superintendent of Schools of the Archdiocese of New York do not discriminate on the basis of HIV or AIDS. Students with HIV or AIDS shall not be excluded from school by reason of infection with HIV unless the following conditions are evident as determined by the student's physician and parents (or legal guardian), together with the school administration.

- The student is not toilet-trained or is incontinent, or unable to control drooling.
- The student is physically aggressive, with a documented history of biting or harming others.

## **Illness (see Medication) (E.26)**

If a child has an illness or chronic medical condition it is the parent's responsibility to notify the school and to provide necessary documentation and medication. The school reserves the right to call 911 in any case of a medical emergency.

## **Immunizations (E.24)**

Students are required to have all inoculations as required by the Department of Health before admission to and for continued attendance at the school. See appendix for most current information published by NYC and NYS Departments of Health. It is the responsibility of the parents and their personal physician to ensure that as immunization requirements change, students are kept current in their schedule.

## Lateness (E.6)

Student lateness interrupts the learning process for your child and all other children in that classroom. Any student arriving at school after the published opening time is considered late. If late, the student may be admitted to class only with a late pass, obtainable in the main office. Repeated lateness affects your child's ability to be on the honor roll, may lead to disciplinary action and could impede your child's re-registration for the coming year.

## Liturgy/Religious Education (A.4)

All Catholic elementary schools will follow and adhere to current Archdiocesan policies and curriculum guidelines in religion.

Students in grades 3 through 8 are required to take a Mid-Term Religion Examination and the Archdiocesan Final Religion Examinations.

Non-Catholic students are expected to participate in the religious formation and education programs of the school, including, but not limited to, liturgies, religious functions, and religion classes for credit.

Parents of non-Catholic students must be willing to accept the standards, values, and regulations of the school. They must understand and agree to the religious education program of the school at the time of enrollment.

## Lunchroom

This school provides a hot lunch through Nucci's Restaurant. If you wish your child to participate in the hot lunch program, you must register online <https://MyMealOrder.com>

- Each child is assigned a seat in the lunchroom and is expected to remain in the assigned seat until dismissed.
- It is the responsibility of the individual child to keep the area clean.
- Respect and obedience are to be shown at all times to those who work in the lunchroom.
- In good weather, the children go directly from recess (schoolyard) to the lunchroom or vice versa.
- For the safety of all the students, children are not allowed to be picked up during the lunch period. Parents who have a pre-determined early dismissal must arrange for the child's pickup before or after the designated lunch period.
- Students **are not permitted to have "fast food" lunch delivered** by anyone at any time throughout the school day.

## Maternity/Paternity Policies (E.22)

As members of the Church committed to the preservation of life at all levels, the Catholic school must act in ways consistent with that commitment. Catholic schools, elementary as well as secondary, are faced sometimes with the situations of unwed mothers and fathers. School officials will consider carefully the consequences of any policies that are adopted. At the very minimum, students will be encouraged to finish their work and to receive grades and diplomas. The decision concerning a student's continued school attendance is made by the principal after consultation with his/her parents or guardians, and in consideration of the best interest of the student, the unborn child, and the school's educational expectations.

## Student Abortion Policies (E.23)

### *Rationale:*

*The Catholic Church teaches definitively and without question that life begins at conception. Pope John Paul declared that the Church's teaching on abortion is "unchanged and unchangeable... since it is the deliberate killing of an innocent human being."*

### *Policies:*

1. If a student decides to obtain an abortion, and if a school learns of it after the fact, she will be allowed to return to school only if she accepts counseling from a counseling program approved by the Office of the Superintendent of Schools.
2. If a student refuses counseling, she will not be allowed to continue as a student at the school.
3. The counseling requirements stated in Policies 1 and 2 also apply to the student who is considered the paternal father.

### *Guideline:*

1. In the event a student decides to obtain an abortion despite being counseled by the school beforehand, the continued status of the student's enrollment in the school will be determined by the school administration. Factors such as the parents' role in the decision to abort should be taken into consideration.

## Medications (E.26)

If a student needs any kind of medication during the school day, it is the parent/guardian's responsibility to bring the medication to the school nurse (or school office in the absence of a nurse) to be kept there. A written statement from the parent or guardian requesting administration of the medication in school as ordered by the licensed prescriber is required.

Medication must be presented in a properly labeled container. Prescription medication must be in the original container. On the prescription medication the pharmacy label should display:

- student name
- name and phone number of the pharmacy
- licensed prescriber name
- date and number of refills
- name of the medication and dosage
- frequency of administration

Medication should not be transported daily to and from school. Parents should be advised to ask the pharmacist for two containers – one for home and one for school.

The school may receive a written request from a parent or physician to permit a student to carry and self-administer his or her own medication. Under certain circumstances it may be necessary to do so. Such a decision will be made on a case-by-case basis and will reflect the age and maturity of the child, as well as:

- severity of health care problem, particularly asthmatic or allergic conditions
- prescriber order directing the student be allowed to carry his/her medication
- written statement from parent requesting compliance with prescriber order
- student has been instructed in the procedure for self-administration and can assume this responsibility
- parent contact is made to clarify parental responsibility in monitoring the child on an ongoing basis to ensure the child is carrying and taking the medication as ordered.

## Money

Money that is brought to school for a specific purpose (class trip, book fair, etc.), must be put into an envelope with the child's name, grade and amount. If a student does bring money to school the money should be kept on the student's person and not left in the school bag, coat pocket, lunch box, or desk. The school cannot be responsible for lost money.

## Parents as Partners (A.1, H.4)

Just as the parents look to the school to provide the facilities and the trained personnel that are essential to their child's proper development, so the school looks to the parents to assume active responsibilities that cannot be delegated to others.

No school can be wholly effective in teaching the values of religion and the virtues of honesty, respect for authority, consideration for the rights and property of others, and standards of personal morality and integrity unless these principles have been established, upheld, and valued in the home. If parents cooperate with the school, instill respect for the integrity of its teachers and administration, and actively support their authority in the home, this is likely to be reflected in the positive attitudes of their children. Parents are invited and encouraged to participate in the spiritual and academic programs developed for the education of their children. The wide spectrum of

this involvement includes participation in school celebrations of prayer and liturgy, volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home, and active involvement in the school's parent/teacher organization.

Parents are asked to take an active role in their child's education by:

- assisting their child in his/her academic and moral development by carefully reviewing class work, test results, progress reports, and report cards; supervising home study; and reinforcing school policies.
- explaining and reviewing periodically the school behavior code with their child. Parents should discuss school disciplinary episodes in relation to the school behavior code.
- recognizing their child's talents and interests so they may be developed in cooperation with the classroom teachers.
- seeing that the dress code, including gym uniform, is enforced, and insisting that children dress according to Christian virtue.
- insisting on their child's regular school attendance and punctuality and on complying with attendance rules and procedures.
- making all tuition and fee payments on time, and participating in fund-raising activities.
- providing proper supervision at home, and not tolerating harassment, inappropriate or violent behavior, or viewing of such in videos, movies, song lyrics, and on the Internet.
- teaching their child respect for law, for authority, for the rights of others, and for public and private property. This includes showing respect for the work of others by not tolerating cheating in any circumstance.
- arranging for a time and place for their child to complete homework assignments.
- working with the school in a cooperative effort to carry out recommendations made in the best interest of their child, including those related to educational evaluations and counseling.
- attending all Parent-Teacher Conferences and Home-School Association meetings.
- by always interacting in a respectful manner when speaking with or about the administration, teachers and staff of the school. Verbal abuse or physical

harassment may result in your child being required to withdraw from the school immediately or not being allowed to re-register for the following year.

The education of a student is a partnership between the parents and the school. Just as the parent has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irreparably broken.

## **Parent Organizations (H.4)**

A Home-School Organization provides an effective channel of communication between parents and teachers for the benefit of the students and the whole community. Its main purposes are:

- to create mutual support and understanding between home and school, and thus bring about a total learning environment for students
- to provide a means for keeping parents informed of school activities, programs, etc., and if any, parent service requirement
- to assist the school in meeting its financial obligations, primarily through fund-raising activities
- to provide adult education programs

## **Philosophy and Goals (Forward)**

The school endorses the call of the Catholic Bishops of the United States to express its educational ministry through the three objectives: personal spirituality, social justice, and a strong academic program in accord with Christian values. This commitment extends to building Christian community and to fostering Christian service to the whole human family.

## **Re-registration (E.1, E.14, G.5)**

At the time of re-registration parents will be notified if their child is being invited to return to the school in September or if the child is not being invited back. If the re-registration fee is not completed by the due date as outlined by the school, we cannot guarantee a seat for your child in the upcoming school year.

## **Release of Students (during school day) (E.6)**

The school has a sign-out book located in the main office.

Occasions for the use of a sign-out book are:

- in the event of a student illness the parent or an adult designated by the parent must come to the school and take the child. It is against the law to

dismiss a child during school hours except into the direct custody of a parent, guardian, or an adult designated by the parent. If the parent cannot be contacted, the secretary will contact the name listed on the child's emergency contact slip. Emergency slips are completed in September and must be updated as necessary.

- for liturgies and services when altar servers leave the school, the students will sign out and in.
- when a student is released to a parent or guardian, that adult (must be 18 years of age or older) must sign the book.
- for a prearranged appointment when the student is released, the parent, guardian, or approved adult must sign the book. **[Please note: only the principal may approve the release of a student for a prearranged appointment.]**

## School Calendar

**A yearly calendar is distributed at the beginning of the school year. Please refer to the School Monthly Calendar/Newsletter for any revisions to the Yearly School Calendar.**

The Mid-Year and End-Year Examination schedule for Grades 6-8 will be posted on the school website ([www.olqpsi.com](http://www.olqpsi.com)) when dates have been finalized.

## School Publications (H.3)

All student or parental publications are subject to review and by the school approval administration prior to publication. The principal must have on file all current log-in information for any digital publication, email or social media accounts that represent or use the school name. Parents, volunteers and external consultants must submit any and all postings for approval in advance. Maintaining a positive public image for the school is the responsibility of the principal and Superintendent's staff.

## School's Right to Amend

The school reserves the right to amend this handbook without prior notice. Notice of amendments will be sent as necessary.

## Security (E.27)

To assure the security of the building and the safety of each child, the school strongly enforces its policy of requiring all visitors, even parents, to report to the office.

To avoid interruption of the learning process, no one may enter a classroom without permission of the principal.

The school has a crisis management manual and each classroom has a school emergencies resource flipbook.

## **Sex Offender Policy (B.11)**

This notice is to remind you of the importance of taking steps to keep your child safe when he or she is involved in outdoor activities, including traveling to and from school. The following are some safety tips that we hope you will share with your children:

- Students should never go home with strangers.
- Students should never talk to strangers.
- Students should never take things from strangers.
- If students are approached by strangers and are still near the school, they should be encouraged to return to the school and immediately inform a staff member.
- Young students should be escorted to and from school.
- Older children should be encouraged to walk/travel to school in groups whenever possible.

The teachers at our school will also remind students of the importance of not responding to strangers and actions each child should take if approached by a stranger, including reporting it to responsible adults.

In addition, over the course of the school year, we may receive from the local police department notification under the New York State Sex Offender Registration Act that a registered sex offender has moved into the region where our school is located. Copies of all the notifications we receive will be kept accessible to parents in the principal's office. You can also find information about registered sex offenders on the NYS Division of Criminal Justice Services website, located at **<http://www.criminaljustice.state.ny.us> -- or by calling 1-800-262-3257.**

Finally, if our school is notified during the school year that a registered sex offender has moved within the vicinity of our school, further notice will be sent to you.

These procedures are part of our continuing effort to provide a safe environment for all children in this school.

## **Smoking (E.15)**

New York State Law prohibits smoking in a school building and on school property. Smoking is prohibited at all times in the school building, on its parking lot and playing fields. This prohibition applies to faculty, staff, parents, and all visitors to the school. Smoking on the sidewalk in front of the school building is not allowed. This policy

includes cigarettes, vaping paraphernalia, cigars, pipe or any other matter or substance containing tobacco, as well as the use of electronic cigarettes (e cigarettes), personal vaporizers, vape pens, e-cigars, e-hookah, vaping devices, mod systems, pod systems or any similar system.

## **Special Learning Needs (F)**

Students with learning differences are children of God and members of the Church. The school makes every effort to meet individual student needs by providing accommodations. Sometimes, however, a student may have needs that do not permit him or her to benefit fully from the program. In those cases your child's teacher and/or principal may schedule a meeting with you to discuss having an evaluation of your child's learning needs. Such evaluations can be done through the local public school district, i.e., Committees on Special Education (CSE's), or privately.

Once the results of the evaluation are available, parents/guardians are obligated to share educational/psychological testing results and any resulting plan with the school. The parent/guardian must make an appointment to meet with the principal to discuss the results of the evaluation and the recommendations, and provide a copy of the Individualized Education Services Plan (IESP).

If a student transfers in from a public school with an Individualized Education Plan (IEP), the parent/guardian must go back to the Committee on Special Education (CSE) to get an IESP.

When a student qualifies for a 504 Plan, the principal will meet with the parent/guardian to review and discuss the 504 Plan, and will then notify the parent of any reasonable accommodations/modifications that can or cannot be made at the school. If reasonable accommodations can be made, a Student Assistance Plan (SAP) will be written and a copy of the plan will be placed in the student's confidential file. The accommodation/modifications will be reviewed yearly. If the school cannot make reasonable accommodations, the school reserves the right to negate enrollment of the student.

## **Summer School (G.4, G.5)**

Since most summer schools offer reading, mathematics, and language arts, a student who has failed in one or more of these subjects in three marking periods of the report card will be required to take a remedial course during the summer. Summer school also may be recommended due to poor performance on standardized tests or in the classroom.

In May, a list of available summer schools in the Archdiocese will be available upon request. Whenever the administration becomes aware of quality programs suited to the specific needs of a child, the principal or the assistant principal will notify the parent directly.

The summer school report card must be submitted to the office in September.

Failure to attend summer school will result in retention. It is the parent's responsibility to provide documentation that summer school has been successfully completed. In cases in which tutoring is allowed for the remediation, it must be undertaken by a qualified teacher.

## **Telecommunications Policy (E.29)**

### **Student Expectations in Use of the Internet**

See page 42-43 for complete policy requiring student's signature.

### **Use of School Grounds**

Unless students are formally registered for before or after school programs, the school does not have staff available to supervise students present on the school grounds before 7:35 AM and after 2:45 PM. **Students must not arrive on the school grounds prior to 7:35 AM and parents must arrange to pick up at dismissal times.**

### **Withdrawals and Transfers (G.3)**

A transfer request must be obtained from the school secretary. All books must be returned. All bills must be paid before records are transferred to another school. When a student transfers from one school to another, or enters high school, the new school may request a copy of the permanent record and health card from the former school.

Schools may disclose a student's cumulative record (i.e. permanent record, attendance record, test results) to another school with legitimate educational interest if a written request is made and when a custodial parent/guardian has given written permission for the release of the child's records. Parent/guardian signature is required for release of a student's confidential file (i.e. special education records, psychological reports, disciplinary records, anecdotal information, or reports by the school counselor).

At the discretion of the principal, each school has the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a diploma to the student, if there has been a breach of a material condition of the educational contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct, etc.).

The school reserves the right to request the parent to withdraw his/her child from the school due to serious disciplinary issues.

## Summary Statement

Once students have met the necessary admission requirements and have been accepted in the school, the school warmly welcomes these students for the coming school year and will strive to provide them with a solid Catholic spiritual and academic education in a supportive learning environment. Students and parents must always be mindful that attendance at the school is by invitation. It is not a "right" because this is a private school. Admission to and continued enrollment in this school include responsibilities regarding conduct, both inside and outside the classroom and school, and students are expected to conduct themselves in such a manner as to be a credit both to themselves and to their school.

In order to protect its standards of scholarship, discipline and character, the school reserves the right, and students and parents or guardians concede to the school the right to require the withdrawal of any student at any time, for any reason deemed sufficient in the sole discretion of the school and its administrators. By the student's attendance at the school, a student and his or her parents or guardians acknowledge the important obligations and restrictions contained in this handbook and agree to be bound by the terms of this handbook.

Students attending the school relinquish certain rights they might otherwise be entitled to if they were attending a public school. For example, a student's freedom of speech is limited in many important respects here at our school. Speech, either written or oral, contrary to the Roman Catholic faith, the teachings of the church or the directives of the local Bishop or Ordinary is prohibited, as is any other speech which is contrary or disruptive to the philosophy and purposes of our school. Another important right all students at the school surrender involves searches and seizures. School administrators may search a student's person and belongings if there is a reasonable belief, in the sole opinion of the school administrator, that contraband, illegal substances or inappropriate objects are being concealed. Any unauthorized items found may be seized. Additionally, student desks and lockers, which are at all times under the joint control of the school and the student to whom the desk or locker has been assigned, may be searched by school administrators at any time, for any reason or for no reason at all. Students should have absolutely no expectation of privacy with regard to any item in their desks or lockers.

Another important right that a student and his or her parents or guardians give up when they decide to have a student attend this school is the right to sue the school, the parish, the Catholic School Region Corporation, or the Archdiocese of New York, and/or any individuals acting on behalf of the school, such as the school administrators, teachers, staff or any of their agents for any matter relating to academic or disciplinary decisions or other matters covered within this handbook. Each student and his or her parents or guardians, by their acceptance of enrollment at the school agree to and accept the school's rule and policy that students, parents and guardians may not bring any civil action in any local, state or federal court or in any administrative agency or body to challenge any school decision on academic or disciplinary matters, including any decision relating to the rules, regulations, procedures or programs covered within this handbook. Students and parents or guardians agree that any challenge to any school academic or disciplinary action or relating to the rules, regulations, procedures or programs covered in this handbook may only be challenged or appealed within the

hierarchy of the school, subject to the limitations contained in this handbook. This includes any decision relating to a student's enrollment at the school or termination of that enrollment.

While any student and his or her parents or guardians are of course free to consult with legal counsel regarding any school decision taken with respect to a student, the school emphasizes that students and parents or guardians are not permitted to have legal counsel present during any meetings with school administrators. School administrators are not obligated to meet with legal counsel at any time.

There are several grounds for disciplinary action or expulsion set forth in the "Discipline Codes" section of this handbook. It should be noted, however, that any listing of prohibited conduct is set forth by way of example only and to provide guidance to the student and his or her parents or guardians. It is not meant to be an exhaustive listing of improper conduct or resultant disciplinary action.

## Telecommunications Policy

### Student Expectations in Use of the Internet

#### Our Lady Queen of Peace

The use of the Internet is a privilege, not a right, and inappropriate use or violation of any of the following standards will result in serious consequences and could result in expulsion from the school.

1. Use of the computer at school is limited to school related activities. Internet users are expected to behave responsibly in accessing and viewing information that is pertinent to the mission of the school.
2. Vandalism and other infractions of school policy while using the Internet will result in immediate cancellation of privileges along with disciplinary action.
3. After School/Home Access requires students to follow the same student expectations as stated in the "Discipline Code for Student Conduct" and "Harassment Policies" in the student handbook.
4. **Students must abide by the generally accepted rules of network etiquette both inside and outside school.**
5. Students are responsible for their explorations on the Internet and are subject to the consequences of the school's discipline policy.
6. Students must sign a contract indicating their understanding and acceptance of the school's guidelines (see parent/student handbook).
7. Parents must give their permission for their child to use the Internet for educational purposes as an individual by signing the Contract Form once conditions are clearly understood. Parents also have the option of denying permission for their child to use the Internet independently at school

#### *Standards of Behavior*

- Be courteous and respectful in your messages to others.
- Use appropriate language. Do not use vulgar, harassing, obscene, threatening, bullying, abusive, or sexually offensive language, or make any statements that are slanderous or disparaging of any students or adults.
- Never visit inappropriate or offensive websites.
- Never download materials from inappropriate or offensive websites.
- Never expose yourself in an inappropriate, vulgar, or sexually offensive manner on any website or via e-mail, either in pictures or videos.
- Illegal activities are strictly forbidden.
- Do not reveal your home address or phone number, or that of other students or staff.
- Note that electronic mail (e-mail) is not guaranteed to be private. People who operate the system do have access to all mail. Messages related to or in support of illegal activities may be reported to the authorities.
- Proofread your message before you send it.
- Never agree to get together with someone you "meet" on-line.
- Only public domain software ("shareware") can be downloaded.
- Copyright laws must be respected. Do not make-unauthorized copies of software and do not give, lend, or sell copies of software to others.
- Do not use the Network/Internet for illegal activities.

- Software applications and games from home may not be used on school equipment without proof of licensure and prior approval of appropriate school personnel.
- Do not reveal personal passwords, use or try to learn others' passwords. Do not copy, change, read or use another user's files without prior permission from that user. Do not attempt to gain unauthorized access to system programs for computer equipment.
- Do not post personal messages on bulletin boards "list servers or social media platforms." Send personal messages directly to the person to whom you want to write.
- Do not use the network in such a way that you would disrupt the use of the network for other users.
- Do not waste or take supplies such as paper, printer cartridges, and diskettes that are provided by the school.
- Talk softly and work in ways that will not disturb other users. Keep computer work areas clean and do not eat or drink in the computer lab.
- If students encounter material on a network/bulletin board that is not appropriate (vulgar jokes, statements of belief that some might consider immoral, etc.), the student is responsible for not pursuing this material and reporting the matter to appropriate school personnel.
- The use of cell phones, camera phones or other digital media is prohibited during the school day. Cell phones, camera phones, or other personal electronic devices will be confiscated if students use them during the school day without permission. In addition, any student who uses a camera, camera phone or other personal electronic devices in school or in the classroom for any reason will be suspended. Further disciplinary measures including expulsion, will be considered depending on the nature of the camera, camera phone, or personal electronic device use.
- Technology Use outside normal academic hours and/or off school grounds (including but not limited to cell phones, e-mail, text messages, camera-phones, cameras, iPads, iPhones, etc., are subject to the same guidelines as previously cited in the "Discipline Code for Student Conduct," "Harassment Policies," and the "Summary Statement.
- The school reserves the right to seek financial restitution for any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request the system administrator to deny, revoke, or suspend specific privileges. Violation of the rules and code of ethics described above will be dealt with seriously.
- *Transmission of any material in violation of any U.S. or state regulation is prohibited.* This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. The use of school computers and networking resources for commercial activities is not permitted. Their use for product advertisement or political lobbying is also prohibited.

## **Title I Participation Notice**

Dear Parent/Guardian(s):

Your child may be eligible to participate in the New York City Department of Education's Office of Nonpublic Schools Title I Program for the 2022-2023 school year, a federal program that provides supplemental educational services to eligible students at no cost to you, the parent/guardian(s). The Title I program is designed to enable all students to obtain a high quality education. Your child's school is working with a third-party vendor to provide the supplemental educational services.

Your child may be enrolled in one or more of the Title I programs listed below:

1. Literacy Instruction Services
2. Mentoring Services
3. Math Instruction Services
4. Tutoring Services
5. Distance Learning Services
6. Academic Counseling Services
7. Additional services not listed above as determined in consultation with the Superintendent of Schools Office, Regional Superintendent and Principal

**Title I Literacy Instruction Services:** Your child will receive direct instruction aimed at improving literacy skills, including but not limited to, comprehension, fluency and writing across content areas. This service may be provided after school.

**Title I Math Instruction Services:** Your child will receive direct instruction aimed at improving math concepts and skills. This service may be provided after school.

**Title I Mentoring Services:** Your child will receive support aimed at improving academic skills, including but not limited to, communication and organizational skills. This service may be provided after school.

**Title I Tutoring Services:** Your child will receive support aimed at improving student learning across a variety of subjects. This service may be provided after school.

**Title I Distance Learning Services:** Your child will receive online and direct instruction aimed at improving math/literacy concepts and skills. This service is provided through a web-based computer platform before school, after school or during non-instructional periods.

**Title I Academic Counseling Services:** Your child will receive academic counseling supports during the school day or after school to assist with mitigating any barriers to learning. This service is provided in a separate location from their regularly scheduled instructional periods.

## **DATA PRIVACY CONSENT FORM** **for Our Lady Queen of Peace School**

Our Lady Queen of Peace puts premium value to the privacy and security of personal data entrusted by its students and parent/guardian for legitimate purposes in connection with the Technology Use/Telecommunications Policy and any hardware and software used in connection therewith.

When we speak of “personal data”, the term includes the concepts of personal information, sensitive personal information, and privileged information. The first two are typically used to distinctively identify you.

### **Processing of Personal Data**

A. Collection of Information. We collect your personal data that you provide to us during your application for admission, information we acquire or generate upon enrollment, and during the course of your education with us in order to carry out the purposes associated with our Technology Use/Telecommunications Policy.

1. Information you provide us during your application for admission. Upon application for admission, we collect information about personal circumstances and contact information, including, but not limited to, name, address, email address, telephone number and other contact details, family history, previous schools attended, academic performance, disciplinary record, medical record, etc.
2. Information we acquire or generate upon enrollment and during the course of your education with us. Upon enrollment and during the course of your education with us, we collect information on your academic or curricular undertakings, the classes you enroll in and scholastic performance, attendance record, medical record, etc. We will also collect information for and in relation to co- curricular matters, such as outreach activities, as well as extra-curricular activities, such as membership in student organizations, leadership positions and participation and attendance in seminars, competitions, and programs. We will also collect information in connection with any disciplinary incident, including accompanying sanctions that you may be involved in. We will also collect information in connection with your use of hardware and software provided to you during the course of your education with us, including, but not limited to, address, telephone number, email address, other unique identifier, passwords or PINs, and account credentials (e.g., username and password).

B. Access to Information. Your personal information is accessed and used by us. We use and share your information as permitted or required by law to pursue our legitimate interests as an educational institution, including a variety of academic, administrative, historical, and statistical purposes. Some examples of situations when we may use your information to pursue our legitimate interests as an educational institution are as follows:

1. evaluating applications for admission.

2. processing confirmation of incoming students and transfer students in preparation for enrollment.
3. recording, generating, and maintaining student records of academic, co-curricular and extra- curricular progress.
4. establishing and maintaining student information systems.
5. maintaining directories and records.
6. compiling and generating reports for statistical and research purposes.
7. providing services such as health, counseling, information technology, library, sports/recreation, transportation, safety, and security.
8. managing and controlling access to campus facilities and equipment.
9. communicating official school announcements; sharing marketing and promotional materials regarding school-related functions, events, projects, and activities; and
10. soliciting your participation in research and non-commercial surveys.

C. Sharing of Information. Some examples of when we may share or disclose your personal information to others include:

1. sharing of information to persons, including parent/guardian, or next of kin, as required by law or on a need-to-know basis as determined by the school to promote your best interests, or protect your health, safety, and security, or that of others.
2. providing academic institutions, companies, government agencies, private or public corporations, or the like, upon their request, with scholastic ranking information or certification of good moral character for purposes of admission.
3. reporting and/or disclosing information to government bodies or agencies (e.g., Commission on Higher Education, Department of Education); and
4. conducting research or surveys for purposes of institutional development; and
5. sharing of information to various third-party vendors who provide services associated with our Technology Use / Telecommunications Policy and any hardware and software used in connection therewith.

## Data Protection

We shall implement reasonable and appropriate organizational, physical, and technical security measures for the protection of personal data which we collected. The security measures shall aim to maintain the availability, integrity, and confidentiality of personal data and are intended for the protection of personal data against any accidental or unlawful destruction, alteration, and disclosure, as well as against any other unlawful processing. We only permit your data to be accessed or processed by authorized personnel who hold such information under strict confidentiality, including all third-party vendors.

Any data security incident or breach that comes to the knowledge of us will be recorded and reported as required by law. We will take all necessary and reasonable steps to address such incident or breach and mitigate any negative effect of such incident or breach. If there is strong suspicion that an incident affects your personal information, we will notify you of such incident in an appropriate manner.

## Consent

I have read this form, understood its contents and consent to (a) the collection, use, processing and transfer by [SCHOOL] of certain personal information about you (the "Data"); (b) any transfer of Data by any such authorized person for the purposes of implementing, administering and managing the purposes outlined above; (c) the use of such Data by any such authorized person for such purposes; and (d) the transfer to and retention of such Data by third parties in connection with such purposes. I further agree and acknowledge that while [SCHOOL] has taken all necessary and reasonable steps to ensure that all third parties protect such Data, [SCHOOL] has no control over how the third party will use or disseminate my information. I agree to release and hold harmless [SCHOOL], its representatives, officers, employees, contractors, agents, and assignees, from any and all claims of action or damages of any kind arising from, or in any way connected to, the release or use of any information or records by any third party pursuant to this form and as allowed by all applicable laws.

## New York State Immunization Requirements for School Entrance/Attendance<sup>1</sup>

**NOTES:**

All children must be age-appropriately immunized to attend school in NYS. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine must be in accordance with the ["ACIP-Recommended Child and Adolescent Immunization Schedule."](#) Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes must meet the immunization requirements of the grades for which they are age equivalent.

**Dose requirements MUST be read with the footnotes of this schedule**

Vaccines	Pre-Kindergarten (Day Care, Head Start, Nursery or Pre-K)	Kindergarten and Grades 1, 2, 3, 4 and 5	Grades 6, 7, 8, 9, 10 and 11	Grade 12
Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (DTaP/DTP/Tdap/Td) <sup>2</sup>	4 doses	5 doses or 4 doses if the 4th dose was received at 4 years or older or 3 doses if 7 years or older and the series was started at 1 year or older	3 doses	
Tetanus and Diphtheria toxoid-containing vaccine and Pertussis vaccine adolescent booster (Tdap) <sup>3</sup>		Not applicable	1 dose	
Polio vaccine (IPV/OPV) <sup>4</sup>	3 doses	4 doses or 3 doses if the 3rd dose was received at 4 years or older		
Measles, Mumps and Rubella vaccine (MMR) <sup>5</sup>	1 dose	2 doses		
Hepatitis B vaccine <sup>6</sup>	3 doses	3 doses or 2 doses of adult hepatitis B vaccine (Recombivax) for children who received the doses at least 4 months apart between the ages of 11 through 15 years		
Varicella (Chickenpox) vaccine <sup>7</sup>	1 dose	2 doses		
Meningococcal conjugate vaccine (MenACWY) <sup>8</sup>		Not applicable	Grades 7, 8, 9, 10 and 11: 1 dose	2 doses or 1 dose if the dose was received at 16 years or older
Haemophilus influenzae type b conjugate vaccine (Hib) <sup>9</sup>	1 to 4 doses	Not applicable		
Pneumococcal Conjugate vaccine (PCV) <sup>10</sup>	1 to 4 doses	Not applicable		

1. Demonstrated serologic evidence of measles, mumps or rubella antibodies or laboratory confirmation of these diseases is acceptable proof of immunity to these diseases. Serologic tests for polio are acceptable proof of immunity only if the test was performed before September 1, 2019, and all three serotypes were positive. A positive blood test for hepatitis B surface antibody is acceptable proof of immunity to hepatitis B. Demonstrated serologic evidence of varicella antibodies, laboratory confirmation of varicella disease or diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.
2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
  - a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at 2 months, 4 months, 6 months and at 15 through 18 months and at 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
  - b. If the fourth dose of DTaP was administered at 4 years or older, and at least 6 months after dose 3, the fifth (booster) dose of DTaP vaccine is not required.
  - c. Children 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td or Tdap vaccine. If the first dose was received before their first birthday, then 4 doses are required, as long as the final dose was received at 4 years or older. If the first dose was received on or after the first birthday, then 3 doses are required, as long as the final dose was received at 4 years or older.
3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) adolescent booster vaccine. (Minimum age for grades 6 through 9: 10 years; minimum age for grades 10, 11, and 12: 7 years)
  - a. Students 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.
  - b. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series, as described above. In school year 2023-2024, only doses of Tdap given at age 10 years or older will satisfy the Tdap requirement for students in grades 6 through 9; however, doses of Tdap given at age 7 years or older will satisfy the requirement for students in grades 10, 11, and 12.
  - c. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.
4. Inactivated polio vaccine (IPV) or oral polio vaccine (OPV). (Minimum age: 6 weeks)
  - a. Children starting the series on time should receive a series of IPV at 2 months, 4 months and at 6 through 18 months, and at 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
  - b. For students who received their fourth dose before age 4 and prior to August 7, 2010, 4 doses separated by at least 4 weeks is sufficient.
  - c. If the third dose of polio vaccine was received at 4 years or older and at least 6 months after the previous dose, the fourth dose of polio vaccine is not required.
  - d. For children with a record of OPV, only trivalent OPV (tOPV) counts toward NYS school polio vaccine requirements. Doses of OPV given before April 1, 2016, should be counted unless specifically noted as monovalent, bivalent or as given during a poliovirus immunization campaign. Doses of OPV given on or after April 1, 2016, must not be counted.
5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)
  - a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
  - b. Measles: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
  - c. Mumps: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
  - d. Rubella: At least one dose is required for all grades (prekindergarten through 12).
6. Hepatitis B vaccine
  - a. Dose 1 may be given at birth or anytime thereafter. Dose 2 must be given at least 4 weeks (28 days) after dose 1. Dose 3 must be at least 8 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than age 24 weeks (when 4 doses are given, substitute "dose 4" for "dose 3" in these calculations).
  - b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.
7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)
  - a. The first dose of varicella vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
  - b. For children younger than 13 years, the recommended minimum interval between doses is 3 months (if the second dose was administered at least 4 weeks after the first dose, it can be accepted as valid); for persons 13 years and older, the minimum interval between doses is 4 weeks.
8. Meningococcal conjugate ACWY vaccine (MenACWY). (Minimum age for grades 7 through 10: 10 years; minimum age for grades 11 and 12: 6 weeks).
  - a. One dose of meningococcal conjugate vaccine (Menactra, Menveo or MenQuadfi) is required for students entering grades 7, 8, 9, 10 and 11.
  - b. For students in grade 12, if the first dose of meningococcal conjugate vaccine was received at 16 years or older, the second (booster) dose is not required.
  - c. The second dose must have been received at 16 years or older. The minimum interval between doses is 8 weeks.
9. Haemophilus influenzae type b (Hib) conjugate vaccine. (Minimum age: 6 weeks)
  - a. Children starting the series on time should receive Hib vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.
  - b. If 2 doses of vaccine were received before age 12 months, only 3 doses are required with dose 3 at 12 through 15 months and at least 8 weeks after dose 2.
  - c. If dose 1 was received at age 12 through 14 months, only 2 doses are required with dose 2 at least 8 weeks after dose 1.
  - d. If dose 1 was received at 15 months or older, only 1 dose is required.
  - e. Hib vaccine is not required for children 5 years or older.
  - f. [For further information, refer to the CDC Catch-Up Guidance for Healthy Children 4 Months through 4 Years of Age.](#)
10. Pneumococcal conjugate vaccine (PCV). (Minimum age: 6 weeks)
  - a. Children starting the series on time should receive PCV vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.
  - b. Unvaccinated children ages 7 through 11 months are required to receive 2 doses, at least 4 weeks apart, followed by a third dose at 12 through 15 months.
  - c. Unvaccinated children ages 12 through 23 months are required to receive 2 doses of vaccine at least 8 weeks apart.
  - d. If one dose of vaccine was received at 24 months or older, no further doses are required.
  - e. PCV is not required for children 5 years or older.
  - f. [For further information, refer to the CDC Catch-Up Guidance for Healthy Children 4 Months through 4 Years of Age.](#)

## WHO SHOULD REPORT?

Physicians, nurses, laboratory directors, infection control practitioners, health care facilities, state institutions, schools.

## WHERE SHOULD REPORT BE MADE?

Report to local health department where patient resides.

Contact Person \_\_\_\_\_  
 Name \_\_\_\_\_  
 Address \_\_\_\_\_  
 Phone \_\_\_\_\_ Fax \_\_\_\_\_

## WHEN SHOULD REPORT BE MADE?

Within 24 hours of diagnosis:

- Phone diseases in bold type,
- Mail case report, DOH-389, for all other diseases.
- In New York City use form PD-16.

## SPECIAL NOTES

- Diseases listed in **bold type** warrant prompt action and should be reported **immediately** to local health departments by phone followed by submission of the confidential case report form (DOH-389). In NYC use case report form PD-16.
- In addition to the diseases listed above, any unusual disease (defined as a newly apparent or emerging disease or syndrome that could possibly be caused by a transmissible infectious agent or microbial toxin) is reportable.
- Outbreaks: while individual cases of some diseases (e.g., streptococcal sore throat, head lice, impetigo, scabies and pneumonia) are not reportable, a cluster or outbreak of cases of any communicable disease is a reportable event.
- Cases of HIV infection, HIV-related illness and AIDS are reportable on form DOH-4189 which may be obtained by contacting:  
 Division of Epidemiology, Evaluation and Research  
 P.O. Box 2073, ESP Station  
 Albany, NY 12220-2073  
 (518) 474-4284  
 In NYC: New York City Department of Health and Mental Hygiene  
 For HIV/AIDS reporting, call:  
 (212) 442-3388

1. Local health department must be notified prior to initiating rabies prophylaxis.
2. Diseases that are possible indicators of bioterrorism.
3. Including, but not limited to, infections caused by eastern equine encephalitis virus, western equine encephalitis virus, West Nile virus, St. Louis encephalitis virus, La Crosse virus, Powassan virus, Jamestown Canyon virus, dengue and yellow fever.
4. Positive shigatoxin test results should be reported as presumptive evidence of disease.
5. Only report cases with positive cultures from blood, CSF, joint, peritoneal or pleural fluid. Do not report cases with positive cultures from skin, saliva, sputum or throat.
6. Proposed addition to list.
7. Any non-treponemal test  $\geq 1:16$  or any positive prenatal or delivery test regardless of titer or any primary or secondary stage disease, should be reported by phone; all others may be reported by mail.
8. Including Creutzfeldt-Jakob disease. Cases should be reported directly to the New York State Department of Health Alzheimer's Disease and Other Dementias Registry at (518) 473-7817 upon suspicion of disease. In NYC, cases should also be reported to the NYCDOHMH.
9. Persons with vaccinia infection due to contact transmission and persons with the following complications from vaccination: eczema vaccinatum, erythema multiforme major or Stevens-Johnson syndrome, fetal vaccinia, generalized vaccinia, inadvertent inoculation, ocular vaccinia, post-vaccinal encephalitis or encephalomyelitis, progressive vaccinia, pyogenic infection of the infection site, and any other serious adverse events.

## ADDITIONAL INFORMATION

For more information on disease reporting, call your local health department or the New York State Department of Health Bureau of Communicable Disease Control at (518) 473-4439 or (866) 881-2809 after hours. In New York City, 1 (866) NYC-DOH1. To obtain reporting forms (DOH-389), call (518) 474-0548.

# Año escolar 2023-2024

## Requisitos de vacunación del estado de Nueva York para inscribirse/asistir a la escuela<sup>1</sup>

### NOTAS:

Todos los niños deben estar vacunados según su edad para asistir a la escuela en el estado de Nueva York. La cantidad de dosis depende del programa recomendado por el Comité Asesor sobre Prácticas de Vacunación (Advisory Committee on Immunization Practices, ACIP). Los intervalos entre las dosis de vacunas deben corresponder al [Calendario de Vacunación de Niños y Adolescentes Recomendado por el ACIP](#). Las dosis aplicadas antes de la edad mínima o de los intervalos mínimos no son válidas y no se tienen en cuenta al calcular la cantidad de dosis que se mencionan abajo. Consulte las notas al pie de página para obtener información específica sobre cada vacuna. Los niños que se inscriben en clases sin grado deben cumplir los requisitos de vacunación de los grados para los que son equivalentes en edad.

**Se DEBEN leer los requisitos de dosis con las notas al pie de página de este programa**

Vacunas	Prekindergarten (guardería infantil, programa Head Start, guardería o pre-K)	Kindergarten y 1.º, 2.º, 3.º, 4.º y 5.º grado	6.º, 7.º, 8.º, 9.º, 10.º y 11.º grado	12.º grado
Vacuna con toxoide diftérico y tetánico y vacuna contra la tos ferina (DTaP/DTP/Tdap/Td) <sup>2</sup>	4 dosis	5 dosis o 4 dosis si la cuarta dosis se aplicó a los 4 años de edad o más, o 3 dosis si tiene 7 años o más y la serie se inició a partir del año		3 dosis
Refuerzo de la vacuna con toxoide diftérico y tetánico y la vacuna contra la tos ferina (Tdap) para adolescentes <sup>3</sup>		No corresponde		1 dosis
Vacuna antipoliomielítica (IPV/OPV) <sup>4</sup>	3 dosis	4 dosis o 3 dosis si la tercera dosis se aplicó a los 4 años de edad o más		
Vacuna contra sarampión, paperas y rubéola (MMR) <sup>5</sup>	1 dosis		2 dosis	
Vacuna contra la hepatitis B <sup>6</sup>	3 dosis	3 dosis o 2 dosis de la vacuna contra la hepatitis B para adultos (Recombivax) para niños que recibieron las dosis en intervalos de al menos 4 meses entre los 11 y los 15 años de edad		
Vacuna contra la varicela <sup>7</sup>	1 dosis		2 dosis	
Vacuna antimeningocócica conjugada (MenACWY) <sup>8</sup>		No corresponde	7.º, 8.º, 9.º, 10.º y 11.º grado: 1 dosis	2 dosis o 1 dosis si la dosis se aplicó a los 16 años de edad o más
Vacuna conjugada contra Haemophilus influenzae tipo B (Hib) <sup>9</sup>	1 a 4 dosis		No corresponde	
Vacuna neumocócica conjugada (PCV) <sup>10</sup>	1 a 4 dosis		No corresponde	

Department  
of Health

1. Una constancia serológica demostrada de anticuerpos contra el sarampión, las paperas o la rubéola o una confirmación de laboratorio de dichas enfermedades son pruebas aceptables de la inmunidad ante estas. Las pruebas serológicas para la poliomielitis son una prueba aceptable de la inmunidad solo si la prueba se hizo antes del 1 de septiembre de 2019 y los tres serotipos dieron positivo. Un análisis de sangre con resultado positivo para el anticuerpo de superficie contra la hepatitis B es una prueba aceptable de la inmunidad ante la hepatitis B. Una constancia serológica demostrada de anticuerpos contra la varicela, una confirmación de laboratorio de varicela o el diagnóstico de un médico, un asistente médico o un enfermero de práctica avanzada de que un niño tuvo varicela son pruebas aceptables de la inmunidad ante la varicela.
2. Vacuna con toxoide diftérico y tetánico y tos ferina acelular (DTaP). (Edad mínima: 6 semanas)
  - a. Los niños que comienzan la serie a tiempo deben recibir una serie de 5 dosis de la vacuna DTaP a los 2 meses, 4 meses, 6 meses y entre los 15 y 18 meses de edad, y a los 4 años de edad o más. La cuarta dosis puede aplicarse a partir de los 12 meses de edad, siempre que hayan transcurrido por lo menos 6 meses desde la tercera dosis. Sin embargo, no es necesario que se repita la cuarta dosis de DTaP si se aplicó al menos 4 meses después de la tercera dosis de DTaP. La última dosis de la serie debe aplicarse a partir del cuarto año de edad y al menos 6 meses después de la dosis anterior.
  - b. Si la cuarta dosis de DTaP se aplicó a los 4 años de edad o más, y al menos 6 meses después de la tercera dosis, no se requiere la quinta dosis (de refuerzo) de la vacuna DTaP.
  - c. Los niños mayores de 7 años que no estén completamente vacunados con la serie de vacunas DTaP para niños deben recibir la vacuna Tdap como primera dosis de la serie de actualización; si se necesitan dosis adicionales, use la vacuna Td o Tdap. Si les aplicaron la primera dosis antes de su primer año de edad, deben aplicarse 4 dosis, siempre que la dosis final se aplique a los 4 años de edad o más. Si les aplicaron la primera dosis a partir de su primer año de edad, deben aplicarse 3 dosis, siempre que la dosis final se aplique a los 4 años o más.
3. Refuerzo de la vacuna con toxoides tetánico y diftérico y de la vacuna contra la tos ferina acelular (Tdap) para adolescentes. (Edad mínima para 6.º a 9.º grado: 10 años; edad mínima para 10.º a 12.º grado: 7 años).
  - a. Los estudiantes mayores de 11 años que ingresan a los grados de 6.º a 12.º deben recibir una dosis de Tdap.
  - b. Además del requisito para 6.º a 12.º grado, la vacuna Tdap también se puede aplicar como parte de la serie de vacunas de actualización para estudiantes mayores de 7 años que no estén totalmente vacunados con la serie de vacunas DTaP para niños, como se describió arriba. En el año escolar 2023-2024, solo las dosis de Tdap aplicadas a los 10 años o más cumplirán el requisito de Tdap para los estudiantes en los grados 6.º a 9.º; sin embargo, las dosis de Tdap aplicadas a los 7 años o más cumplirán el requisito para los estudiantes en los grados 10.º a 12.º.
  - c. Los estudiantes que tienen 10 años de edad en 6.º grado y que aún no recibieron la vacuna Tdap cumplen los requisitos hasta que tengan 11 años.
4. Vacuna antipoliomielítica inactivada (IPV) o vacuna antipoliomielítica oral (OPV). (Edad mínima: 6 semanas)
  - a. Los niños que comienzan la serie a tiempo deben recibir una serie de IPV a los 2 meses, 4 meses y entre los 6 y 18 meses de edad, y a los 4 años de edad o más. La última dosis de la serie debe aplicarse a partir del cuarto año de edad y al menos 6 meses después de la dosis anterior.
  - b. Para los estudiantes que recibieron la cuarta dosis antes de su cuarto año de edad y antes del 7 de agosto de 2010, es suficiente aplicar 4 dosis con al menos 4 semanas de diferencia.
  - c. Si la tercera dosis de la vacuna antipoliomielítica se aplicó a los 4 años de edad o más y por lo menos 6 meses después de la dosis anterior, no se requerirá la cuarta dosis.
  - d. Para los niños con antecedentes de OPV, solo la OPV trivalente (tOPV) se tiene en cuenta para los requisitos de la vacuna antipoliomielítica en las escuelas del Estado de Nueva York. Las dosis de OPV aplicadas antes del 1 de abril de 2016 deben incluirse a menos que se indiquen específicamente como monovalentes, bivalentes o como aplicadas durante una campaña de vacunación contra el virus de la poliomielitis. Las dosis de OPV aplicadas a partir del 1 de abril de 2016 no deben incluirse.
5. Vacuna contra sarampión, paperas y rubéola (MMR). (Edad mínima: 12 meses)
  - a. La primera dosis de la vacuna MMR debe haberse aplicado a partir del primer año de edad. Para considerarse válida, la segunda dosis debe haberse aplicado al menos 28 días (4 semanas) después de la primera dosis.
- b. Sarampión: Se necesita una dosis para prekindergarten. Se necesitan dos dosis para los grados de kindergarten hasta 12.º.
- c. Paperas: Se necesita una dosis para prekindergarten. Se necesitan dos dosis para los grados de kindergarten hasta 12.º.
- d. Rubéola: Se necesita por lo menos una dosis para todos los grados (prekindergarten hasta 12.º grado).
6. Vacuna contra la hepatitis B
  - a. La primera dosis puede aplicarse al nacer o en cualquier momento después. La segunda dosis debe aplicarse al menos 4 semanas (28 días) después de la primera dosis. La tercera dosis debe aplicarse al menos 8 semanas después de la segunda dosis Y al menos 16 semanas después de la primera dosis, PERO no antes de las 24 semanas (cuando se apliquen 4 dosis, reemplazar "cuarta dosis" por "tercera dosis" en estos cálculos).
  - b. Dos dosis de la vacuna contra la hepatitis B para adultos (Recombivax) aplicadas con al menos 4 semanas de diferencia entre los 11 y 15 años cumplirán el requisito.
7. Vacuna contra la varicela. (Edad mínima: 12 meses)
  - a. La primera dosis de la vacuna contra la varicela debe haberse aplicado a partir del primer año. Para considerarse válida, la segunda dosis debe haberse aplicado al menos 28 días (4 semanas) después de la primera dosis.
  - b. Para los niños menores de 13 años, el intervalo mínimo recomendado entre dosis es de 3 meses (si la segunda dosis se aplicó por lo menos 4 semanas después de la primera dosis, se puede aceptar como válida); para los mayores de 13 años, el intervalo mínimo es de 4 semanas.
8. Vacuna antimeningocócica conjugada ACWY (MenACWY). (Edad mínima para 7.º a 10.º grado: 10 años; edad mínima para 11.º y 12.º grado: 6 semanas).
  - a. Se requiere una dosis de la vacuna antimeningocócica conjugada (Menactra, Menveo o MenQuadfi) para los estudiantes que ingresan a los grados 7.º, 8.º, 9.º, 10.º y 11.º.
  - b. Para los estudiantes del 12.º grado, si la primera dosis de la vacuna antimeningocócica conjugada se aplicó a los 16 años o más, no se requiere la segunda dosis (de refuerzo).
  - c. La segunda dosis debe haberse aplicado a los 16 años o más. El intervalo mínimo entre dosis es de 8 semanas.
9. Vacuna conjugada contra Haemophilus influenzae tipo b (Hib). (Edad mínima: 6 semanas)
  - a. Los niños que comienzan la serie a tiempo deben recibir la vacuna Hib a los 2 meses, 4 meses, 6 meses y entre los 12 y 15 meses de edad. Los niños mayores de 15 meses deben ponerse al día según el programa de actualización del ACIP. La dosis final debe aplicarse a partir de los 12 meses.
  - b. Si se aplicaron 2 dosis de vacuna antes de los 12 meses de edad, solo se requieren 3 dosis si la tercera dosis se aplica entre los 12 y 15 meses de edad y al menos 8 semanas después de la segunda dosis.
  - c. Si la primera dosis se recibió entre los 12 y 14 meses de edad, solo se requieren 2 dosis si la segunda dosis se aplicó al menos 8 semanas después de la primera dosis.
  - d. Si se aplicó la primera dosis a los 15 meses de edad o más, solo se requiere 1 dosis.
  - e. No se requiere la vacuna Hib para niños mayores de 5 años.
  - f. [Para más información, consulte la Guía de actualización para niños sanos de 4 meses a 4 años de los CDC.](#)
10. Vacuna neumocócica conjugada (PCV). (Edad mínima: 6 semanas)
  - a. Los niños que comienzan la serie a tiempo deben recibir la vacuna PCV a los 2 meses, 4 meses, 6 meses y entre los 12 y 15 meses de edad. Los niños mayores de 15 meses deben ponerse al día según el programa de actualización del ACIP. La dosis final debe aplicarse a partir de los 12 meses.
  - b. Los niños no vacunados de 7 a 11 meses de edad deben recibir 2 dosis, con al menos 4 semanas de diferencia, seguidas de una tercera dosis entre los 12 y 15 meses de edad.
  - c. Los niños no vacunados de 12 a 23 meses de edad deben recibir 2 dosis de la vacuna con al menos 8 semanas de diferencia.
  - d. Si se recibió una dosis de la vacuna a los 24 meses de edad o más, no se requieren dosis adicionales.
  - e. La PCV no es obligatoria para los niños mayores de 5 años.
  - f. [Para más información, consulte la Guía de actualización para niños sanos de 4 meses a 4 años de los CDC.](#)

Dear Parent or Guardian,

New York City has updated the school immunization requirements for the 2023-2024 school year. A list of the vaccine requirements for 2023-2024 is included with this letter. Vaccines protect children from getting and spreading diseases; they are required to attend school.

Before the school year begins, you must submit proof of immunization or blood test results that show immunity (see below) for your child if they are attending childcare or school. **All students in childcare through grade 12** must meet the requirements for:

- The DTap (diphtheria-tetanus-pertussis), poliovirus, MMR (measles-mumps-rubella), varicella and hepatitis B vaccines.

**Children under age 5 who are enrolled in childcare and pre-kindergarten (pre-K)** must also meet the requirements for:

- The Hib (*Haemophilus influenza* type b) and PCV (pneumococcal conjugate) vaccines.
- The influenza (flu) vaccine: children must receive the flu vaccine by December 31, 2023 (preferably, when it becomes available in early fall).

**Children in grades 6 through 12** must also meet the requirements for:

- The Tdap (tetanus-diphtheria-pertussis) booster and MenACWY (meningococcal conjugate) vaccines.

**Blood tests** that show immunity to measles, mumps, rubella, varicella, or hepatitis B also meet the requirements (polio labs only if done before September 2019).

**Please take the time this summer** to review your child's immunization history with your child's healthcare provider. Their provider can tell you whether additional doses of one or more vaccines are required for your child to attend childcare or school this year.

**Please note:** If your child received doses of vaccine BEFORE the minimum age (too early), those doses do NOT count toward the number of doses needed.

If you have questions about these 2023-2024 requirements, please contact your childcare center or school's administrative office.

Sincerely,

Cheryl Lawrence, MD, FAAP

## Is Your Child Ready for Child Care or School?

2023-2024 School Year

### Learn about required vaccinations in New York City.

All students ages 2 months up to 18 years in New York City must get the following vaccinations to go to childcare or school. Review your child's vaccine needs based on their grade level this school year. The number of vaccine doses your child needs may vary based on age and previous vaccine doses received. Your child may need additional vaccines or vaccine doses if they have certain health conditions or if previous doses were given too early. Blood tests that show immunity to measles, mumps, rubella, varicella, or hepatitis B also meet the requirements (polio immunity is only acceptable if the lab test was done before September 2019).

VACCINATIONS	CHILD CARE, HEAD START, NURSERY, 3K OR PRE-KINDERGARTEN	KINDERGARTEN - Grade 5	GRADES 6 -11	GRADE12
Diphtheria , tetanus, and pertussis (DTaP)	4 doses	5 doses or 4 doses ONLY if the fourth dose was received at age 4 years or older or 3 doses ONLY if the child is age 7 years or older and the series was started at age 1 year or older	3 doses	
Tetanus, diphtheria and pertussis booster (Tdap)			1 dose is required at 11 years or older when entering grades 6 - 12 (in compliance until age 11 years)	
Polio (IPV or OPV)	3 doses	or 3 doses if the third dose was received at age 4 years or older	4 doses	
Measles, mumps and rubella (MMR)	1 dose		2 doses	
Hepatitis B	3 doses	3 doses	3 doses or 2 doses of adult hepatitis B vaccine (Recombivax HB®) if the doses at least 4 months apart between ages of 11 through 15 years	
Varicella (chickenpox)	1 dose		2 doses	
Meningococcal conjugate (MenACWY)			Grade 6: Not applicable Grades 7-11: 1 dose	Grade 12: 2 doses or 1 dose if the first dose was received at age 16 years or older
<i>Haemophilus influenzae</i> type b conjugate (Hib)	1 to 4 doses Depends on child's age and doses previously received			
Pneumococcal conjugate (PCV)	1 to 4 doses Depends on child's age and doses previously received			
Influenza	1 dose

Estimado padre o tutor:

La Ciudad de Nueva York ha actualizado los requisitos de vacunación para el año escolar 2023-2024.

Esta carta incluye una lista de vacunas requeridas para el año escolar 2023-2024. Las vacunas protegen a los niños ante el contagio y la transmisión de enfermedades; también se requieren para asistir a la escuela.

Si su hijo va a asistir a un programa de cuidado infantil o a la escuela, deberá presentar comprobante de vacunación o de pruebas sanguíneas antes de que comience el año escolar (vea abajo).

**Todos los estudiantes, desde programas de cuidado infantil hasta 12.º grado, deben cumplir con los siguientes requisitos:**

- Las vacunas DTaP (difteria, tétanos, tos ferina), polio, MMR (sarampión, paperas, rubeola), varicela y hepatitis B.

**Los menores de 5 años inscritos en programas de cuidado infantil y prekínder también deben cumplir con los siguientes requisitos:**

- Las vacunas Haemophilus influenzae tipo b (Hib) y PCV (vacuna antineumocócica conjugada).
- La vacuna de la influenza: Esta debe administrarse antes del 31 de diciembre de 2023 (idóneamente, cuando esté disponible a principios del otoño).

**Los menores de 6.º a 12.º grado también deben cumplir con los siguientes requisitos:**

- La vacuna de refuerzo de Tdap (tétanos, difteria, tos ferina) y la de MenACWY (vacuna antimeningocócica conjugada).

**Las pruebas de sangre** que comprueben inmunidad contra el sarampión, las paperas, la rubeola, la varicela o la hepatitis B también cumplen los requisitos (las pruebas de inmunidad contra el polio son válidas solo si se realizaron antes de septiembre de 2019).

**Tómese el tiempo este verano** para revisar el historial de vacunación de su hijo con su médico. El médico le podrá informar si su hijo necesita vacunas o dosis adicionales para que pueda asistir o permanecer en la escuela o programa de cuidado infantil este año.

**Para tener en cuenta:** Si su hijo recibió dosis de vacunas ANTES de la edad mínima (demasiado temprano), estas NO cuentan para la cantidad de dosis necesarias.

Si tiene alguna pregunta sobre los requisitos para el año escolar 2023-2024, póngase en contacto con la oficina administrativa de la escuela o centro de cuidado infantil de su hijo.

Atentamente,

Cheryl Lawrence, MD, FAAP,  
directora médica  
Oficina de Salud Escolar

## ¿Su hijo está listo para un programa de cuidado infantil o la escuela? Infórmese sobre las vacunas obligatorias en la Ciudad de Nueva York.

Año escolar 2023-2024

Todos los estudiantes de la Ciudad de Nueva York de 2 meses a 18 años necesitarán las siguientes vacunas para poder asistir a su programa de cuidado infantil o escuela. Revise los requisitos de vacunación de su hijo según el grado que vaya a cursar este año escolar. El número de dosis de las vacunas que su hijo necesita puede variar según la edad y las dosis que haya recibido anteriormente. Si su hijo tiene algún problema de salud o si le aplicaron las dosis muy temprano, es posible que requiera vacunas o dosis adicionales. Las pruebas de sangre que comprueben inmunidad contra el sarampión, las paperas, la rubeola, la varicela o la hepatitis B también cumplen los requisitos (las de inmunidad contra el polio solo se aceptan si las pruebas se realizaron antes de septiembre de 2019).

VACUNAS	CUIDADO INFANTIL, HEAD START, GUARDERÍA, 3-K O PREKINDER	DE KÍNDER A 5.º GRADO	DE 6.º A 11.º GRADO	12.º GRADO
Difteria, tétanos y tos ferina (DTaP)	4 dosis	5 dosis o 4 dosis SOLO si la cuarta dosis se administró de los 4 años en adelante o 3 dosis SOLO si el estudiante tiene 7 años o más y el ciclo de vacunación se inició del primer año de edad en adelante.		3 dosis
Refuerzo de tétanos, difteria y tos ferina (Tdap)				1 dosis (de los 11 años en adelante)
Polio (IPV u OPV)	3 dosis		4 dosis o 3 dosis si la tercera dosis fue administrada de los 4 años en adelante	
Sarampión, paperas y rubeola (MMR)	1 dosis		2 dosis	
Hepatitis B	3 dosis	3 dosis		3 dosis o 2 dosis de la vacuna de la hepatitis B para adultos (Recombivax HB*) si transcurrieron por lo menos cuatro meses entre cada dosis entre los 11 y los 15 años
Varicela ( <i>chickenpox</i> )	1 dosis		2 dosis	
Vacuna conjugada contra el meningococo (MenACWY)				12.º grado: 2 dosis o 1 dosis si la primera dosis fue administrada de los 16 años en adelante
Vacuna Haemophilus influenzae tipo b (Hib) conjugada	1 a 4 dosis Depende de la edad del menor y de las dosis anteriores			
Vacuna antineumocócica conjugada (PCV)	1 a 4 dosis Depende de la edad del menor y de las dosis anteriores			
Gripe ( <i>influenza</i> )	1 dosis

## SEPTEMBER 2023

### MEDICAL REQUIREMENTS FOR CHILD CARE AND NEW SCHOOL ENTRANTS

(PUBLIC, PRIVATE, PAROCHIAL SCHOOLS AND CHILD CARE CENTERS)

#### ALL STUDENTS ENTERING A NEW YORK CITY (NYC) SCHOOL OR CHILD CARE FOR THE FIRST TIME MUST HAVE A COMPLETE PHYSICAL EXAMINATION AND ALL REQUIRED IMMUNIZATIONS

The comprehensive medical examination must be documented on a Child Adolescent Health Examination Form (CH205) and include the following:

Weight	Body Mass Index	Medical History
Height	Vision Screening	Developmental Assessment
Blood Pressure	Hearing Screening	Nutritional Evaluation
	Dental Screening	

All students entering NYC public or private schools or child care (including Universal 3K and Pre-Kindergarten classes) for the first time must submit a report of a physical examination performed within one year of school entry. Because children develop and grow so quickly at these early ages, if this initial examination is performed before the student is age 5 years, a second examination, performed between the child's fifth and sixth birthday, is also required. Fillable CH-205 forms that include the student's pre-populated vaccination histories are available in the NYC Citywide Immunization Registry (CIR). A savable version of the pre-populated CH205 is also available in the CIR and is accessible for use to update as needed. For school year 2023-2024, the previous version of the CH205 form produced from the Online Registry will continue to be accepted by all NYC Public Schools, Center/School/Home-Based Care and After-School until it is replaced by the new version.

#### Required Screening for Child Care Only

Screening	Required Information
Anemia Screening	Hematocrit and Hemoglobin
Lead Screening, Assessment and Testing	<ul style="list-style-type: none"> <li>All children under age 6 years must be assessed annually for lead exposure.</li> <li>Blood lead tests are required for children at ages 1 and 2 years AND other children up to age 6 years if they are at risk of exposure OR if no lead test was previously documented.</li> <li>For more information, call the Lead Poisoning Prevention Program at 311, or visit <a href="https://www1.nyc.gov/assets/doh/downloads/pdf/lead/lead-guidelines-children.pdf">https://www1.nyc.gov/assets/doh/downloads/pdf/lead/lead-guidelines-children.pdf</a></li> </ul>

#### IMMUNIZATION REQUIREMENTS 2023–24

The following immunization requirements are mandated by law for all students between the ages of 2 months and 18 years (i.e., until they reach the age of 18 years). Children must be excluded from school if they do not meet these requirements. To be considered fully immunized, a child must have an immunization history that includes all of the following vaccines. The child's immunization record should be evaluated according to the grade they are attending this school year.

#### PROVISIONAL REQUIREMENTS

New students may enter school or child care provisionally with documentation of at least this initial series of immunizations. Once admitted provisionally, subsequent vaccines must be administered in accordance with the Advisory Committee on Immunization Practices (ACIP) "catch up" schedule for the child to be considered "in process" and remain in school (refer to <https://www.cdc.gov/vaccines/schedules/hcp/imz/catchup.html>). If a child does not receive subsequent doses of vaccine at appropriate intervals and according to the ACIP catch-up schedule, the child is no longer in process and must be excluded from school within 14 days after the minimum interval identified by the ACIP catch-up schedule. Alternative schedules are not acceptable. Students must complete the entire series to comply with the law. Students who have not been immunized within the provisional period must be issued exclusion letters and excluded from school or child care until they comply with the requirements.

VACCINES	CHILD CARE, HEAD START, NURSERY, 3K OR PRE-KINDERGARTEN	KINDERGARTEN through Grade 12
Diphtheria and tetanus toxoid-containing vaccine and pertussis vaccine (DTaP/DTP/DT/Td/Tdap) <sup>2</sup>	One dose DTaP or DTP	Grades K-5: One dose DTaP, DTP, DT; or Td, Tdap (ages 7 years or older) Grades 6-12: one dose of Tdap
Polio vaccine (IPV/OPV) <sup>1,4</sup>	One dose	One dose
Measles, mumps, and rubella vaccine (MMR) <sup>1,6</sup> On or after the first birthday	One dose	One dose
Hepatitis B (HepB) vaccine <sup>1,6</sup>	One dose	One dose
Varicella (chickenpox) vaccine <sup>1,7</sup> On or after the first birthday	One dose	One dose
Meningococcal conjugate vaccine (MenACWY) <sup>8</sup> Grades 7 through 12		One dose
Haemophilus influenzae type b conjugate vaccine (Hib) <sup>9</sup> Through age 59 months (up until the 5 <sup>th</sup> birthday)	One dose	
Pneumococcal conjugate vaccine (PCV) <sup>10</sup> Through age 59 months (up until the 5 <sup>th</sup> birthday)	One dose	
Influenza <sup>11</sup> Depending on their influenza vaccine history, some children may need two doses of influenza vaccine. A second dose is not required for child care/pre-K attendance.	One dose	

## 2023–24: FULL COMPLIANCE

### New York State Immunization Requirements for Child Care and School Entrance/Attendance

Notes: For all settings and grades (child care, head start, nursery, 3K, pre-Kindergarten through 12), intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for children aged 0 up to 18 years. Doses received more than 4 calendar days before the recommended minimum age or interval are not valid and do not count. This 4-day grace period does not apply to the recommended 28-day minimum interval between doses of live virus vaccines (i.e., MMR, varicella). Refer to the footnotes for dose requirements and specific information about each vaccine. Children enrolling in gradeless classes should meet immunization requirements for their age-equivalent grade. Children who were not in full compliance before the start of the school year must complete requirements according to the ACIP-recommended catch-up schedule in order to remain in child care or school.

VACCINES	CHILD CARE, HEAD START, NURSERY, 3K OR PRE-KINDERGARTEN	KINDERGARTEN through Grade 5	GRADES 6 through 12
Diphtheria and tetanus toxoid-containing vaccine and pertussis vaccine (DTaP/DTP) <sup>2</sup>	4 doses	5 doses <u>or</u> 4 doses if the fourth dose was received at age 4 years or older <u>or</u> 3 doses if the child is age 7 years or older and the series was started at age 1 year or older	3 doses
Tetanus and diphtheria toxoid-containing vaccine and pertussis vaccine booster (Tdap) <sup>3</sup>	Not Applicable		1 dose
Polio vaccine (IPV/OPV) <sup>1,4</sup>	3 doses	4 doses <u>or</u> 3 doses if the third dose was received at age 4 years or older	
Measles, mumps, and rubella vaccine (MMR) <sup>1,6</sup>	1 dose	2 doses	
Hepatitis B (HepB) vaccine <sup>1,6</sup>	3 doses	3 doses	3 doses or 2 doses of adult hepatitis B vaccine (Recombivax HB <sup>®</sup> ) for children who received the doses at least 4 months apart between the ages of 11 through 15 years
Varicella (chickenpox) vaccine <sup>1,7</sup>	1 dose	2 doses	
Meningococcal conjugate vaccine (MenACWY) <sup>8</sup>	Not Applicable		Grades 7, 8, 9, 10 and 11: 1 dose Grade 12: 2 doses <u>or</u> 1 dose if the first dose was received at age 16 years or older
Haemophilus influenzae type b conjugate vaccine (Hib) <sup>9</sup>	1 to 4 doses	Not Applicable	
Pneumococcal conjugate vaccine (PCV) <sup>10</sup>	1 to 4 doses	Not Applicable	
Influenza <sup>11</sup>	1 dose	Not Applicable

New York State Department of Health, Bureau of Immunization: 518-473-4437

New York City Department of Health and Mental Hygiene, Bureau of Immunization: 347-396-2433; Office of School Health Citywide (all districts): OSH@health.nyc.gov

- Documented serologic evidence of immunity to measles, mumps, rubella, hepatitis B, or varicella meets the requirements for these immunizations. Serologic evidence of immunity to polio is acceptable only if results are positive for all three serotypes and testing must have been done prior to September 1, 2019. Diagnosis by a physician, physician assistant or nurse practitioner that a child had varicella disease is acceptable proof of immunity to varicella.
- Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine – (Minimum age: 6 weeks)
  - Children starting the series on time should receive a five-dose series of DTaP vaccine at ages 2 months, 4 months, 6 months, 15 through 18 months, and age 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, when retrospectively identified, the fourth dose need not be repeated if it was administered at least 4 months after the third dose. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the prior dose.
  - If the fourth dose was administered at age 4 years or older, the fifth (booster) dose is not necessary.
  - If the fifth dose was received prior to the fourth birthday, a sixth dose, administered at least 6 months after the prior dose, is required.
  - Children ages 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, either Tdap or Td should be used: the Tdap dose may count towards the Tdap requirement according to grade (see footnote 3d). If the first dose of DTaP/DTP/DT was received before the first birthday, then four total doses are required to complete the series. If the first dose of DTaP/DTP/DT was received on or after the first birthday, then three total doses are required to complete the series. The final dose must be received on or after the fourth birthday.
- Tetanus and diphtheria toxoids and acellular pertussis (Tdap) vaccine – (Minimum age: 10 years for grades 6-9; 7 years for grades 10-12)
  - Students ages 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.
  - Students without Tdap who are age 10 years upon entry to 6<sup>th</sup> grade are in compliance until they turn age 11 years.
  - In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series (see footnote 2e).
  - In school year 2023-2024, only doses of Tdap (or DTaP) given at age 10 years or older will satisfy the Tdap requirement for grades 6, 7, 8 and 9. However, doses of Tdap (or DTaP) given at age 7 years or older will satisfy the requirement grades 10 through 12.
  - DTaP should NOT be used on or after the 7<sup>th</sup> birthday but if inadvertently received, the Tdap requirement is satisfied by doses of DTaP (see footnote 3c and 3d).
- Inactivated poliovirus vaccine (IPV) or oral polio vaccine (OPV) – (Minimum age: 6 weeks)
  - Children starting the series on time should receive IPV at ages 2 months, 4 months, 6 through 18 months and age 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the prior dose.
  - For students who received their fourth dose before age 4 years: if the 4<sup>th</sup> dose was prior to August 7, 2010, four doses separated by at least four weeks is sufficient.
  - If the third dose was received at age 4 years or older and at least 6 months after the prior dose, a fourth dose is not necessary.
  - If both OPV and IPV were administered as part of a series, the total number of doses and intervals between doses is the same as that recommended for the IPV schedule. For OPV to count towards the completion of the polio series, the dose(s) must have been given before April 1, 2016, and be trivalent (tOPV).
- Measles, mumps, and rubella (MMR) vaccine – (Minimum age: 12 months)
  - The first dose of MMR vaccine must be given on or after the first birthday. The second dose must be given at least 28 days (four weeks) after the first dose to be considered valid.
  - Students in kindergarten through grade 12 must receive two doses of measles-containing vaccine, two doses of mumps-containing vaccine and at least one dose of rubella-containing vaccine.
- Hepatitis B (HepB) vaccine – (Minimum age: birth)
  - The first dose of HepB vaccine may be given at birth or anytime thereafter. The second dose must be given at least four weeks (28 days) after the first dose. The third dose must be given at least eight weeks after the second dose AND at least 16 weeks after dose one AND no earlier than 24 weeks of age.
  - Administration of a total of four doses is permitted when a combination vaccine containing HepB is administered after the birth dose. This fourth dose is often needed to ensure that the last dose in the series is given on or after age 6 months.
  - Two doses of adult HepB vaccine (Recombivax<sup>®</sup>) received at least four months apart at age 11 through 15 years will meet the requirement.
- Varicella (chickenpox) vaccine – (Minimum age: 12 months)
  - The first dose of varicella vaccine must be given on or after the first birthday. The second dose must be given at least 28 days (four weeks) after the first dose to be considered valid.
  - For children younger than age 13 years, the recommended minimum interval between doses is three months (though, if the second dose was administered at least four weeks after the first dose, it can be accepted as valid); for people aged 13 years and older, the minimum interval between doses is four weeks.
- Meningococcal Vaccine (MenACWY) – (Minimum age: 10 years for grades 7-10; 2 months for grades 11 and 12)
  - Students entering grades 7, 8, 9, 10 and 11 are required to receive a single dose of meningococcal conjugate vaccine against serogroups A, C, W-135 and Y (MenACWY vaccines, including Menactra, Menveo, or MenQuadfi). See footnote 8e for the age requirements.
  - Students entering grade 12 need to receive two doses of MenACWY vaccine, or only one dose of MenACWY vaccine if the first dose was administered at age 16 years or older.
  - If the second dose was administered before age 16 years, then a third dose given on or after age 16 years is required.
  - The minimum interval between doses is eight weeks.
  - In school year 2023-2024, only doses of MenACWY given at 10 years or older satisfies the requirement for grades 7, 8, 9 and 10; doses given before 10 years will satisfy the requirement for the first dose for grades 11 and 12.
- Haemophilus influenzae type b conjugate vaccine (Hib) – (Minimum age: 6 weeks)
  - Children starting the series on time and receiving PRP-T Hib vaccine should receive doses at ages 2 months, 4 months, 6 months and 12 through 15 months. If the formulation is PRP-OMP, only two doses are needed before age 12 through 15 months.
  - If 2 doses of vaccine were received before age 12 months, only 3 doses are required, with the third dose at 12 through 15 months and at least 8 weeks after the second dose.
  - If the first dose was received at age 12 through 14 months, only 2 doses are required with second dose at least 8 weeks after the first dose.
  - If the first dose was received at age 15 months or older, no further doses are required.
  - Hib vaccine is not required for children ages 5 years or older.
  - For further information, see CDC [catch-up schedule](#)
- Pneumococcal conjugate vaccine (PCV) – (Minimum age: 6 weeks)
  - Children starting the series on time should receive PCV vaccine at ages 2 months, 4 months, 6 months and 12 through 15 months.
  - Unvaccinated children ages 7 through 11 months must receive two doses, at least four weeks apart, followed by a third dose at age 12 through 15 months and at least eight weeks after the prior dose.
  - Unvaccinated children ages 12 through 23 months must receive two doses at least eight weeks apart.
  - Unvaccinated children ages 24 through 59 months must receive just one dose.
  - PCV vaccine is not required for children ages 5 years or older.
  - For further information, see CDC [catch-up schedule](#)
- Influenza Vaccine – (Minimum age: 6 months)
  - All children 6 months through 59 months of age enrolled in NYC Article 47 & 43 regulated Child Care, Head Start, Nursery, or Pre-K programs must receive one dose of influenza vaccine between July 1 and December 31 of each year.
  - Depending on their prior influenza vaccination history, some children may need two doses of influenza vaccine; however, a second dose is not required for school entry. **Statement on Legislation Removing Non-Medical Exemption  
from School Vaccination Requirements**

On June 13, 2019, Governor Andrew M. Cuomo signed legislation removing non-medical exemptions from school vaccination requirements for children. The United States is currently experiencing the worst outbreak of measles in more than 25 years, with outbreaks in pockets of New York primarily driving the crisis. As a result of non-medical vaccination exemptions, many communities across New York have unacceptably low rates of vaccination, and those unvaccinated children can often attend school where they may spread the disease to other unvaccinated students, some of whom cannot receive vaccines due to medical conditions. This new law will help protect the public amid this ongoing outbreak.

**What did the new law do?**

As of June 13, 2019, there is no longer a religious exemption to the requirement that children be vaccinated against measles and other diseases to attend either:

- public, private or parochial school (for students in pre-kindergarten through 12<sup>th</sup> grade), or
- child day care settings.

**For those children who had a religious exemption to vaccination, what are the deadlines for being vaccinated?**

Children who are attending child day care or public, private or parochial school, and who had a religious exemption to required immunizations, must now receive the first age appropriate dose in each immunization series by June 28, 2019 to attend or remain in school or child day care. Also, by July 14, 2019 parents and guardians of such children must show that they have made appointments for all required follow-up doses. The deadlines for follow-up doses depend on the vaccine. The New York State Department of Health follows the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices catch-up immunization schedule and expects children to receive required doses consistent with Table 2 at the following link in order to continue to attend school or child day care: <https://www.cdc.gov/vaccines/schedules/downloads/child/0-18yrs-child-combined-schedule.pdf>

**What is the deadline for first dose vaccinations if my child is not attending school until September?**

Parents and guardians of all children who do not have their required immunizations are encouraged to have them receive the first dose as soon as possible. The deadline for obtaining first dose vaccinations for children attending school in the fall is 14 days from the first day of school. Within 30 days of the first day of school, parents and guardians of such children must show that they have made appointments for all required follow-up doses.

Additional information will be forthcoming.

## **Frequently Asked Questions About Legislation Removing Non-Medical Exemptions from School Vaccination Requirements**

### **Overview:**

On June 13, 2019, Governor Andrew M. Cuomo signed legislation removing non-medical exemptions from school vaccination requirements for children. The United States is currently experiencing the worst outbreak of measles in more than 25 years, with outbreaks in pockets of New York primarily driving the crisis. As a result of non-medical vaccination exemptions, many communities across New York have unacceptably low rates of vaccination, and those unvaccinated children can often attend school where they may spread the disease to other unvaccinated students, some of whom cannot receive vaccines due to medical conditions. This new law will help protect the public amid this ongoing outbreak.

### **1. What did the new law do?**

As of June 13, 2019, there is no longer a religious exemption to the requirement that children be vaccinated against measles and other diseases to attend either:

- public, private or parochial school (for students in pre-kindergarten through 12<sup>th</sup> grade), or
- child day care settings.

### **2. When did the law become effective?**

The law became effective on June 13, 2019.

### **3. How will schools and child day care settings be notified?**

A joint notification by the NYS Department of Health, State Education Department, and Office of Children and Family Services was distributed to schools and child day care settings beginning on June 15, 2019.

### **4. For those children who had a religious exemption to vaccination, what are the deadlines for being vaccinated?**

Children who are attending child day care or public, private or parochial school and who had a religious exemption to required immunizations, must now receive the first age appropriate dose in each immunization series by **June 28, 2019** to attend or remain in school or child day care. Also, by **July 14, 2019** parents and guardians of such children must show that they have scheduled appointments for all required follow-up doses. The deadlines for follow-up doses depend on the vaccine. The Department follows the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices (ACIP) catch-up immunization schedule for all

immunizations that are required to attend school in New York State, and expects children to receive required doses consistent with Table 2 of ACIP's Recommended Child and Adolescent Immunization Schedule for ages 18 years or younger. (Please note that the guidelines contain all ACIP recommended vaccines, including some that are not currently required for schools and child day care programs in New York State.)

**5. Where can I find the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices (ACIP) catch-up immunization schedule?**

The ACIP catch-up immunization schedule is available at the following link:

<https://www.cdc.gov/vaccines/schedules/downloads/child/0-18yrs-child-combined-schedule.pdf>

(Please note that the guidelines contain all ACIP recommended vaccines, including some that are not currently required for schools and child day care programs in NYS.)

**6. Are the vaccination requirements, as described in Question 5, required for my child to attend summer schools that are overseen by NYSED and summer child day care programs that are overseen by OCFS?**

Yes. This requirement applies to summer school and summer child day care programs.

**7. What is the deadline for first dose vaccinations if my child is not attending school until September?**

The Department encourages parents and guardians of all children who do not have their required immunizations to receive the first dose in each immunization series as soon as possible. The deadline for obtaining first dose vaccinations in each immunization series for children attending school in the fall is 14 days from the first day of school or enrollment in child day care. Within 30 days of the first day of school, parents and guardians of such children must show that they have scheduled appointments for all required follow-up doses.

**8. Does this new legislation apply to my child attending college?**

The new legislation did not change the vaccination requirements for college attendance. Students attending college in NYS can still obtain a religious exemption. The Department requires that every student attending college be vaccinated against measles, mumps and rubella (MMR), unless the student has a valid religious or medical exemption.

**9. Does this new legislation affect my child's medical exemption?**

No. The new legislation does not affect valid medical exemptions.

#### **10. What is a valid medical exemption?**

A valid medical exemption must:

1. Be on a sample medical exemption form issued by the Department <https://www.health.ny.gov/forms/doh-5077.pdf> or the NYC Department of Health and Mental Hygiene, or on a signed statement that certifies that the immunization may be detrimental to a child's health;
2. Be signed by a physician licensed to practice medicine in New York State;
3. Contain sufficient information to identify the medical contraindication to a specific immunization. The Department recommends that health care practitioners consult the ACIP guidelines for contraindications and precautions to childhood vaccinations, available at: <https://www.cdc.gov/vaccines/hcp/acip-recs/general-recs/contraindications.html>. (Please note that the guidelines contain all ACIP recommended vaccines, including some that are not currently required for schools and child day care programs in New York State); and
4. Be confirmed annually.

#### **11. My child is not being allowed to attend school and/or child day care program based on vaccination status. How do I appeal this decision?**

Education Law §310(6-a) allows an appeal to the Commissioner of the State Education Department from persons considering themselves aggrieved by an action taken by "a principal, teacher, owner or other person in charge of any school in denying a child admission to, or continued attendance at, such school for lack of proof of required immunizations in accordance with" Public Health Law §2164. Such appeal may include a request for a "stay" of the school's action while the appeal is pending before the Commissioner. Information regarding the appeal process is available at: <http://www.counsel.nysed.gov/appeals/>.

There is no appeal process for child day care programs. Programs must be in compliance with all applicable laws.

#### **12. What are the penalties for a school and child day care program if it does not comply?**

All public, private and parochial schools are required to comply with the law. The Department will determine the cause of a school's violation or noncompliance and, where appropriate, seek civil penalties from noncompliant schools. NYS OCFS regulates child day care programs and may sanction programs that do not comply with the law.

#### **13. How does New York State verify vaccination rates at schools and child day care programs?**

The NYSDOH annually conducts surveys of school and child day care immunization coverage and exemption rates. Schools and child day care settings are required to participate in the surveys. Additionally, the NYSDOH audits a sample of schools each year for compliance with PHL Section 2164 and to verify the rates reported in their survey. If any students out of compliance with PHL Section 2164 are discovered during the audit, then the NYSDOH will require the students be excluded from school until they comply with the law. The Department will determine the cause of a school's noncompliance and, where appropriate, seek civil penalties from noncompliant schools. In some counties, the Department has delegated the county health department with authority to assist in conducting audits of schools to verify compliance.

NYS OCFS reviews vaccination records for compliance.

**14. Does the new law apply to students who receive special education services?**

Yes, the new law applies to students who receive special education services. However, the new legislation does not affect valid medical exemptions, and the United States Department of Education ("USDE") has issued guidance to assist schools in ensuring that students with disabilities under the federal Individuals with Disabilities Education Act ("IDEA") who are medically unable to receive vaccines due to a disability are not discriminated against on the basis of disability. USDE's Office for Civil Rights' *Fact Sheet: Addressing the Risk of Measles in Schools while Protecting the Civil Rights of Students with Disabilities* is available at: <https://www2.ed.gov/about/offices/list/ocr/docs/ocr-factsheet-measles-201503.pdf>.

Questions may be directed to the State Education Department's Office of Special Education, Policy Unit, 518-473-2878, [SPECED@nysed.gov](mailto:SPECED@nysed.gov) or to the appropriate [Special Education Quality Assurance Regional Office](#), [SEQA@nysed.gov](mailto:SEQA@nysed.gov).

**15. My child receives educational services from a public, private or parochial school off school grounds. Do they need to be vaccinated?**

If a student is enrolled in the school, regardless of where they receive educational services, they will need to comply with the vaccination requirements for schools.

### **VACCINATION REQUIREMENTS APPLICABLE TO ALL STUDENTS**

Public Health Law §2164, as amended by Chapter 35 of the Laws of 2019 applies to students attending all schools as defined in Public Health Law §2164 to include any public, private or parochial child caring center, day nursery, day care agency, nursery school, kindergarten, elementary, intermediate or secondary schools.

Public Health Law §2164, as amended by Chapter 35 of the Laws of 2019 prohibits a school from permitting any child to be admitted to such school, or to attend such school, in excess of 14 days without sufficient evidence that the child has received all age appropriate required vaccinations. The 14 days may be extended where the student is transferring from out of state or from another country and can show a good faith effort to get the necessary evidence **or** where the parent, guardian or any other person in parental relationship can demonstrate that a child has received the first age-appropriate dose in each immunization series and that they have age appropriate scheduled appointments for follow-up doses to complete the immunization series in accordance with the CDC's Advisory Committee on Immunization Practices Recommended Immunization Schedules for Persons Aged 0 through 18.

**1. Does the new law apply to children's camps issued a permit by the State or local health department?**

No. The new legislation applies to schools as defined in Public Health Law §2164 and does not apply to children's camps that are issued a permit by the State or local health department.

**2. My child had a religious exemption and attends summer school, or extended school year (ESY) for students with disabilities, which are not children's camps. Does the new law apply to summer school/ESY and if so, what is the**

**timeline I must follow to get my child vaccinated so my child can continue to attend school?**

Yes, the law applies to both summer school and ESY. Proof of immunization must be provided within 14 days after the first day of summer school/ESY. The 14 days may be extended where the student is transferring from out of state or from another country and can show a good faith effort to get the necessary evidence; **or**, where the parent, guardian or any other person in parental relationship can demonstrate that a child has received the first age-appropriate dose in each immunization series within the 14 days and that they have age-appropriate scheduled appointments for follow-up doses to complete the immunization series in accordance with the Advisory Committee on Immunization Practices ("ACIP") "Recommended Child and Adolescent Immunization Schedules for ages 18 years or younger."

Thereafter, if such students require additional vaccinations due to entering a new grade level when school starts again in the future, those students must provide evidence of having received any additional age-appropriate required immunizations within 14 days of the first day instruction commences. The 14 days may be extended where the parent, guardian or any other person in parental relationship can demonstrate that a child has received the first age-appropriate dose in each immunization series within the 14 days and that they have age-appropriate scheduled appointments for follow-up doses to complete the immunization series in accordance with the ACIP "Recommended Child and Adolescent Immunization Schedules for ages 18 years or younger."

<https://www.cdc.gov/vaccines/schedules/hcp/imz/child-adolescent.html>.

**3. When do parents need to provide proof of immunization in the fall for students who did not attend summer school or ESY?**

Proof of immunization must be provided within 14 days after the first day of instruction in September. The 14 days may be extended where the student is transferring from out of state or from another country and can show a good faith

effort to get the necessary evidence or where the parent, guardian or any other person in parental relationship can demonstrate that a child has received the first age-appropriate dose in each immunization series within the 14 days and that they have age appropriate scheduled appointments for follow-up doses to complete the immunization series.

- 4. Does the new law apply to attendance at activities that are on school property but open to the general public? Examples may include: SAT prep, sporting events, and plays.**

No. The new legislation does not apply to attendance at activities on school property that are open to the general public.

- 5. My child's school operates year-round, excluding ESY and summer school. When did the new law start applying to year-round schools?**

The change in the law took effect on June 13, 2019 and allowed 14 days for children to get their first dose of each required vaccine in order to be admitted to or continue attending school. Therefore, children at year-round schools were required to be vaccinated with the first doses by June 28, 2019. These children must be excluded from school immediately if they do not meet this requirement.

- 6. Does this new law apply to students aged 18 and older?**

No. The mandatory vaccination law only applies to a child, which Public Health Law §2164(1)(b) defines as a person between the ages of two months and 18 years. Once a student reaches the age 18, he/she is no longer required to show proof of immunization.

- 7. My child's school operates a year-round day care center. When did the new law start applying to these year-round day care centers in schools?**

The change in the law took effect on June 13, 2019 and allowed 14 days for children to get their first dose of each required vaccine. Therefore, children at year-round day care centers are required to be vaccinated with the first doses by June 28, 2019. These children must be excluded from day care centers in school immediately if they do not meet these requirements.

**8. My child had a religious exemption before the new law was enacted. Is my religious exemption still valid?**

No. Religious exemptions are no longer valid in New York State.

**9. Does the new requirement apply to charter schools?**

Yes.

**10. Do I need to schedule all of my child's appointments for all required doses, including all follow-up doses, within 30 days of the first day of attendance?**

Parents and guardians must demonstrate, within 30 days of the first day of attendance, that their child has age-appropriate appointments scheduled for the next follow-up doses to complete the immunization series in accordance with the ACIP schedule. However, the actual appointments for the follow-up doses may be more than 30 days out, so long as they are in accordance with the ACIP schedule available online at <https://www.cdc.gov/vaccines/schedules/hcp/imz/child-adolescent.html>.

**11. When are follow-up doses required for children who received their first doses prior to the change in law and are overdue for their next doses?**

Such students must still receive their next doses as soon as they are due, in accordance with the ACIP schedule. Children must receive all first doses, or overdue follow-up doses if they already received prior doses in a series, within 14 days of school or child day care attendance, and must provide evidence of age appropriate appointments for the next follow-up doses, in accordance with the ACIP schedule, within 30 days of the first day of attendance. All required vaccine schedules must be completed in accordance with the ACIP schedule. Here is a link for the routine immunization and catch up schedules:

<https://www.cdc.gov/vaccines/schedules/hcp/imz/child-adolescent.html>

**12. Is the rotavirus vaccine required to attend school?**

No.

**13. My child never received the pneumococcal vaccine or Haemophilus Influenzae type B (Hib) vaccine as a baby. Now my child is entering kindergarten. According to the ACIP schedule, healthy children age 5 and older don't need these vaccines. Does my child still need these vaccines to attend school?**

No. Pneumococcal and Haemophilus Influenzae type B (Hib) vaccines are only required for day cares and pre-kindergarten programs. Children in kindergarten through grade 12 do not need to receive a pneumococcal or Hib vaccine.

**14. Who may issue a medical exemption?**

Pursuant to Section 2164 of the Public Health Law, only physicians licensed to practice medicine in NYS may issue a medical exemption.

**15. Is serological evidence of immunity acceptable proof of immunization for school enrollment?**

A positive serologic test can be accepted as proof of immunity for school enrollment only for the following diseases: measles, mumps, rubella, varicella (chickenpox), hepatitis B and all three serotypes of poliomyelitis found in the polio vaccines.

**16. If I'm a Group Family Child Care Provider, with my own children in my home, in addition to day care children, what are my options regarding my own children who remain in the home during day care hours and are not vaccinated? Can they remain in another part of the house during day care hours?**

In home-based child care programs (family day care and group family day care), a provider's own non-school aged children count in the program's capacity and are considered to be enrolled in the program. The provider must comply with Public Health Law and New York State Child Care Regulations regarding immunizations, and must keep documentation of immunizations all enrolled children have received, including the provider's own children.

**17. Are "homeoprophylaxis vaccines" acceptable alternatives for required vaccinations?**

No. Only licensed vaccines recommended by the ACIP are acceptable.

**18. Are out-of-country immunization records acceptable?**

Yes, as long as they are official records and can be read and understood by the school or have been reviewed and signed by a physician licensed to practice medicine in NYS.

**19. Are children allowed to follow a delayed vaccination schedule for required vaccines?**

No. The ACIP schedule must be used. Delayed vaccination schedules are not permitted.

**20. What does the June 30, 2020 date mean in the law?**

Until June 30, 2020, a child can attend school if they receive the first age-appropriate dose in each immunization series within 14 days from the first day of school attendance and can show within 30 days that they have scheduled age-appropriate appointments for required follow-up doses. This allows students who were not fully up-to-date on their vaccinations on June 13, 2019, when the law was enacted, to continue to attend school, as long as they receive the first age-appropriate dose in each immunization series within 14 days from the first day of school attendance and can show within 30 days that they have scheduled age-appropriate appointments for required follow-up doses. By June 30, 2020, all students who were attending school at the time the law was enacted are expected to be fully up-to-date on their required immunizations and therefore the 30-day extension allowing such children to be enrolled as long as they have scheduled appointments to complete their immunization series according to the ACIP schedule will expire.

**21. Can all required vaccines be given at the same time? Can the schedule be spread out?**

Scientific data show that getting several vaccines at the same time does not cause any health problems. If combination vaccines are used, the number of injections can be reduced. The highest number of vaccines that a child might need to attend school or daycare is seven. However, the number varies by age, and older children need fewer doses to catch up. It is important to note that infants routinely get multiple vaccines at once, according to the ACIP schedule. The ACIP schedule is approved by the American Academy of Pediatrics, the American Academy of Family Practice, and is the standard of practice for vaccination in the United States. Vaccines can be

spread out to start, so long as a child receives the first age-appropriate dose in each immunization series within 14 days of the first day of attendance.

**22. If a school doesn't receive State Aid, can it offer religious exemptions to the vaccination requirement?**

No. All schools must comply with the immunization requirements, regardless of whether they receive State Aid. Public Health Law §2164(1)(a) defines "school" to include any public, private or parochial child caring center, day nursery, day care agency, nursery school, kindergarten, elementary, intermediate or secondary school.

## Instructions for the Requesting Physician

This form must be completed and signed by a physician licensed in New York State and be based on [Advisory Committee on Immunization Practices' recommendations and guidelines](#), in accordance with NYS Public Health Law Section 2164. Parental concerns about immunizations do not constitute a valid medical exemption. Medical exemptions are granted for no more than one year and requests must be resubmitted annually. NYC Department of Health medical providers review all medical exemption requests and may request additional information. Note: students on home instruction are required to be vaccinated in accordance with the NYS Public Health Law Section 2164.

The following are **NOT** valid contraindications to ANY routine vaccine:

- Egg allergy, even if anaphylactic, is not a valid contraindication to MMR, influenza, or any other vaccine.
- Autism and/or developmental delay in the child or family member.
- Controlled seizures (with or without medication).
- Mild, acute illness (e.g., low-grade fever, cold, upper respiratory illness, diarrhea, otitis media).
- Prior influenza A and/or B infection (influenza vaccine still required for children up to the 5<sup>th</sup> birthday).
- Contact with immunosuppressed persons by a healthy individual.
- Pregnancy in the household or contact with a pregnant woman.
- Family history of any vaccine reaction(s) or history of allergies (in a relative).
- Family history of seizures (in a relative).
- Parental requests to delay or withhold vaccinations will not be considered.

## Notice of Exclusion From School Due To Incomplete Immunization Record

Child's Name:		Date:
Child's OSIS Number:	School DBN:	Grade or Class:

Dear Parent or Guardian:

As of \_\_\_\_/\_\_\_\_/\_\_\_\_, your child cannot attend school due to one or more missing vaccines required for school (checked off in the following table). Under Public Health Law Section 2164, your child's principal is prohibited from allowing your child to stay in school unless you provide records your child has received the vaccines or proof of immunity.

Show this letter to your child's health care provider to make sure they receive any missing vaccines. If your child already received the vaccines or has records of immunity, give the records to your school principal. Vaccines given before the minimum age (too early) do not count. Alternative vaccine schedules are not allowed. Call 311 for questions about immunizations or help finding a health care provider.

# REQUEST FOR REVIEW OF SEROLOGY OR DOCUMENTATION OF VARICELLA DISEASE TO SATISFY IMMUNIZATION REQUIREMENTS

Student's Name	Date of Birth ____ / ____ / ____
OSIS #	ATS DBN

## INSTRUCTIONS FOR THE REQUESTING MEDICAL PROVIDER

New York State Public Health Law §2164 allows for laboratory documentation of immunity to satisfy the immunization requirements for school/childcare attendance for measles, mumps, rubella, varicella, and hepatitis B. Serologic evidence of immunity to polio is acceptable only if results are positive for all three serotypes and testing was done prior to September 1, 2019. **Serologic results are not acceptable proof of immunity to diphtheria, tetanus, pertussis, meningococcus, pneumococcus, or Haemophilus influenzae type b.** Diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella (chicken pox) disease is acceptable proof of immunity to varicella. Parent history of varicella disease is not acceptable.

**As the child's medical provider, I certify that this child has (select all that apply):**

Lab evidence of immunity\*: ☐ Measles ☐ Mumps ☐ Rubella ☐ Varicella ☐ Hepatitis B ☐ Polio (3 serotypes)

Varicella disease history\*: ☐ Varicella disease (must be provider-documented)

\* You must include one of the following documents for laboratory evidence of immunity or varicella documentation:

- A copy of the laboratory result including student name, DOB, test results and either reference range or qualitative result (e.g., positive, immune); you must sign the document.
  - Equivocal results are not accepted as proof of immunity.
  - Notes indicating immunity without laboratory test results are not accepted as proof of immunity.
  - Immunity to polio serotypes 1,3 (only types available for testing) do not meet the requirement for polio vaccine.
- For varicella disease: documentation or basis for confirming varicella disease.
  - Original note confirming varicella disease when available.
  - Citywide Immunization Registry history page indicating that the child had varicella disease: must be provider-documented; documentation or basis for diagnosis may be requested.
  - Parent history alone is not acceptable documentation for varicella disease.

## Immunization Request Letter to Parents/Guardians of Students in PreK-12

Dear Parent/Guardian of \_\_\_\_\_ Date \_\_\_\_\_

**All students entering or attending school in NYS, including remote school attendance, must be immunized. Your child is missing one or more immunizations (shots) for school.**

Please share the attached documents with your child's healthcare provider (MD, NP, PA) so they can provide the immunizations (shots) your child needs. The age at which immunizations are given must match the [NYSDOH Immunization Requirements for School Entrance/Attendance Chart](#).

The following immunizations have changes in requirements for the 2023-2024 school year.

**Tdap vaccine requirements in the 2023-2024 school year are:**

- Students in grades 6 - 9 are required to have a dose no earlier than 10 years of age.
- Students in grades 10 - 12 are required to have a dose no earlier than 7 years of age.
- Students 11 years or older entering grades 6 -12 are required to have one dose of Tdap.
- Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.

**Meningococcal Conjugate vaccine requirements in the 2023-2024 school year are:**

- Students in grades 7 - 10 are required to have the first dose no earlier than 10 years of age.
- Students in grades 11 - 12 are required to have the first dose no earlier than 6 weeks of age.
- For students in grade 12, if the first dose of meningococcal conjugate vaccine was received at 16 years or older, the second (booster) dose is not required.
- The second dose must have been received at 16 years or older. The minimum interval between doses is 8 weeks.

**Schools can accept the following immunization records as proof of immunization:**

- An immunization record from your healthcare provider or health department.
- An official copy of the immunization record sent directly from your child's previous school with the dates given.
- A NYSIIS/NYCIR Immunization Registry record.
- A blood test (titer) lab report that proves immunity to Measles, Mumps, Rubella, Varicella, Hepatitis B.
- A note from your healthcare provider with the date your child had Chicken Pox (varicella).

**Please return your child's immunization record to the School Health Office.**

## Exclusion Notification For Missing Immunizations (Shots)

Dear Parent/Guardian,

Date:

All children must receive the immunizations (shots) required by New York State Law Section 2164 to attend school. You are receiving this letter because your child is missing the required immunization(s), or the doses were not given at the right time.

**You must provide proof of immunization(s), the required immunizations can be obtained from a health care provider or your county health department at:**

\_\_\_\_\_

Your child is not allowed to attend school beginning \_\_\_\_/\_\_\_\_/\_\_\_\_ unless you provide proof your child has received the required immunizations.

**These are the immunizations needed:**

Immunization Name	# of Doses Needed
Diphtheria/Tetanus/Pertussis (DTaP or Tdap)	
Polio	
Measles/Mumps/Rubella (MMR)	
Hepatitis B	
Varicella (Chickenpox)	
Meningococcal Conjugate (MenACWY)	
Hemophilus Influenzae (HIB)	
Pneumococcal Conjugate (PCV)	

**Proof of Immunization can be:**

- An immunization certificate signed or stamped by your health care provider.
- A record issued by NYSIIS or CIR from NYC
- or an official immunization registry from another state or official record from a foreign country.
- An electronic health record from your provider's office.
- A blood test (titer) lab report that proves your child is immune to measles, mumps, rubella varicella (chickenpox), or hepatitis B.
- For varicella (chickenpox), a note from your health care provider (MD, NP, PA) which says your child had chickenpox.

As the parent/guardian you have the right to file a 310 appeal to the Commissioner of Education within 30 days of receiving this notice. Information can be found at [www.counsel.nysed.gov/appeals](http://www.counsel.nysed.gov/appeals)
