September 2025

Dear Parents:

Did you know your child(ren) can benefit from:

- Smart Boards and Science Kits
- Virtual Learning Systems for Students
- Free Extended Year Summer Programs
- Professional Development for Teachers and Principals
- E-Rate Funding for Technology
- Technology Coaches and Online Programs
- School Scholarships and Grants

A portion of the funding for these important educational programs is made available through your hard-earned tax dollars. Every family contributes and every student can benefit, regardless of income level. Our school can be eligible for up to \$2,000 per student for each form returned!

Here is how your child can take advantage of one or more of these resources:

To determine eligibility for these programs, parents must fill out the attached form in its entirety and return it to their child's teacher by September 19, 2025.

Please list all the names of children attending our school on the application and complete all questions on the form.

This form is not shared with anyone. It is for school personnel to determine the programs for which your child and the school are eligible.

Thank you for your cooperation and please do not hesitate to contact me if I may be of further assistance.

Sincerely,

Mrs. Margaret O'Connor
