We are all called to gratefully give back to the Lord in proportion to the gifts we have been given. This means everyone isn't called to give the same amount, but everyone is called to give equal sacrifice. Open your heart and talk to God about how you use your money. How is God calling you to be more generous with your financial resources and possessions?

COME LEARN MORE ABOUT OUR FAITH

Catholic ecclesiology is the **theological study of the Catholic Church**, its nature and organization, as described in revelation or in philosophy. Such study shows a progressive development over time. Here the focus is on the time leading into and since the Second Vatican Council (1962-1965).

If you really want to improve your Christian life and become the disciple Jesus wants you to be, come and let us learn together the beautiful reality of the Church, who and what we are in Jesus' plan of salvation for the whole of humanity.

Our talks will try to answer as many questions as possible, trying to improve our knowledge of the Church, removing all false, wrong, or misguided ideas, seeking only the truth of our Church.

Dates: November 2, 9 & 16
Time: 7:00pm
