DIOCESE OF WORCESTER

Dear parishioners,

There is only one thing that every priest should have in his heart and mind always, and that is to ensure that each and every member of the community grow in love of God; that the community become that image of Christ not only to one another, but to all who encounter any of her members at any place they may be.

I want to take this time to thank you all for two amazing years full of love and faith. Forgive me if, unintentionally, I have done something that upset some of you. I only tried to do what I was asked to do with responsibility, justice, and with a vision of the future for the continuation of this amazing community in the times to come.

Please love the Eucharist, respect the sacredness of this Sacrament that is the gift from heaven; celebrate the Holy Mass like it was your first and last. Remember that it is in the eucharist that you become what you eat, so you are made capable of bearing Christ in you, his salvific mission for the entire world.

Focus on Jesus and in Him alone. May your donations of time, money, and the service you give to the community be made with eyes raised to heaven and truly looking to the needs of those you serve. Do not treat the Church, the bride of Christ, just like a mere business or institution, rather, treat her as Jesus himself would do it.

Support your priests, whomever they may be. The unity of a community with her pastor is the living sign of communion and unity. Work together for the Kingdom of Heaven.

Support with all your strength the programs for our children and youth. I invite Families to please make God their priority, and all kinds of blessings will shower over all of them.

May all the leaders of the groups and ministries continue with their mission with the intention of doing it not for the people alone, but above all for the Glory of God. May every member of the groups and ministries always remember that what they do is for the glory of God. How wonderful it is to know that you all are giving glory to God by the service you give.

Love one another with sincerity of heart, remove anything that leads to division. Division is the antithesis of the unity of God, it deforms and dishonors God's name.

Make sure that you go to confession regularly. Enjoy and love the fact that God forgives you and that we should never be an obstacle for such a great grace.

I want to acknowledge the amazing, selfless, and generous work of the Staff. Since day one each one of them not only offered me their friendship, but also worked hand in hand with me in the pastoral program of making Saint Denis an Ecclesial community fashioned after Jesus her head and Lord. They understood the procedures and aligned with the Diocesan policies. Working with such amazing people has been an honor and a pleasure.

Thank you all. Each one of you have definitively made an impression in my life, a print of God's love. I will carry you in my heart and in my prayers.

With the Love of Christ,

Rev. Nelson Rivera
