# St. Agatha Parish — Annual Report July 1, 2020-June 30, 2021

Dear Sisters and Brothers in Christ,

This week and next we are including in our parish bulletin two Annual Reports: this week for our parish and next week for our school. Thanks be to God, to our parish and school staffs, to our Finance Council, and to you our parishioners for enabling us to make our way through the pandemic as well as we have so far. While you our parishioners have enabled us to meet our weekly targeted amount for our offertory almost every week, the annual budget figure was decreased for this fiscal year such that we anticipate having a parish deficit of more than $75,000. Our hope is that with more people returning to Sunday Mass, additional parishioners enrolling in online giving, and a successful Grand Annual collection this year as we did last year, that deficit can be eliminated or at least significantly reduced.

As I mentioned in a previous bulletin column several months ago, the money that we hope to receive from the sale of a parcel of our land to the Town of Milton for the construction of a new fire station will be used to help pay off the loan for the repair of our Church tower and to provide a "rainy-day fund" in the event of the need for emergency repairs to the buildings of our parish and school campus here. There is a recent "twist" to all this in that the Town did some radar soundings of the land and found that there were buried underground two large units. The Monday before Thanksgiving the Town will be digging up that area to determine what those two large units are and if there has been any leakage from them into the soil. The results of this project could have an impact on what the net benefit of this sale will be for our parish. So, we shall wait and see, and I ask for your prayers that the news will be good from this excavation project.

As you will see in next week's bulletin with the financial report for our School, our Principal Mrs. Nancy Carr and her faculty and staff have done a wonderful job in maintaining in-person learning for our students with an increase of enrollment this year. Despite the loss of Bingo, with good fiscal management on Nancy's part, and with an expected increase of fundraising by the parents, the School should be on solid financial ground.

In closing, I thank you for your financial and spiritual support of our parish and school, and I continue to feel extremely blessed to work with the superior staff we have here, and to serve as pastor of such a vibrant parish centered on Christ and under the protection of our Patroness St. Agatha. As I'm sure everyone is aware, 2022 will be a great year for us all as we celebrate our Parish's Centennial. For my column in next week's bulletin I have asked Joseph Reardon, the Chairperson of our Centennial Committee, to share with you some of the plans and hopes we have for our Centennial Year.

Have a blessed week!

*Fr. Palardy*

## Operations Note—FY 2020 Parish Annual Report

We're pleased to present to you in this week's bulletin the Annual Report for St. Agatha Parish for Fiscal Year 2021, which ended on June 30th 2021. Included as well are three years of Actuals to better present a comparative normal year (2019) to gauge where we are currently from pre- pandemic operations. Also included is the budget that started on July 1st, 2021, which ends on June 30th, 2022.

Each year has its own challenges, this past year we continued to experience the effects from the pandemic. We anticipated the restarting of many activities/ministries, with plans held in abeyance according to State and Archdiocesan guidelines. As you can see from the information provided, Youth Activity income and Other Parish expense is low, as this reflects the Summer Outreach Mission being changed to local events, along with the suspension of the basketball program. At the same time, we welcomed many back to Mass and resumed the celebration of the life-giving sacraments.

The Parish Finance Council had approved a transfer of $102,540 to balance this year's budget. Two unanticipated positive developments made that transfer unnecessary. First, the generous response of the parish community to the Grand Annual Appeal, which provided $ 65, 213 more than budgeted, the unexpected receipt of Catholic Appeal Rebate of $30,000 along with many small gifts sent to the Parish by faithful parishioners, helped us to close the year with only a small operating loss. Additionally, other good news, as expected we received formal approval of our application for full forgiveness of the Payroll Protection Loan of $142,300. Since forgiven this year, it is shown as income. Although the Centennial capital campaign plans were delayed due to the pandemic, some capital replacements were deemed necessary to avoid additional damage to building systems. The aged roofs for the garage and the rectory were replaced, along with the telephone system totaling $63,200. In addition, necessary capital repairs were made to the Church organ.

As you can see from the three years of Actuals, the offertory is in a downward trend. As some of this was due to the pandemic, it was trending down before as well. This highlights the critical need for a successful Grand Annual Drive, as it supports 22% of the operating expenses of the Parish that allows us to maintain our spiritual home and keep the Parish staffed.

We continue to monitor the budget closely, and make adjustments as necessary. The Parish Finance Council approved the FY 2022 budget with an anticipated transfer from Reserves of $75,641 to balance the budget. We are hoping that with increased participation in online giving, the basketball program restarting, and a successful Grand Annual, we will close the year without needing a transfer. Many thanks to all the faithful parishioners who made this possible this year!

### *Staff Changes*

As the end of the fiscal year neared, we bid farewell to three long-time staff members. In May, after 6 years, Father Makos was reassigned as Pastor of the Collaborative of The Blessed Sacrament Parish and St. Margaret Parish in Saugus and we welcomed Fr. Tom Stanton as his replacement. In June we also said good bye to Jack Riley as the Director of Operations for 19 years, and welcomed his replacement, Adam Leskow. In August, we said goodbye to Kathy Monahan, Parish Secretary after 14 faithful years and welcomed Jean Curley as her replacement. All will be greatly missed and we thank them for their service and leadership over the years, especially during this past year navigating the Parish through the challenging times of the pandemic. May God bless them in their new endeavors!

## FEATURED WEEKLY READING

**Read Reflect Respond**

**THEME:** We must give to God until we have given enough.

What image lingers for you from this reading? What single word or idea struck you in it?

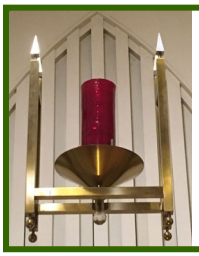
**Gospel:** Mark 12:41-44

Jesus sat down opposite the treasury
and observed how the crowd put money into the treasury.
Many rich people put in large sums.
A poor widow also came and put in two small coins worth a few cents.
Calling his disciples to himself, he said to them,
"Amen, I say to you, this poor widow put in more
than all the other contributors to the treasury.
For they have all contributed from their surplus wealth,
but she, from her poverty, has contributed all she had,
her whole livelihood."

### *Pastoral Planning*

**November 7 ~ Thirty-second Sunday in Ordinary Time**

Two readings from today's scriptures focus on stories of widows. Both were poor women in relation to worldly standards and yet when called upon to be generous they gave everything they had. In the gospel, Jesus points out the action of the widow with the words "she contributed all she had…" Being a grateful disciple of Christ requires a spirit of stewardship of the multiple gifts God has bestowed on us. It means being willing, like the two widows, to make sacrifices, to offer prayer and service to the parish as well as to those most in need. Are you willing to share these gifts? This week, pay attention for opportunities that God will provide for you to share your time, your talent, and your treasure—and then—respond as a grateful disciple!



For the two week period of November 7–20, the Vigil Candle above the Tabernacle will be lit in memory of Heather Anne Fleming. Donated by her parents, Mr. & Mrs. John S. Fleming. May the light of God's love surround you.

## SERVICE OF *Remembrance*

On **Sunday, November 7 at the 11:30am Mass**, the Faith Community of St. Agatha's will celebrate a Memorial Mass for all our loved ones who have died this past year.

This is a wonderful opportunity to support one another through prayer and presence, as we strive to grasp the mystery of God in our lives.
