

Dear Third Grade Families!

Welcome to Summer!! That brings fun, sun and lots of downtime. However, coming into fourth grade there will be a reading assignment that needs to be completed by the first day of school.

Attached you will find the book report that will need to be completed with the book **Best Year Ever by Barbara Robinson**. This book is about a teacher asking the children to write down compliments on a classmate, after they were not getting along.

I hope you are looking forward to fourth grade!

Have a fantastic summer!

God Bless,
Mrs. Moffa
