***- MATTHEW 20:16***

You've heard the saying "it's not where you start, but how you finish." This certainly applies to this Bible passage. We have a responsibility not only for our own lives, but for the lives of others as well. We are called to generously share our gifts with others, not hoard them for our own use. Our gratitude and generosity helps us live "God-centered" lives and not "self-centered" lives.

**Questions for the Road…**

"What if I wish to give this last one the same as you? Or am I not free to do as I wish with my own money? Are you envious because I am generous?" -- Matthew 20:16

In this gospel passage we learn that we, too, will be paid in full. We, too, will be given God's total love, God's totally generous offer of grace. Even when we come rather late to the table, the feast is still plentiful.

- What undeserved gifts have shown God's generosity and love for me?
- When have I experienced God's generous love, even though I was slow to respond? To what have I been called that I did not respond?

**Respect for Life Prayer**

God of life and love, you created us in your image and sent your Son to bring us life. Instill in us a respect for all life, from conception to natural death. Empower us to work for justice for the poor. Nourish us that we may bring food to the hungry. Inspire us to cherish the fragile life of the unborn. Strengthen us to bring comfort to the chronically ill. Teach us to treat the aging with dignity and respect. Bring us one day into the glory of everlasting life. We ask this through Christ our Lord. Amen.

**Tri-Parish Social Action/Justice Committee Mtg 9/20**- Tri-Parish Social Justice Meeting Notes

1. Each member has some special focuses or concerns and we will try to let them work in or on those areas.
2. Life and Dignity Sunday is our first concern – Oct. 28-29. It will include a witness talk by one of our members the Sunday before.
3. We are trying to narrow the focus for the year to four areas – 1. A dinner open to all that will highlight and inform those attending about current action and justice issues. 2. Once a month do a short presentation at Mass on an issue. 3. Life and Dignity Sunday. 4. Organize some kind of parish mission trip to some help organization such as Northland Mission in GF.
4. We are researching local helping groups and will bring information on them to parishioners.
5. Will try to requests for support such as local respite care efforts and parish twinning with needy parishes, etc.
6. Will work on a mission statement that will explain and guide our efforts.
7. Next meeting: Wed. Nov. 15 at 5:15 PM.

***A Prayer for Recovery After Disaster***

God our Father, in the wake of disaster, visit our places of desolation with your consolation. Bring strength to the weary and courage to those who feel overwhelmed. We believe that you hold our concerns in your Fatherly care, and that you entrust us to one another as sisters and brothers. Mobilize your people near and far to feed the hungry, shelter the displaced, and protect those in deepest poverty. As we rebuild what is ruined, may we recover together as a stronger community. We ask this through Christ, our Lord. Amen.
