Helpers needed for the Mass at LifeCare Manor --

We need one more helper. They just today (Thursday) closed the facility after a patient tested positive for Covid. This is still being looked into but for now the facility is closed to visitors and we did not have Mass there this past week (July 23). If interested in helping call the parish office -- 463-2441.

LET'S PLAY A GAME!

Now that we are back in church -- each week we will post an image on our Facebook page, **@RoseauCatholicCommunity**, and ask that you guess what the image is, where it is located in the church, and what it might be used for. Let's see if you can figure it out! Post your guesses.

Stop Abortion, All Lives Matter

We have brought a lot of problems upon ourselves because we have pushed God out of our lives, our schools, our homes and government buildings. We ignore His Ten Commandments and turn around and make our own laws. We act like we know more than our God does.

In 1973, our U.S. Supreme Court legalized abortion, an evil law declaring it was OK to take the life of a baby in the womb of the Mother. But let's call it by its real name, murder.

Since then, more than 62 million babies have been murdered here in the United States of America alone. This is something we should all be ashamed of.

We talk of the terrorists and how they are such an evil threat to the world under the guise of religions. We have problems here on the streets between a few African-American men and our police officers whose job is to protect us all.

Yes, black lives matter, police lives matter, and babies' lives matter. All lives matter and are precious in God's sight. We mourn the lives of all who have died by violence. If we were obeying God's fifth Commandment, "Thou shalt not kill," none of this would have happened. We will all have to answer for our actions one day. *Ruth Weber, Davenport, Iowa*

Natural Family Planning Awareness Week: July 25-31

"Be her Joseph!" by Tom Mealey

When we first married, my wife, Misty, and I were the typical secular couple. We relied on hormonal contraception. Due to bad side effects, that didn't last long. Misty found out about NFP through a Catholic friend. Admittedly, I was suspicious of all the "hocus pocus" involving thermometers at o' dark-thirty in the morning and observations written down in cryptic symbols on the NFP chart. That would all change in surprising ways once we got into living the NFP lifestyle. Read more of this stories and others: www.usccb.org/topics/natural-family-planning

Gifts of Hope

Key passage: when the people were satisfied, he told his disciples, "Gather up the fragments left over, so that nothing may be lost." So they gathered them up, and from the fragments of the five barley loaves, left by those who had eaten, they filled twelve baskets.
—John 6:12-13

"There is a boy here who has five barely loaves and two fish; but what good are these for so many?" -John 6:9

The miracle of the Loaves and Fishes carries two important messages. First, no matter how little we have, we always have enough to share. Second, Christ can take our humble gifts and do great things with them if we are just willing to let Him. Nothing is impossible with God. All of our gifts, big or small, were given to us for a reason. No gifts is too small or insignificant!

"They shall eat and there shall be some left over."

Sheepish Question:

How can what I have to offer possibly change the world?
