8th Sunday of Ordinary Time This week's Gospel reading is all about examining what kind of fruit we are bearing in our lives right now. Consider your marriage, your family, your friendships. Think also of your workplace, your parish, your community. Most of all, ponder your moral and spiritual life—your relationship with God. What good fruit are you bearing in these areas of your life? Is there any bad fruit that needs to be removed? Jesus tells us that the true test of a disciple is fruit bearing. Just as every tree is known by its fruit, so every disciple is known by the fruit he or she produces. And that fruit begins to grow in our hearts. As we invite the Lord into our hearts, he begins the work of transformation within us. He tills the soil, and plants good seeds of faith. Those seeds grow in us as we deepen our relationship with him and grow to bear great fruit in us. And as we will see in today's reflection, the "fertilizer" for that fruit is all the day-to-day circumstances of our lives: our trials, our difficulties, our opportunities to practice patience, generosity, humility, and forgiveness. These seemingly small, insignificant circumstances we encounter every day are what God wants to use to help us grow and bear good fruit. FORMED.org

New Life through the Tender Compassion of our God

Relationship, Identity, & Mission

The Holy Spirit is the giver of gifts, and the beauty of the Church is that each of us has been given certain charisms. A charism is a gift of the Holy Spirit given to a person or to a group in order to bring God's saving love to the world. As our life of discipleship strengthens and grows, so too do our charisms. When the Holy Spirit comes alive in people, their particular charism come alive. As a Church, we do not need to "control" or directly encourage all these charisms, even though they always have to be exercised in communion with the Church and her leadership. Our pastoral vision cannot possible anticipate all that the Holy Spirit will do, and we need to be flexible and creative as we listen and discern what it is that the Holy Spirit wants us to do. We want people to come alive in the Holy Spirit and learn how to surrender their lives to him, and we know that he will use the charisms, for evangelization, as this is Jesus' primary goal.

"Our mission flows from our identity, which flows form our relationships."

Authentic Living

Jesus said, "How can you say to your neighbor, 'Friend, let me take out the speck in your eye,' when you yourself do not see the log in your own eye?" (Lk. 6:42a)

- **Adults:** when have you most felt like a hypocrite? How did you overcome this feeling?
- **Children:** is it a good thing or a bad thing to act differently from what you are really feeling? Why?

Dear Jesus, Help me to spread thy fragrance everywhere I go. Flood my soul with thy spirit and love. Penetrate and possess my whole being so utterly that all my life may only be a radiance of thine. Shine through me and be so in me that every soul I come in contact with may feel thy presence in my soul. Let them look up and see no longer me but only Jesus. Stay with me and then I shall begin to shine as you shine, so to shine as to be a light to others. Amen.

Items that are needed are shelf stable proteins, canned fruits and vegetables, grains, personal hygiene items and monetary donations.

Did you know that the 1st Roseau Food Shelf was started in Sacred Heart Church by Fr. Carriere, Pastor Hermenson from Messiah church with the help of Iona Ferderer over 40 yrs ago? Iona has remained the face of the food shelf to this day. Several of our parishioners have been actively volunteering to support the shelf. Thank you!
