"The disciples were filled with joy and the Holy Spirit." (ACTS 13:52) The disciples heard Our Lord's call and were able to spread the Gospel message with strength and vitality. We, too, can experience that same joy if we make room for the Holy Spirit to fill our hearts. When we use our gifts in the way that God intends, He fills us with supernatural joy. A joy that others notice and are attracted to!

Prayer for Mother's Day

Holy God, you compared your own love for your people to the love of a mother for her children. Look with kindness on our mothers who shared in your creating love by the gift of her children.

We thank you for the joys and sorrows of her life, the giving and sharing, and especially for your love that has formed us in your image.

Listen to our prayers and bless the mothers who have nurtured and sustained us. Give her patience in abundance and let her find joy and satisfaction in all her work.

Glory and praise to you, loving God, through Jesus

SACRED HEART, ROSEAU

The cookbooks have ARRIVED!!

Cookbooks are \$20 each. All sales are to be made to the Sacred Heart Ladies Guild. We have over 1600 cookbooks to sell, and the profits will be donated to the Capital Campaign.

We are asking if you would like to take some to sell that you essentially purchase them and then when you sell them, you keep the money. This seems to be the best way for us to keep track. For example -- You take 5 books and pay \$100 and then you keep the \$100 after you sell them...and we hope you will come back for more to sell! Another option is to take YOUR cookbook with you to family and community activities and take orders (collect \$20 for each) and then contact a committee member or bring your order to a weekend mass to be filled.

This is going to take a joint effort, but we are excited!!

New Life through the Tender Compassion of our God *The Eucharist as the Source and Summit of Evangelization*

New Life

Through the Tender Compassion of Our God

The work of evangelization is difficult and laborious and cannot be done by our own strength. We need supernatural strength! The sacramental life, especially confession and the Eucharists, is essential to supercharging our evangelization efforts. Without the grace that flows to us from the Sacraments of prayer, we will not be able to sustain the difficult work ahead. It is good to remember that our dedicated priests offer us this strength through the Sacraments, and for this reason we owe them a great debt of gratitude. They have accepted this radical call to lay down their lives for you. God has chosen them for this special service to lead us in the missionary efforts of our diocese. **Let us be grateful to them and support them as they seek to make our parishes mission centers deeply rooted in the Eucharist.**

"The fruit of strong families who live the faith will be an increase in vocations. The question of vocation is central to every person's life."

Come as you are, leave as He calls you
