Religious Ed Survey We are excited to share with you that we are looking to possibly try things a little different this year and we are looking for your input. We have been struggling with attendance in the elementary grades for the past few years since we moved the time from 3:30-5 pm to 5:30-7pm. We want to hear from you when the best time would be to meet to share God's teachings to our youth. We know that what we choose might not be what you voted for, but we will look at the majority and see where the responses are. Thank you so much for your time in this short survey. An email was sent out to RE families with a link to take survey. If you did not receive it you can use this QR code to take survey.

FROM THE DIOCESE OF CROOKSTON

New Life through the Tender Compassion of our God

*The Eucharist as the Source and
Summit of Evangelization*

New Life

Through the Tender Compassion of Our God

Continue to cultivate a culture of vocations .

The fruit of this Revive priority, which we are already beginning to see, will be a culture of vocations and stronger marriages, which will lead to vocations to the priesthood and consecrated life.

Plan to use our resources well for mission. We recognize the need to evaluate our resources in light of the mission Christ has for us today. Our human resources, our physical buildings, and our financial resources must be placed at the services of our mission. ***We want to answer the question: How do we structure our parishes so we can maintain what we need and give resources to evangelize?***

"The fruit of strong families who live the faith will be an increase in vocations. The question of vocation is central to every person's life."

Is anyone among you sick? Call for the priests of the Church and have them pray and anoint them with the oil in the name of the Lord. Prayers of the faithful will save the sick, and the Lord will raise them up; and anyone who has committed sins will be forgiven." The Church has the great challenge of continuing the work of Jesus' healing in the world. Please know of the Church's pray for you and the one you love who is ill. If you are sick and need a priest or know of someone who is sick and needs a priest, call the church office.
