### **EXPLANATION OF DEATH BENEFIT**

### MARRIED PARTICIPANTS

If you die before you retire, your retirement plan provides that any plan benefits to which you are entitled will be paid to your surviving spouse. Your surviving spouse is the spouse to whom you were married throughout the one-year period ending on your date of death.

However, if your spouse consents in writing, you may designate a beneficiary other than your spouse to receive the benefits. Your spouse's consent must be witnessed by the Plan Administrator or the Plan Administrator's representative or by a Notary Public.

You may not change your beneficiary designation without your spouse's written consent.

You may revoke your election at any time. To make a new election, you must again obtain your spouse's written consent.

<u>UNMARRIED PARTICIPANTS</u>
You may designate a beneficiary to receive any benefits to which you are entitled if you die before you retire.

If you marry after completing this form, your beneficiary designation election may no longer be valid and your spouse may be entitled to the benefits described above for married participants.

IF YOUR MARITAL STATUS CHANGES OR IF YOU HAVE ANY QUESTIONS ABOUT THIS EXPLANATION, PLEASE CONTACT THE PLAN ADMINISTRATOR.

Please keep a copy of this form for your records
