APRIL 2026

Hello April!

Spring is finally here, and April brings lots of fun things to celebrate! Easter reminds us of joy and new beginnings.

April Fools' Day brings a little silliness, and the warm weather helps flowers and trees start to bloom. April is also Earth Month, a special time to remember how important our planet is. Even small actions, like picking up litter, recycling, or turning off lights, help keep the Earth happy and healthy. Let's enjoy the sunshine, the laughter, and all the ways we can take care of our world this month!

April Fools

April 1st is all about giggles and silly surprises! It's a day to share jokes, have fun, and enjoy a little extra laughter. The best jokes are the ones that make everyone laugh!

Why did the egg hide? 
Because it was a little chicken!

What do you call a dinosaur that's sleeping?
A dino-snore! 

Why did the student eat his homework? 
Because the teacher said it was a piece of cake!

Egg-cellent Spring Trivia

April is full of fun facts and surprises, so test your knowledge with our April Trivia! See how much you know about spring, Earth Day, Easter, and all the silly fun this month brings.

What year was the very first Earth Day?
A. 1950 B. 1970 C. 1990 

Baby rabbits are called what?
A. Kits B. Pups C. Cubs 

What bird is known for returning north in spring and building mud nests with a red chest?
A. Finch B. Robin C. Cardinal 

What ancient country is believed to have celebrated a spring "festival of jokes," similar to April Fools' Day? 

What is the name of the process plants use to make their own food from sunlight? 

What weather tool measures how fast the wind is blowing? 

Sunny Side Up or Scrambled?

He is Risen!

Grow Your Garden

April is a month full of new life, blooming plants, and fresh starts; the perfect time to make your own flower pot! You can decorate a store-bought pot with bright colors and fun designs, or create your own using recycled items like plastic bottles, egg cartons, or milk cartons. After your pot is ready, plant something easy to grow, like a sunflower seed, lettuce, or herbs, and watch it sprout as the days get warmer. If planting isn't your thing, you can still join the fun by making a handprint flower pot. Scan the QR code for a tutorial! It's a great way to celebrate spring and help the Earth by reusing materials.
