Father's Notes

The Story Of Virgen Fatima

The story of Fatima really begins in the year 1916, when the three little children, Lucia, a nine-year-old girl; Francisco, a boy of eight and Jacinta, a six-year-old girl; went to the valley of the Cova de Iria near the village of Fatima in Portugal. This was a common day, when the children took their sheep to graze. On this particular day in the early spring of 1916 it began to rain, so the children climbed up one side of the hill south of the valley to a natural cave, called "Cabeço". There they finished their games, had lunch, and as was the custom in all Portugal, they knelt to say the Rosary.

Before finishing the Rosary they felt a strong wind and when looking, they noticed a strange light in the distance on the valley. As they watched her, the light came closer and closer to the place where they were kneeling, and finally came to the entrance of the cave. There the light took the form of a young boy of about fifteen years. "Do not fear," said the creature of light, "I am the Angel of Peace, pray with me." Then, prostrating himself with his forehead touching the ground; he taught the children the prayer that says what is wrong in the world today. This is the prayer that the Angel of Peace gave to the children of Fatima: "My God, I believe you, I adore you, I entrust you and I love you, and I beg forgiveness for those who do not believe you, adore you, trust you and They love you." Three times in a row the Angel repeated the prayer, a prayer in which heaven calls for prayers of faith, hope and love from the earth - the treasures we all receive at baptism. "Pray thus," said the Angel as he withdrew. The hearts of Jesus and Mary are attentive to your supplications."

Twice more in the summer of 1916 the Angel visited the children. The second time the children played.....

If you want to know more about this fascinating story, we continue next week, we hope to see you here.

La Historia de la Virgen de Fátima

La historia de Fátima comienza realmente en el año de 1916, cuando los tres niños, Lucía, una niña de nueve años, Francisco, un niño de ocho y Jacinta, una niña de seis años; fueron al valle de la Cova de Iria cerca de la aldea de Fátima en Portugal. Este era un día común, cuando los niños llevaban sus ovejas a pastar. En este día en particular al principio de la primavera de 1916 comenzó a llover, por lo tanto, los niños subieron por un lado de la colina al sur del valle hasta una cueva natural, llamada "Cabeço". Allí terminaron sus juegos, almorcizaron, y como era la costumbre en todo Portugal, se arrodillaron a decir el Rosario.

Antes de terminar el Rosario sintieron un viento fuerte y al mirar, notaron una luz extraña a lo lejos sobre el valle. Mientras la observaban, la luz se acercaba más y más hacia el sitio donde ellos estaban arrodillados y finalmente, vino hasta la misma entrada de la cuevita. Ahí la luz tomó la forma de un muchacho joven como de quince años. "No teman" dijo la criatura de la luz, "Yo soy el Ángel de la Paz, recen conmigo." Luego, postrándose con su frente tocando el suelo, le enseñó a los niños la oración que dice lo que está mal en el mundo hoy en día. Esta es la oración que el Ángel de la Paz le dio a los niños de Fátima: "Dios mío, Os creo, Os adoro, Os confío y Os amo. E imploro perdón por los que no Os creen, Os adoran, Os confían y Os aman". Tres veces consecutivas el Ángel repitió la oración, una oración en la cual, el cielo pide que de la tierra suban oraciones de Fe, Esperanza y Amor -- los tesoros que todos recibimos en el bautismo. "Recen así", dijo el Ángel cuando se retiraba. Los corazones de Jesús y María están atentos a vuestras súplicas."

Dos veces más en el verano de 1916 el Ángel visitó a los niños. La segunda vez los niños jugaban.....

Si desea conocer más de esta fascinante historia, continuaremos la próxima semana, los esperamos.
