

Heavenly Father,

we give thanks for the gift of Catholic education—a sacred mission at the heart of Your Church.

Strengthen our school communities as we form children in wisdom and holiness.

May our hope be bold— anchored in Christ, alive in our classrooms, and radiant in the way we teach, serve, and love.

Make us joyful witnesses of the Gospel, faithful to the Church's call to evangelize in all we do. Guide our educators, students, and families, that we may grow each day in faith, courage, and compassion.

Blessed Mary, Star of the New Evangelization and Mother of Hope, intercede for our schools, protect our families, and lead us ever closer to Your Son. *Amen.*
