## SUMMER CARE & CAMP

Summer 2023 is just around the corner... Are you ready?

If you're looking for a great option to help with keeping your kids busy and safe over the summer break, Bishop Ryan has got you covered. LLAF Summer Care & Camp is filled with lots of fun activities (Themes of the week! Outdoor activities and playtime! Art and creativity!) and weekly field trips to great places like Roosevelt Zoo, the Air Museum, Minot Parks, the Taube, and Fort Stevenson State Park.

**A Note From  
Our LLAF Summer Staff:**

*We are looking forward to another year of LLAF Summer Care & Camp at Bishop Ryan!*

*Last year, our kids enjoyed lots of fun in a safe and familiar setting. Most days were filled with games and outdoor activities, and we included summer learning through science and art projects. With a new theme every week like outer space or the zoo, the weekly highlight was our Wednesday field trips. Like always, we're also planning to spend fun time in the sunshine on our school playground.*

*During Summer LLAF, kids continue to learn through fun, play, and experiences of short periods with curriculum-based learning to maintain knowledge from the school year; however, this isn't summer school... We might be learning, but we want your children to have a happy summer experience with lots of fresh air and fun!*
