

Dear Future Second Grade Parents,

The children only have one assigned book to read this summer (See page 2). However, please continue to read to your children and have them read to you! The children will also be required to hand in the math worksheets attached. Please make copies and practice facts to 20 as often as possible. Knowing these facts without the use of manipulatives or their fingers helps the children to add and subtract more fluently. There will be a test in September on the facts to 20.

On the first day of school the children should have the following items:

1 box of large gallon zip lock bags.

-1 box of tissues, 1 pack of baby wipes, 1 pack clorox wipes  
Please purchase clear contact to have home to cover all the childrens' books.

Thank you for your cooperation. We wish you a peaceful and safe summer. We look forward to a great year!!

Sincerely,

Mrs. McKeveny and Mrs. Palmieri

## Summer Reading for Incoming Second Grade

The children are required to read the following book:  
Frog and Toad Together by Arnold Lobel

Please have your child read the book aloud to you and fill out the attached worksheet.

Your child should be reading something or have something read to them each day.

Please go over all letter sounds as well.

Have a wonderful Summer!!!
