REFLECTION ON THE GOSPEL

Are we becoming ever more aware of the oneness of the whole cosmos, we may hear Jesus' pray not only for oneness of the human community but also for every part of the created universe. Every part of the cosmos is Interrelated and connected in one great web of life. Since this is our reality, perhaps Jesus' prayer is not so much a prayers that unity may come to be, but rather that we are already completely and irrevocably united may come to this realization and act accordingly.
